Disclaimer:

This document contains statements about expected future events and financial and operating results of Fiem Industries Limited, which are forward looking. By their nature, forward-looking statements require the Company to make assumptions and are subject to inherent risks and uncertainties. There is significant risk that the assumptions, predictions and other forward-looking statements will not prove to be accurate. Readers are cautioned not to place any reliance on forward-looking statements as a number of factors could cause assumptions, actual future results and events to differ materially from those expressed in the forward-looking statements. Further, certain industry data and other information presented in this document are collected from various reports and sources publicly available. We cannot authenticate the correctness of such data and information. Accordingly, this entire document is subject to this disclaimer. Readers are cautioned that the Company is in no way responsible for any loss / adverse result caused to them attributable to any statement in this document. Readers are requested to exercise their own judgment in assessing the risk associated with the Company.

At FIEM, we are Accelerating Innovation to deliver highest quality products for our valued OEMs in shortest possible time.

We are augmenting our in-house R&D capabilities with world-class designing, development & testing facilities to evolve an ecosystem - which fosters product innovation and best-in-class Automotive Lighting products for our customers.

RONIN

TVS RONIN

HEAD LAMP WITH INNOVATIVE FEATURES

- LED headlamp with innovative features and design with congruent signature of position lamp function.
- Partially concealed reflector design under black bezel bring forth the miniature window design with better illumination on road.
- Opel high transmittance inner lens with direct LED concept gives a homogeneous light with bold curvature lines.
- High efficient thermal concepts derived distinctly to cope with High power LED's which gives a uniform light output.

TECH INNOVATION

TAIL LAMP & WINKER LAMP WITH INNOVATIVE FEATURES

- Sleek looking Semi –bar shape design which camouflages with frame and surrounding parts, adds aggressiveness to the retro design motorcycles.
- Light bar with lateral running seamless extruded optics provide unique design appeal to deliver 180 degree light which improves the safety.
- Multiple concepts are homogenized to put forward a hybrid lighting experience with striking lit up for tail and stop function.

- Unique feature aligning the motorcycle styling concept with the flexible stay integrated with housing to give unique style and homogenous lighting.

In our quest to remain self-dependent for next generation lighting technologies, our In-house R&D is relentlessly working on futuristic technologies like white light generation using LASER, which are yet to be adopted in 2W Lighting...

NEXT GENERATION LIGHTING: LASER TECHNOLOGY

Abstract

A facile synthesis method for the development of $Y_{3-x}Al_5O_{12}: Ce_x^{3+}$, $x=0.03-0.24$ yellow phosphor via an auto-combustion method and fabrication of phosphor-incorporated sapphire disc (PISD) of various dimensions is reported. The photoluminescence (PL) intensity for the optimized concentration of Ce^{3+} -doped yttrium aluminum garnet (YAG) phosphor is

recorded at 550 nm wavelength under the excitation wavelength of 445 nm from a high power blue laser diode. The developed PISD exhibits high stability and luminescence. The blue laser diode is a promising candidate to revolutionize the luminous intensity of the white light by several orders of magnitude as compared with the existing blue light-emitting diodes. This emerging technology has an extremely bright future with endless uses of tunable power of the laser that controls the intensity of the emitted white light. Hence, this new approach provides a paradigm shift to produce highly efficient white light based on PISD integrated with blue laser diode as compared with the conventional technology. Moreover, such configurations allow more styling and packaging flexibility that reduces the overall size of the fabricated unit and makes it favorable for various lighting applications.

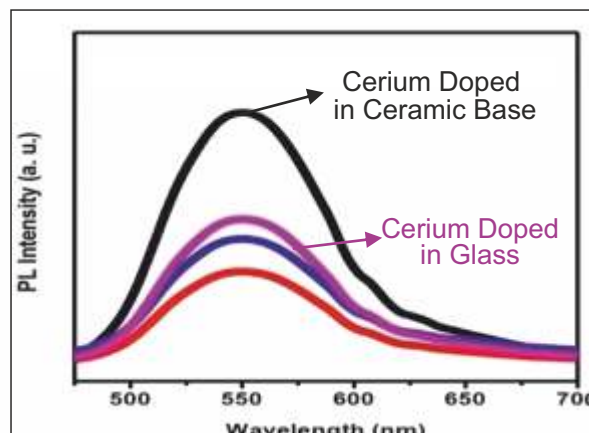

Figure : a) Schematic diagram of disc fabrication, b) Fabricated disc for transmission mode, c) Fabricated disc for reflection mode, d) Laser-induced white light for consistency check.

Recent Development

Based on the experience of the first prototype of PISD, recently we have designed glass and ceramic based phosphor which have higher efficiency to convert blue laser light to white light. This new approach provides a paradigm shift to produce highly-efficient white light based on PISD integrated with a blue laser diode as compared with the conventional technology. The blue laser induced white light is a promising candidate to revolutionize the luminous intensity of the white light by several orders of magnitude as compared with the existing blue light - emitting diodes based white light. This emerging technology has an extremely bright future with endless uses of tunable power of the laser that controls the intensity of the emitted white light for several applications such as head lights in automobile industries and many more.

WORLD CLASS TESTING FACILITIES

We believe, our multi location testing facilities will immensely benefit to all our OEM customers. This will prove an important strength of our Company to garner new business from the OEMs.

NABL Accredited Photometric Testing Laboratory

**NABL Accredited Photometric Laboratory
in R&D Centre at Rai, Haryana
R&D Centre Recognised by DSIR,
Ministry of Science and Technology**

NABL Accredited Photometric Testing Laboratory

Environmental, Mechanical and Durability Testing Equipments

ATOS Triple Scan 3D Scanning & Inspection System

ATOS Blue light scanning system is a versatile system for digitizing, reverse engineering and inspection of small and large components as well as tool & dies.

We have a world class **NABL accredited Photometric Laboratory** with other Testing Facilities at Rai, Haryana.

In line with our objective of further strengthening our testing and validation capabilities - we are setting-up 3 more state-of-the-art photometric testing laboratories at our factories situated in Hosur, Tapukara and Ahmedabad. This will help us to accelerate validation of our mass production Lamps under regulatory requirement of homologation as per Indian and International Standards.

Chairman's Message

”

The Company has been able to outperform the industry and sales have grown 29% year-on-year basis despite significant head winds that 2-wheeler industry faces. I believe that we are now poised for a strong sustained growth in the industry.

Dear Shareholders,

It gives me immense pleasure to report our performance for FY2021-22. Your company was able to achieve highest ever revenues and profits during the year. This has been achieved against a backdrop of a very challenging environment from industry prospective and thus I can say with conviction that your company has demonstrated resilience and agility to sail through during difficult times and come out on top.

As you all know, Quarter-1 of FY 2021-22 started with outbreak of second wave of COVID-19 severely impacting people across the country as well as economic activities. This started receding by June, 21 and industry started showing early signs of recovery and by that time your Company was ready for strong comeback and successfully registered its highest ever quarterly sales of Rs. 416 Crore during Q2 FY 2021-22. This strong performance reflected inherent strength of the Company and ability to adapt to changing environment. Quarter-3 presented challenges for the industry as headwinds remained on growth, coupled with supply chain issues like semi-conductor shortages etc. However, Q4 of the Company remained very strong with highest ever quarterly sale of Rs. 483 Crore, surpassing previous highest quarterly sales of Rs. 416 Crore.

With above performance, your Company has achieved total income of Rs. 1575 Crore during FY 2021-22 and thus not only surpassed the pre-COVID levels but achieved the highest revenue recorded in its history. The Company has been able to outperform the industry and sales have grown 29% year-on-year basis despite significant headwinds that 2-wheeler industry faces. I believe that we are now poised for a strong sustained growth in the industry.

Our continued efforts to strengthen the internal controls, focus on efficiencies and fiscal prudence has not only resulted in our Net-zero debt status, but also increased our profitability. During the year, Company has achieved an EBIDTA margin of 12.42% or Rs. 193 Crores. PAT of the Company has

We are further strengthening our R&D, Design and Testing capabilities at our Design Centre in Italy. At the same time, we are setting-up Testing Laboratories at all our Indian locations i.e. Hosur, Tapukara and Ahmedabad in addition to our NABL Accredited Testing Laboratory in R&D Centre at Rai, Haryana.

also more than doubled to Rs. 95 Crore as compared to Rs. 47 Crore during previous financial year.

We all know that past few years have remained challenging for the 2-wheeler industry because of multiple factors like BS-4 to BS-6 migration, longer period Insurance, new safety regulations and increased value of vehicle ownership etc. Outbreak of COVID-19 and its aftereffects like supply uncertainties and commodity inflation further compounded the pain across Industries.

However, I strongly believe that the structural and long-term growth drivers for 2-wheeler industry remains strong for Indian market. In addition to being a mean of transport for large part of population, 2-wheelers also act as mean of livelihood in many cases. COVID-19 has triggered the change of preference in the people to personal mobility over shared mobility because of safety and hygiene concerns and this phenomenon has positive impact on 2-wheeler industry. Further, in our country the penetration of 2-wheeler is still lower than many countries which is around 110 per 1,000 people Vs 240 per 1000 people in Southeast Asian countries, indicating a huge scope for further penetration of 2-wheelers.

Further, Company strongly believe that Electric 2W is the future of 2-Wheeler Industry. The speed of transformation is really encouraging. The competitive landscape among OEMs is taking new shape, while the existing OEMs have put special focus through new verticals and subsidiaries, the new players, who are only making Electric 2W are also coming with big capital and large production capacity plans.

Updating on your Company's performance on Electric 2W segment, I am happy to share that your Company has taken a very strong head start in EVs space and is working with leading EV-OEMs on existing and new product development. Company strongly believe that Electric 2W will grow at exponential pace and will emerge as a sustainable and green mobility solution in time to come.

The Electric 2W ecosystem is developing at a fast pace in the country and it has got unprecedented support and push from Central as well as State Governments. In addition to FAME-II subsidy by Central Government, many states also offer subsidies / incentives on Electric 2W, like 100% discount on the road tax.

Updating on your Company's performance on Electric 2W segment, I am happy to share that your Company has taken a very strong head start in EVs space and is working with leading EV-OEMs on existing and new product development. Company strongly believe that Electric 2W will grow at exponential pace and will emerge as a sustainable and green mobility solution in time to come.

All through the years, we have been serving our valued OEM customers not only for their Indian requirements, but also for their global models. With the objective to accelerate Product Development, equipped with latest technology and best-in-class aesthetics, we are further strengthening our R&D, Design and Testing capabilities at our Design Centre in Italy. At the same time, we are setting-up Testing Laboratories at all our Indian locations i.e. Hosur, Tapukara and Ahmedabad in addition to our NABL Accredited Testing Laboratory in R&D Centre at Rai, Haryana. All these investments will enable us to 'Accelerate Innovation' for new product development to offer best-in-class Products to our valued OEM customers in least possible time.

As I said above, in our country the structural and long-term growth drivers for 2-wheeler industry remains intact, I have same firm view for our overall economic growth as well, which is boosted by continued reforms and policy support, increased infrastructure spending by government, and higher private investments in manufacturing sector with many other positives.

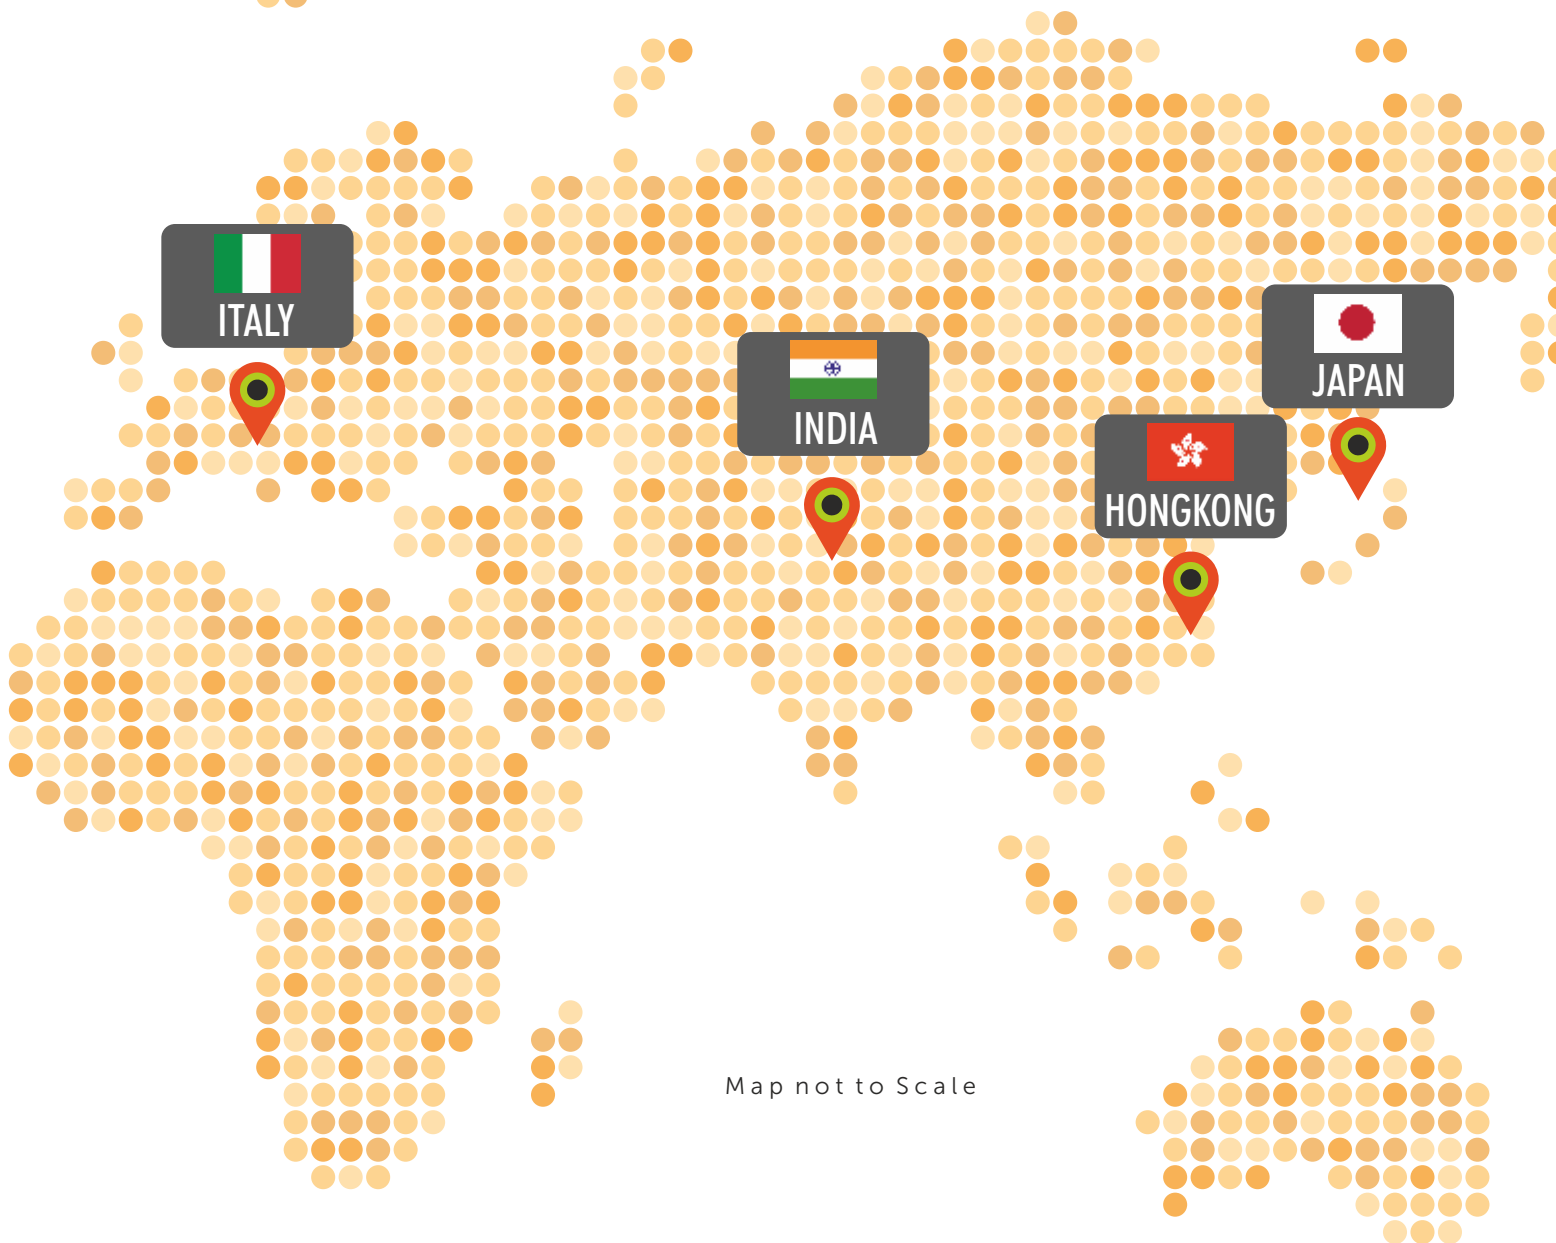

With this growth oriented optimism, we are passionately working to take the Company in next level of growth and serve our customers. I firmly believe that like 2-wheeler industry and overall economy, the structural and long-term growth drivers for your Company also remains intact.

With this, I wish to express my deep gratitude to all our valued OEMs and stakeholders and wish to thank all my colleagues on Board for their guidance and all our employees for their continued commitment and hard work.

Warm Regards,

J.K. Jain,
Chairman & Managing Director

CANCER CARE

Providing Holistic Home based Palliative Care..

With the financial aid by the Company the Project was undertaken by CanSupport (NGO) for Cancer Patients in Delhi NCR

COMPREHENSIVE EYE CARE CAMPS

Comprehensive Eye Care Camps conducted in Kutch District of Gujarat in association with Kutch Vikas Trust (NGO) : The Project had covered 8 villages from Naliya Region and 9 villages from Bhuj Region totaling to 17 villages from the Kutch District of Gujarat State

5866 People
benefitted
and **352** cataract
operations
conducted

“Cataract is one of the major eye issues in the region of Kutch due to the factors of environment, economy, accessibility and awareness of the problem. Thus, there is a need for eye care services in the interior villages of the Kutch District. To address this Kutch Vikas Trust has taken the initiative to address the problem by providing eye care services, providing awareness and sanitize the community. ”

PITHU-FIEM

A CSR initiative of
FIEM INDUSTRIES LTD.

Implementation by
SUPPORT OUR HEROES (NGO)

**FREE DISTRIBUTION OF
RATION KIT FOR NON-PENSIONER
EX-SERVICEMEN & THEIR WIDOWS**

Targeted Locations: **Hilly / Remote Areas: Ladakh, Manipur, Nagaland, Mizoram, Assam, Meghalaya and Uttarakhand etc.**

Project PITHU was started by NGO, 'Support Our Heroes' to help Ex-servicemen and their widows who are in old age i.e. over 65 years of age and do not have any source of income. Fiem Industries got inspired by this Project and taken up one of its own CSR Project, as PITHU-FIEM. Under this Project, NGO will deliver ration kits every month to needy non-pensioner Ex-servicemen and their widows through monthly distribution of ration kits comprising of essentials such as pulses, rice, flour, mustard oil, salt, spices, sugar, tea etc. An important aspect of the project is to recognize the efforts of Ex-servicemen who have served our country and advocate about their human rights on a national level through collective efforts of defense forces.

Total Project outlay is budgeted for Rs. 10.59 Lakhs. The amount will be disbursed monthly / bi-monthly as per requisition of Implementing Agency depending upon the beneficiaries' requests. The Project duration is kept as 25 months, starting from March 1, 2022 to March 31, 2024. This is categorized as 'On-going Project' and beneficiaries / number of beneficiaries / duration of support can be changed depending upon the Project need after periodic review of the Project.

Director's Report

Dear Members,

The Directors of your Company have the pleasure in presenting the 33rd Annual Report of the Company, along with standalone and consolidated audited financial statements for the financial year ended March 31, 2022. The standalone and consolidated financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as notified by the Ministry of Corporate Affairs and as amended from time to time.

Financial Results: Standalone & Consolidated

The Director's Report is prepared on the basis of Standalone Financial Statements of the Company pursuant to Rule 8(1) of the Companies (Accounts) Rules, 2014. However, this report also contains highlights of performance of subsidiaries and joint venture companies and their contribution to the overall performance of the Company during the period under review. Financials of following Wholly-owned Subsidiaries (WOS), and Joint Venture Companies (JVs) are consolidated in Consolidated Financial Statements.

SN	Name of Entities	Country of Incorporation	WOS/JV
1.	Aisan Fiem Automotives India Private Limited (AFI)	India	69:26:5 JV
2.	Fiem Kyowa (HK) Mould Company Limited.	Hong Kong	50:50 JV
3.	Centro Ricerche Fiem Horustech S.r.l	Italy	50:50 JV
4.	Fiem Industries Japan Co., Ltd.	Japan	WOS
5.	Fiem Research and Technology S.r.l (FRT)	Italy	WOS

The key financial highlights of standalone and consolidated financials of your Company are as under:

SN	Particulars	(Rs in Lakhs)			
		Standalone		Consolidated	
		FY 2021-22	FY 2020-21	FY 2021-22	FY 2020-21

State of the Company's affairs and Business Review

The year gone by has witnessed your Company's resilience and agility to sail through during difficult times. Quarter-1 started with second wave of COVID-19, severely impacting people across the country as well as economic activities and automobile industry was no exception. The decline was also registered across our OEMs and this decline also impacted our sales too. Therefore, in Q1FY22 our sales declined by 35% over Q4FY21. However, Quarter-2 onwards impact of COVID-19 started receding and industry started showing strong signs of recovery and by that time your Company was ready for strong comeback and registered its highest ever quarterly sales of Rs. 41,626.47 Lakhs during Q2FY22. This strong performance reflected inherent strength of Company and ability to adapt to changing environment. Quarter-3 remain challenging for the industry, as headwinds remained on growth recovery, coupled with supply chain issues like semi-conductor shortages etc. Quarter-4 of the Company again remained very strong with highest quarterly sale of Rs. 48,352.07 Lakhs, surpassing previous highest quarterly sales of Q2FY22.

For the year 2021-22, your Company recorded its highest ever total income of Rs. 157,485.71 Lakhs and has thus not only surpassed pre-COVID levels but achieved the highest revenue recorded in its history. This has been achieved against the significant headwinds that 2-wheeler industry faces. For the full year FY 2021-22, the overall 2-wheeler industry declined by 3.5%. However, your Company has been able to outperform the industry and sales grew 29% year on year basis. EBIDTA for the year under reporting stood at Rs. 19,344.76 Lakhs, being 12.42% as compared to Rs. 13,060.02 Lakhs, being 10.82% during FY 2020-21. PAT of the Company has more than doubled to Rs. 9,525.90 Lakhs as compared to Rs. 4,711.96 Lakhs during FY 2020-21.

Impact of the COVID-19 on the business of the Company

The onset of more deadly second wave of COVID-19 during Quarter-1 of FY 2021-22 has impacted market demand as well as Company's business in Q1FY22. There were local lockdowns imposed by the state governments, however running of the factories remained allowed, hence all factories of the Company remained open during the COVID-19 second wave. The decline was registered across our OEMs and this decline also impacted our sales, therefore in Q1FY22 our sales declined by 35% over Q4FY21. However, Quarter-2 onwards impact of COVID-19 second wave started receding and Company returned to growth trajectory very fast.

Exit from Joint Venture

The Board of Directors of the Company in their meeting held on February 14, 2022, decided to exit from Joint Venture Company (JVC) – Aisan Fiem Automotives India Pvt. Ltd. Accordingly, in terms of Joint Venture Agreement (JV Agreement), the Company had exercised the put-option rights and offered the entire shares held by the Company in the JVC to the other Joint Venture partner i.e. Aisan Industry Co., Ltd., Japan (Aisan Japan) for purchase at face value or fair market value, whichever is higher. Company had invested Rs. 2600.00 Lakhs acquiring 26% shareholding in the JV Company. By end of May, 2022, most of the activities were completed and Aisan Japan had also informed about the remittance of entire sale consideration of Rs. 2600.00 Lakhs to Fiem Industries Ltd.

Dividend

The Board in its meeting held on May 30, 2022, had recommended a Final Dividend at the rate of 200% i.e. Rs. 20/- per equity share of Rs. 10/- each for the financial year ended on March 31, 2022. The Final Dividend payout is subject to approval of members at the ensuing Annual General Meeting of the Company. The Final Dividend, if approved by the members would involve a cash outflow of Rs. 2,631.97 Lakhs.

Further, pursuant to Regulation 43A of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations"), the Board of Directors had approved and adopted a Dividend Distribution Policy in its meeting held on 30th June, 2021. The Dividend Distribution Policy is available on the Company's website at link: https://www.fiemindustries.com/wp-content/uploads/DDP_FIEM_F_30-06-21.pdf

Statutory disclosures as per provisions of Section 134 of the Companies Act, 2013 (the "Act")

1. Annual Return

Pursuant to Section 92(3) and Section 134(3)(a) of the Companies Act, 2013, the Company has placed a copy of the Annual Return on website of the Company, which can be seen at following link: <https://fiemindustries.com/wp-content/uploads/2022/07/Annual-Return-21-22.pdf>

2. Number of meetings of the Board

Meetings of the Board are held on regular intervals to discuss and decide on various business policies, strategies, operational, financial and other matters. Due to business exigencies, the Board also approve some proposals through resolution passed by circulation from time to time.

During the financial year 2021-22, four (4) Board Meetings and one separate meeting of Independent Directors of the Company were held.

Detailed information on the meetings of the Board is included in the Corporate Governance Report, which forms an integral part of this Annual Report.

3. Directors' Responsibility Statement

In terms of Section 134(3)(c) of the Companies Act, 2013, Your Directors state that:

- a) in the preparation of the Annual Accounts for the year ended March 31, 2022, the applicable accounting standards (IndAs) have been followed along with proper explanation relating to material departures, if any.
- b) the Directors have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company as at end of Financial Year ended March 31, 2022 and of the Profit and Loss of the Company for that period.
- c) the Directors have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities.

- d) the Directors have prepared the Annual Financial Statements on a 'going concern' basis.
- e) the Directors have laid down internal financial controls to be followed by the Company and that such internal financial controls are adequate and are operating efficiently, and
- f) the Directors have devised proper systems to ensure compliance with the provisions of all applicable laws and such systems are adequate and operating effectively.

Based on the framework of internal financial controls and compliance systems established and maintained by the Company, work performed by the internal, statutory and secretarial auditors, including review of internal financial controls over financial reporting by the statutory auditors, and the reviews performed by management and the relevant board committees, including the audit committee, the board is of the opinion that the Company's internal financial controls were adequate and effective during financial year 2021-22.

4. Independent Directors' Declaration

The Company has received necessary declaration from each of Independent Director of the Company under Section 149(7) of the Companies Act, 2013 read with SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations'), as amended, that they meet the criteria of independence as laid down under Section 149(6) of the Companies Act, 2013 and Regulation 16(1)(b) of the Listing Regulations.

The Board took on record the declaration and confirmation submitted by the Independent Directors regarding their meeting the prescribed criteria of independence, after undertaking due assessment of the veracity of the same as required under Regulation 25 of the Listing Regulations.

5. Directors' Appointment Criteria and Remuneration Policy etc.

The Nomination & Remuneration Committee has formulated criteria for determining qualifications, positive attributes and independence of the Directors as well as Remuneration Policy for the Company as mandated under Section 178(3)/(4) of the Act and Regulation 19 read with Part D of Schedule II of the Listing Regulations.

There has been no change in the Remuneration Policy of the Company during the year. The Remuneration Policy is enclosed as **Annexure - I**. This Policy is also available under Investor section of website of the Company and can be viewed at the following link: https://fiemindustries.com/wp-content/uploads/Remuneration%20Policy_LODR.pdf

6. Auditors & Auditor's Reports

(a) Statutory Auditors

In accordance with Section 139 of the Companies Act, 2013, read with the Companies (Audit and Auditors) Rules, 2014, the term of existing Statutory Auditors of the Company, M/s V. Sachdeva & Associates, Chartered Accountants is completing on 33rd Annual General Meeting (AGM) of the

Company, hence they will be vacating the office of Statutory Auditors.

Therefore, the Board of Directors of the Company at their meeting held on May 30, 2022, on the recommendation of the Audit Committee, have recommended the appointment of M/s Anil S Gupta & Associates, Chartered Accountants (Firm Registration No. 004061N), a partnership firm (Audit Firm) as new statutory auditors of the Company at the 33rd AGM of the Company for a term of 5 years, starting from conclusion of 33rd AGM till the conclusion of 38th AGM of the Company to be held in the year 2027.

Pursuant to Section 139 of the Companies Act, 2013 and the rules framed thereunder, the Company has received written consent from M/s Anil S. Gupta & Associates, Chartered Accountants and a certificate that they satisfy the criteria provided under Section 141 of the Companies Act, 2013 and that the appointment, if made, shall be in accordance with the applicable provisions of the Act and rules framed thereunder.

As required under the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, M/s Anil S. Gupta & Associates, Chartered Accountants, has confirmed that they hold a valid certificate issued by the Peer Review Board of ICAI.

The detailed information about the new Audit Firm is given in Notice of 33rd AGM.

(b) Statutory Auditor's Reports

The Auditor's Reports given by M/s. V. Sachdeva & Associates, Statutory Auditors on the financial statements of the Company, both standalone and consolidated, for the financial year 2021-22 is part of the Annual Report. There has been no qualification, reservation or adverse remark or disclaimer in their Reports.

Further, during the year under review, the Auditors has not reported any matter of offence of fraud under Section 143 (12) of the Act, therefore no detail is required to be disclosed under Section 134 (3)(ca) of the Act.

(c) Secretarial Auditor

In terms of Section 204 of the Companies Act, 2013 the Audit Committee recommended and the Board of Directors in their meeting held on May 30, 2022 has appointed M/s Ranjana Gupta & Associates, a firm of Company Secretaries in Practice (C.P. No. 9920) as the Secretarial Auditors of the Company to conduct the secretarial audit for the financial year 2022-23. The Company has received their consent for appointment.

(d) Secretarial Audit Report

The Secretarial Audit under section 204 of Companies Act, 2013 read with Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 as well as in compliance of Regulation 24A of the Listing Regulations was conducted by M/s Ranjana Gupta & Associates,

Company Secretaries (C.P. No. 9920) for the financial year 2021-22. The Report in Form No, MR-3 given by the Secretarial Auditors is annexed as **Annexure-II** and forms integral part of this Report.

In addition to above, 'Annual Secretarial Compliance Report' in compliance with Regulation 24A of Listing Regulations and as per format prescribed under SEBI Circular No. CIR/CFD/CMD1/27/2019 dated February 8, 2019 was also obtained from M/s Ranjana Gupta & Associates, Company Secretaries (C.P. No. 9920) and submitted to stock exchanges i.e. BSE and NSE with in stipulated period.

In both above Reports for financial year 2021-22, the Secretarial Auditor noted the following observation:

"The Board Meeting and Audit Committee Meeting on June 30, 2021 were held with a gap of 137 days from the previous respective meetings held on February 12, 2021, which is in excess of permissible gap of 120 days as stipulated under Regulation 17(2) and Regulation 18(2)(a) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015."

Regarding above observation, requisite explanation already given to the Secretarial Auditor and the summary of the same is as under: During the month of April-May, 2021 like other part of Country, we and our family members were also badly impacted by second wave of COVID-19. In that extremely difficult period, Circular No. SEBI/HO/CFD/CMD1/P/CIRI2021/556 dated April 29, 2021 issued by SEBI came as big relief by extending the time for submission of Quarterly financial results / Annual audited financial results to June 30, 2021. After that, on May 3, 2021 vide General Circular No. 08/2021, Ministry of Corporate Affairs also extended the permissible gap between two board meetings from 120 days to 180 days. Because of extremely difficult circumstances posed by second wave of COVID-19 pandemic, and no urgent matter for consideration by the Board of Directors of the Company during the month of April-May, 2021 and by taking the relaxation granted by above SEBI Circular, the Board Meeting and Audit Committee Meeting of the Company were scheduled and held on June 30, 2021, inter-alia for consideration and approval of financial results for Quarter and Financial Year ended on March 31, 2021. Because of above reasons, the time gap between two consecutive meetings of Board and Audit Committee exceeded more than 120 days.

During the year under review, the Secretarial Auditors has not reported any matter of offence of fraud under Section 143 (12) of the Act, therefore no detail is required to be disclosed under Section 134 (3)(ca) of the Act.

(e) Cost Auditor

In terms of Section 148 of the Act read with Companies (Cost Records and Audit) Rules, 2014, on the recommendation of the Audit Committee, the Board of Directors in their meeting held on May 30, 2022 has re-appointed M/s H. Tara & Co.,

Cost Accountants, (FRN 100265) as the Cost Auditor to conduct Cost Audit for the Financial Year 2022-23 at a remuneration of Rs. 2,90,000/-.

The Company had received his consent that his re-appointment is in accordance with the applicable provisions of the Act and rules framed thereunder and he is not disqualified to be appointed as Cost Auditor.

The above remuneration needs to be ratified by the shareholders. The Notice of the ensuing Annual General Meeting of the Company has requisite resolution for ratification of remuneration of Cost Auditors by the members of the Company.

7. Particulars of Loans, Guarantees or Investments under Section 186

Details of the loans given, guarantees or securities provided (if any) and investments made by the Company along with their purposes, have been disclosed in the financial statements. Please refer to **Note No.5 & 11** in the standalone financial statement.

8. Contracts and Arrangements with Related Parties

All contracts/ arrangement/ transactions entered with Related Parties during the year under review were on arm's length basis and in the ordinary course of business. Due approvals from Audit Committee were taken under the provisions of Section 177 of the Companies Act, 2013 and the Rules made thereunder read with applicable Listing Regulations. As all the transactions with Related Parties during the year under review were on arm's length basis and in the ordinary course of business, so no approval from Board was applicable. During the year under review, the Company has not entered into any contract/arrangement/transaction with related parties which could be considered 'material' in accordance with Related Party Transactions Policy of the Company. Hence, no approval from shareholder required for any related party transaction during the year under review.

As all the transactions with Related Parties were on arm's length basis and there was no 'material' transaction during the year, hence disclosure in form AOC-2 in terms of Section 134(3)(h) of the Companies Act, 2013 are not required.

Further, during the year under review, there were no materially significant related party transactions entered into by your Company with the Promoters, Directors, Key Managerial Personnel or other senior management personnel, which might have potential conflict with the interest of the Company at large.

Members may refer **Note No. 47** to the financial statements which sets out related party disclosures pursuant to Ind AS.

Your Company has formulated a policy on related party transactions. The policy is available on Company's website at <https://www.fiemindustries.com> This policy provides the governing framework for review and approval of related party transactions.

The web-link of the same has been provided in the Corporate Governance Report.

9. Transfer to Reserves

Your Company has transferred Rs. 1,000.00 Lakhs to the General Reserve from the profits of the Company.

10. Material changes and commitment affecting financial position of the Company / Change in the Nature of the Business

There is no material change and/or commitment affecting the financial position of your Company has occurred between April 1, 2022 and the date of signing of this report.

11. Conservation of Energy, Technology Absorption and Foreign Exchange Earnings and Outgo

Details of Energy Conservation, Technology Absorption, Research and Development and Foreign Exchange Earnings and outgo as required under Section 134(3)(m) of the Act read with Rule 8(3) of Companies (Accounts) Rules, 2014 are given in **Annexure - III** to this Report.

12. Risk Management

Risk management is an important function considering the dynamic business environment in which Company operates. Risk management is an area of continuous focus across all functions and operations, so that risk mitigation can be implemented on immediate basis to minimize adverse effect of any emerging risk.

As per Listing Regulations, the Board of Directors of the Company are responsible for framing, implementing and monitoring the risk management plans of the Company. The Company has defined a "Risk Management Policy" which comprises the risk management framework and the same has been approved by the Board of Directors of the Company. The framework covers various categories of risks including cyber security risks, market risks, natural calamities etc. and measures & controls that have been implemented to prevent such risks and continuous improvement of such systems and processes. Company's approach to address business risks is comprehensive and includes periodic review of such risks and a framework for mitigating, controls and reporting mechanism of such risks.

A brief about the risk and concern is also given in the Management Discussion and Analysis Report.

13. Corporate Social Responsibility (CSR)

We have selected 'Health Care' as one of the major areas of intervention under Corporate Social Responsibility (CSR) and way of serving the humanity. The underlying reason for selecting this as a major area under CSR is that in India, affordable medical treatment to the poor in disease like cancer and other life threatening is hardly available at affordable price, hence poor suffer a lot and at times not able to bear the burden of treatment. Therefore, we want to stand with poor and underprivileged by extending them the financial-aid for treatment, when patient and their family are in dire necessity of such support. Hence, our CSR initiatives are based on the premise of helping the underprivileged in the hour of need. During the year under review Company's CSR focus has remained on following activities:

- Health Care - COVID-19 Relief & Support,
- Health Care - Financial Aid to Needy Patients,
- Health Care - Project for Cancer Patients, Eye Operations Camps,
- Health Care - Medicare Support Initiatives,

- Armed Forces Veterans Support,
- Women Empowerment / Health Care - Sanitary Pad Projects

During the year under review, the Company continued its collaboration with Social Welfare Unit of AIIMS, New Delhi, and provided financial aid to poor & needy patients suffering from cancer and other life threatening diseases for getting their treatment done in 'All India Institute of Medical Sciences', New Delhi (AIIMS). In some cases, especially in cancer cases direct financial-aid is also extended to needy patients for getting treatment in other hospitals. Also Company undertook a CSR project with one NGO dedicated in cancer care.

Company also extended full support and financial help to local administration to fight against COVID-19 pandemic, especially during deadly second wave in April-May, 2021.

Among other initiatives, during the year under review, Company also engaged NGOs / implementation agencies for undertaking projects on organizing free eye operation camp, helping the cancer patients and one CSR project for free distribution of ration to non-pensioner Armed Forces Veterans and their families, especially in the hilly area of north-east states.

During the year under review the CSR Policy has been amended and approved by the Board on June 30, 2021. The salient features and brief outline of the Corporate Social Responsibility (CSR) Policy of the Company and the CSR initiatives undertaken by the Company during the year are set out in **Annexure - IV** of this report in the format prescribed in the Companies (Corporate Social Responsibility Policy) Rules, 2014, as amended. For details regarding the CSR Committee, please refer the Corporate Governance Report, which forms part of Annual Report.

14. Annual Evaluation of the Performance of the Board, its Committees and Individual Directors

Performance Evaluation is aimed to use constructively as a mechanism to improve Board's effectiveness, maximize strengths and tackle weaknesses of Board members. It involves questionnaires to be filled by every Director about his own performance (self-assessment), performance of Board as whole, performance of Chairman and performance of respective Committee(s) where he/she is a Member. At the time of individual performance evaluation of the respective director, he himself remains outside the evaluation process.

Initially, Nomination & Remuneration Committee (NRC) carry out the primary evaluation of every Director's performance which is subject to next level of evaluation by the Board and Independent Directors. As per Section 178(2) of the Act, the NRC conduct the performance evaluation of every Individual Director. As per Performance Evaluation framework of the Company, the evaluation process consists of evaluation on the basis of filled questionnaires' received from all directors and opinions, inputs from NRC members and any other information as may be required by the NRC.

The outcome of NRC in respect of Independent Directors is subject to final evaluation by the Board. Outcome of NRC in respect of Non-Independent Directors is subject to final evaluation by the Independent Directors. Performance evaluation of Board as a whole as well as Chairman of the Board is also conducted by the Independent Directors. The performance evaluation of the Committees is conducted by the Board.

The final outcome is collated and presented before the NRC in its next meeting for its consideration as well as before the Board for noting and future reference.

During FY 2021-22, there were 3 JV Companies (JVC) and 2 Wholly-owned subsidiaries (WOS) as listed in initial paragraph of this report. The highlights of performance of each of these companies are as under:

15. Highlights of performance of subsidiaries, associates and joint venture companies and their contribution to the overall performance of the company during the period under review.

a) Aisan Fiem Automotives India Pvt. Ltd. (AFI):

This JV Company was incorporated on 7th June, 2018, in India. Total equity investment in the JV Company is Rs. 100 Crore, wherein Fiem Industries hold 26%, Aisan hold 69% and Toyota Tsusho hold 5%. The JV Company has established its factory in ELCINA Electronic Manufacturing Cluster in Tapukara, Rajasthan for production of Fuel Pump Module. The company has incurred losses during the year, hence consolidated profits of Fiem Industries Limited has accordingly impacted. Company decided to exit from this JV Company, as informed in initial paras of this Report.

Particulars	(Amount Rs. in Lakhs)	
	FY 2021-22	FY 2020-21
% of shareholding	26%	26%
Total Income	2816.45	2680.50
Total Expenses	2714.96	2722.40
Profit or (Loss) after tax	(101.49)	(41.90)
Total comprehensive income	(100.02)	(41.07)

b) Fiem Kyowa (HK) Mould Company Limited:

This JV Company was formed in Hong Kong as 50:50 joint venture company with Kyowa Co., Ltd. of Japan. The purpose of setting up of JV was to engage in the business of high class moulds / tools for Automotive and other applications. The Company has started its operations during FY 2018-19. There is no major investment in this company and this company is providing support for mould development for OEMs. The contribution / or impact on performance of Fiem Industries is very small.

Particulars	(Amount Rs. in Lakhs)	
	FY 2021-22	FY 2020-21
% of shareholding	50%	50%
Total Income	4.85	139.98
Total Expenses	17.28	142.19
Profit or (loss) after tax	(12.43)	(2.21)
Total comprehensive income	(12.43)	(2.21)

c) Centro Ricerche Fiem Horustech S.r.l. (CRFH) (Joint Venture in Italy):

The Company was set-up in Italy as a 50:50 JV with Horustech Lighting of Italy, which is a Designing Company. The purpose of setting-up of JV was to strengthen R&D and Designing capabilities of the Company. However, due to some financial problems in Horustech group companies, the management of both companies i.e. Horustech Lighting and Fiem Industries Limited has mutually decided to move ahead to liquidate the CRFH. Currently this company is under liquidation. There is no major investment in this company and this company was providing Design Services to Fiem Industries and other customers. The contribution or impact on performance of Fiem Industries is nil or negligible.

Particulars	(Amount Rs. in Lakhs)	
	FY 2021-22	FY 2020-21
% of shareholding	50%	50%
Total Income	-	-
Total Expenses	2.50	3.70
Profit or (loss) after tax	(2.50)	(3.70)
Total comprehensive income	(2.50)	(3.70)

d) Fiem Industries Japan Co., Ltd. (Wholly-owned Subsidiary):

This WOS was set-up in Japan as an extended arm of the Company for liaison with Japanese customers like Honda, Suzuki and Yamaha etc., support in Designing, R&D and new business development. While the parent Company (Fiem) was getting full support in above areas in earlier years, during last 2 years, the activity remain negligible in this WOS because of post COVID situations. The financials of the subsidiary are at very small scale. There is no major financial contribution or impact on performance of Fiem Industries.

Financial Highlights of Fiem Industries Japan Co. Ltd. (Japan):

(Amount Rs. in Lakhs)

Particulars	FY 2021-22	FY 2020-21
% of shareholding	100%	100%
Revenue	-	56.85
Total Income	-	57.30
Total expenses	17.72	81.29
Profit/(Loss) before taxation	(17.72)	(23.99)
Provision for taxation	0.49	1.48
Profit/ (Loss) after taxation	(18.21)	(25.47)

e) Fiem Research and Technology S.r.l. (Wholly-owned Subsidiary in Italy):

This Wholly-owned Subsidiary (WOS) was incorporated in Italy on December 17, 2018 and a Design Centre set-up under this Company in Turin, Italy. Fiem Industries is getting Design Services from this WOS on regular basis on Automotive LED and other Lamps for esteemed OEM customers. This is a wholly-owned subsidiary and providing Design Services to Fiem Industries only, so working like an extended arm of Fiem Industries for Design Services.

Financial Highlights of Fiem Research and Technology S.r.l (Italy)

(Amount Rs. In Lakhs)

Particulars	FY 2021-22	FY 2020-21
% of shareholding	100%	100%
Revenue	489.01	374.28
Total expenses	454.63	379.89
Profit/(Loss) before taxation	34.38	(5.61)
Provision for taxation	11.01	(10.37)
Profit/ (Loss) after taxation	23.37	4.76

The financial position of the subsidiaries and Joint Venture Companies is also given in AOC-1 in the financial statements.

16. Other statutory disclosures as required under Rule 8(5) of the Companies (Accounts) Rules, 2014

- As per provisions of Section 177(8) of the Act, composition of the Audit Committee has been disclosed under Corporate Governance Report. The Board, during the year under review, had accepted all the recommendation made to it by the Audit Committee.

- Establishment of vigil mechanism as per provision of Section 177(10) of the Act:** Company has already in place a vigil mechanism namely, 'Whistle Blower Policy'. The details of the same are reported under Corporate Governance Report.

- The details about the ratio of remuneration of each director to the median remuneration of the employees of the Company pursuant to Section 197(12) of the Act read with Rule 5(1) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, as amended, is provided in **Annexure-V**, forming part of this Report.

- The statement containing names and other details of top 10 employees, in terms of remuneration drawn and the particulars of employees as required under Section 197(12) of the Act read with Rule 5(2)&(3) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, as amended, is provided in **Annexure-VI** forming part of this report.

- Disclosure as required under Section 62(1)(b) of the Act read with Sub-rule 9 of Rule 12 of the Companies (Share and Capital Debentures) Rules, 2014, are not applicable, as during the year no shares were issued under ESOS / ESOP or under sweat equity scheme.

- Disclosure as required under Section 43(a)(ii) of the Act read with Sub-rule 4 of Rule 4 of the Companies (Share and Capital Debentures) Rules, 2014, are not applicable as during the year no equity shares with differential rights as to dividend, voting or otherwise were issued.

- Neither the Managing Director nor any Whole-time Director of the Company receive any remuneration or commission from any of its subsidiaries, hence no such disclosure applicable.

- The Company duly complied the applicable Secretarial Standards (SS) i.e. SS-1 & SS-2 on Meetings of the Board of Directors and General Meetings, respectively.

Corporate Governance Report and Management Discussion & Analysis Report

Pursuant to Listing Regulations, Management Discussion & Analysis Report, Report on Corporate Governance, Certificate on Corporate Governance issued by Practicing Company Secretary and the declaration by the Chairman & Managing Director regarding affirmation for compliance with the Company's Code of Conduct forms part of the Annual Report.

Business Responsibility Report

Pursuant to Regulation 34 of the Listing Regulations, Business Responsibility Report forms part of Annual Report.

Consolidated Financial Statements

In accordance with the Companies Act, 2013 ("the Act") read with IndAS, the audited consolidated financial statements are provided in the Annual Report. The accounts of Wholly-owned Subsidiary companies and JV Companies are consolidated with the accounts of the Company.

Acknowledgement

The Board of Directors acknowledges and places on record their sincere appreciation to valued OEM customers and all other stakeholders viz. vendors, dealers, banks, other business partners and Government, for their continued co-operation and support received from them.

The Board also wishes to place on record its appreciation to the esteemed investors for showing their confidence and reposing faith in the Management of the Company.

Your Directors also appreciate the efforts and hard work of all the employees of the Company throughout the year.

For and on behalf of the Board of
Fiem Industries Limited

ANNEXURE-I

REMUNERATION POLICY

1. Background

- 1.1 The Remuneration Policy was originally formulated pursuant to section 178 of the Companies Act, 2013 (effective from April 1, 2014) read with revised Clause 49 of the Listing Agreement (effective from October 1, 2014).
- 1.2 The present revision is carried to incorporate suitable changes because of substitution of Listing Agreement with SEBI (Listing Obligations and Disclosure Requirements), Regulations 2015 ("Listing Regulations") w.e.f. December 1, 2015.
- 1.3 Regulation 19 of Listing Regulations read with Part D of Schedule II, inter-alia, provides that the role of Nomination and Remuneration Committee shall include 'formulation of the criteria for determining qualifications, positive attributes and independence of a director and recommend to the board of directors a policy relating to, the remuneration of the directors, key managerial personnel and other employees'. This provision of Listing Regulations is similar to corresponding provision of erstwhile Clause 49 of the Listing Agreement.
- 1.4 Therefore, the present revision is mainly carried out to incorporate the reference of relevant Listing Regulation and remove the reference of erstwhile Listing Agreement.

2. Legal Framework

- 2.1. Section 178 of the Companies Act, 2013, inter-alia provides for constitution of Nomination & Remuneration Committee and mandates the listed Companies to have Remuneration Policy for its directors, key managerial personnel and other employees. Sub section (3) and (4) of section 178 provides as under:
 - (i) The Nomination & Remuneration Committee shall formulate the criteria for determining qualifications, positive attributes and independence of a director and recommend to the Board a policy, relating to the remuneration for the directors, key managerial personnel and other employees.
 - (ii) The Nomination and Remuneration Committee shall, while formulating the policy under sub-section (3) ensure that -
 - (a) the level and composition of remuneration is reasonable and sufficient to attract, retain and motivate directors of the quality required to run the company successfully;
 - (b) relationship of remuneration to performance is clear and meets appropriate performance benchmarks; and
 - (c) remuneration to directors, key managerial personnel and senior management involves a balance between fixed and incentive pay reflecting short and

long-term performance objectives appropriate to the working of the company and its goals:

Provided that such policy shall be disclosed in the Board's report.

- 2.2 In line with the Companies Act, 2013, Regulation 19 read with Part D of Schedule II of the Listing Regulations provides about the Nomination & Remuneration Committee and Remuneration Policy as under:

The role of the committee shall, inter-alia, include the following:

'formulation of the criteria for determining qualifications, positive attributes and independence of a director and recommend to the board of directors a policy relating to, the remuneration of the directors, key managerial personnel and other employees.'

- 2.3. On above background, the captioned policy is framed.

3. Objectives & Scope

- 3.1. Criteria to determine qualifications, positive attributes and independence of a director.
- 3.2. Policy to provide guiding principles for remuneration of the directors, key managerial personnel and other employees.

4. Definitions

- 4.1. "Nomination & Remuneration Committee (NRC) means such Committee constituted by the Board of Directors of the Company under provisions of section 178 of Companies Act, 2013 and Regulation 19 of the Listing Regulations.
- 4.2. "Board" means the Board of Directors of the Company.
- 4.3. "Company" means the "Fiem Industries Limited" / "FIEM".
- 4.4. Companies Act, 2013 ('Act') includes Rules framed thereunder.
- 4.5. All other words, terms and phrases referred and not defined herein, shall have the same meaning as defined under Companies Act, 2013 and Listing Regulations.

5. Criteria to determine Qualifications, Positive Attributes and Independence of a Director

- 5.1. The independence of an Independent Director will be decided as per parameters provided under section 149(6) of the Act read with Regulation 16(1)(b) of the Listing Regulations. Professional qualification of an Independent Director will be an advantage, but that will not be sole criteria and positive attributes like experience in industry, exposure as entrepreneur, specialised area expertise will be more effective attributes. However, these will be guiding principles and Nomination & Remuneration Committee will have liberty to consider other merits as well, while recommending an Independent Director for appointment.

6. Governing framework of Remuneration of Directors, KMPs and other Employees

- 6.1. The remuneration to Managing Director and Whole-time Directors will be as per the Companies Act, 2013 and will be recommended by NRC and approved by the Board and Shareholders.
- 6.2. The Independent Directors and Non-executive Directors will be paid sitting fees for attending the meeting of Board and Committees. They will also be provided travelling and boarding facilities / expenses whenever applicable.
- 6.3. The remuneration of KMPs and other employees of the Company will be governed by the Human Resources practices of the Company.

7. Guiding principles of Remuneration of Directors, KMPs and other Employees

- 7.1. The remuneration will be decided considering the long-term growth objective of the Company and by maintaining balance among various factors like complexity, criticality and scarcity of the skill sets of the candidates.
- 7.2. Long term objective, growth and suitability for the business of the Company will remain supreme driving principles.
- 7.3. The level and composition of remuneration is reasonable and sufficient to attract, retain and motivate employees at all levels for successfully running the Company.
- 7.4. Performance of individual and criticality of specialised skill sets required for the growth of the Company will be given due weightage while remunerating such employees.

7.5. Adequate facilities like company provided vehicles and other perquisites will be given to the Directors and eligible employees to retain and nurture best talent.

7.6. Variable remuneration will not be mandatory and periodic increments etc. will be decided considering various relevant factors like Company's performance, employee's willingness to devote sufficient time and energy in carrying out duties and responsibilities effectively, retaining and nurturing talent by the Company, industry practices, availability of talented manpower, motivate the manpower and to develop a sense of belongingness as well as need of the Company. The remuneration level can be reviewed and reset annually / periodically based on comparison with the relevant peer group and industry trends.

8. Policy Review

This Policy may be reviewed as and when any changes are to be incorporated in the Policy due to change in laws or as may be felt appropriate by the Company. Any changes or modification on the Policy would be approved by the Committee or Board of the Company.

For and on behalf of the Board of
Fiem Industries Limited

ANNEXURE-II SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED ON MARCH 31, 2022

[Pursuant to section 204 (1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Fiem Industries Limited
(CIN: L36999DL1989PLC034928)
D-5, Mansarover Garden
New Delhi-110015

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Fiem Industries Limited** (hereinafter called the Company). Secretarial audit was conducted in the manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, documents, minute books, forms, and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents, and authorized representatives during the conduct of secretarial audit, the explanations and clarifications given to us and the representations made by the Management, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on **March 31, 2022** (Audit Period), complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance- mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

1. We have examined the books, papers, minute books, forms, and returns filed and other records maintained by the Company for the financial year ended on March 31, 2022 according to the provisions of:
 - (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
 - (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
 - (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
 - (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent applicable for Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
 - (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;

- (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (c) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - (d) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.
2. We further report that, during the Audit Period there were no events/ actions in pursuance of:
 - (a) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999;
 - (b) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
 - (c) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009;
 - (d) The Securities and Exchange Board of India (Buy Back of Securities) Regulations, 2018;
 - (e) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018.
3. We have also examined compliance with the applicable clauses of the Secretarial Standards (SS-1 and SS-2) issued by the Institute of Company Secretaries of India.
4. During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines and Standards, to the extent applicable as mentioned above subject to the following observation:

The Board Meeting and Audit Committee Meeting on June 30, 2021 were held with a gap of 137 days from the previous respective meetings held on February 12, 2021, which is in excess of permissible gap of 120 days as stipulated under Regulation 17(2) and Regulation 18(2)(a) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. We were informed by the Company that more than permitted gap between two meetings happened because of prevailing conditions during the second wave of COVID-19.

We further report that-

5. The Company is engaged in manufacturing of Automotive Lighting and Signaling Equipment, Rear View Mirror, Plastic Moulded Parts and other Auto Components. Company also

- manufactures LED Luminaries/ LED Products for general lighting applications and LED Integrated Passenger Information System for buses and railways etc. Company has manufacturing facilities, depots and offices in different States of the Country. During the course of Business operations, various Labour, Industrial, Environmental, Local/ State Laws as well as Laws specific to the Industry (such as Indian Motor Vehicle Act, 1988 and Rules made thereunder, as amended) apply to the Company. We have examined the compliance management system of the Company for ensuring the compliances of these laws. In our opinion and to the best of our information and explanations given to us, the compliance management system is adequate to ensure compliance of above referred applicable laws.
6. The compliance by the Company of applicable financial laws like direct and indirect tax laws and maintenance of financial records and books of accounts has not been reviewed in this Audit since the same have been subject to review by statutory financial auditor and other designated professionals.
 7. The Board of Directors of the Company is duly constituted with proper balance of Executive Directors and Independent Directors including a Woman Independent Director. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.
 8. Adequate notice is given to all the Directors for Board and Committee Meetings. Notice, Agenda and detailed notes on agenda were sent at least 7 days in advance and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.
 9. Decisions by the Board and Committees are carried out unanimously and therefore, no dissenting views were required to be captured and recorded as part of the minutes.
 10. There are adequate systems and processes in the Company commensurate with the size and the operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.
 11. During the period under review, the Company has decided to exit from its Joint Venture (JV) Company, namely, Aisan Fiem Automotives India Private Limited, incorporated in India. The JV Company was incorporated on June 07, 2018 in which the Company has 26% stake in the Equity Share Capital.
- Further, there were no instances of:
- i) Public/ Right/ Preferential issue of shares/ debentures/ sweat equity, etc.;
 - ii) Redemption/ buy- back of securities;
 - iii) Any resolution by the Members in pursuance to section 180 of the Companies Act, 2013;
 - iv) Merger/ Amalgamation/ Reconstruction, etc; and
 - v) Foreign Technical Collaborations.
- This report is to be read with our letter of even date which is annexed as Annexure–A and forms an integral part of this report.

ANNEXURE-A

The Members,
Fiem Industries Limited
(CIN: L36999DL1989PLC034928)
D-5, Mansarover Garden
New Delhi-110015

Our Secretarial Audit Report of even date is to be read along with this letter:

- a) Maintenance of secretarial records is the responsibility of the management of the Company. Our responsibility is to express an opinion on the secretarial records based on our audit.
- b) We have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the secretarial records. The verification was done on test basis to ensure that correct facts are reflected in secretarial records. We believe that the process and practices, we followed, provide a reasonable basis for our opinion.
- c) We have not verified the correctness and appropriateness of the financial records and Books of Accounts of the Company.
- d) We have obtained the Management Representation, wherever required, about the compliances of laws, rules and regulations and happening of events etc.
- e) The compliance of the provisions of the corporate and other applicable laws, rules, regulations, standards is the responsibility of the management. Our examination was limited to the verification of procedures on test basis.
- f) The Secretarial Audit Report is neither an assurance as to the future viability of the Company nor of the efficacy or effectiveness with which the Management has conducted the affairs of the Company.

ANNEXURE-III

CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNINGS AND OUTGO PURSUANT TO PROVISIONS OF SECTION 134 OF THE COMPANIES ACT, 2013 READ WITH RULE 8 OF THE COMPANIES (ACCOUNTS) RULES, 2014.

(A) CONSERVATION OF ENERGY

(i) Steps Taken or Impact on Conservation of Energy:

As in the past, the Company continued to stress upon measures for the conservation and optimal utilisation of energy in all the areas of operations, including those for energy generation and effective usage of resources and equipment. There are continuous efforts towards improving operational efficiencies, minimizing consumption of natural resources and reducing water and energy, while maximizing production volumes.

Hence, conservation of energy remain a major focus area for continuous improvement across all factories and office locations by upgrades and replacements that Company could implement in factories in different processes to become more energy efficient. KAIZEN activities with Energy Saving and CO2 reduction themes conducted across factories, resulting in conservation of energy and also providing operational benefits. Some of the activities are as under:

- (a) In powder coating baking oven, strip type heaters replaced with fins type heaters for better & efficient thermal management inside the baking oven, resulting in less consumption of energy as well increased efficiency of oven.
- (b) In Unit-VII, at the roof top of the factory shed water proofing treatment completed with advanced heat resistance membrane sheets, for better cooling at the shop floor area with lesser usage of air-conditioning and cooling system, resulting in power saving.
- (c) In continuation of earlier year's energy saving KAIZEN, induction motors replaced with servo motors in more injection moulding machines, resulting in power saving on long term basis.
- (d) Earlier one hot melt dispenser machine was installed for each Assembly Line, now one more dispensing hose & pump installed, enabling the usage of same machine for one more Assembly Line.
- (e) In moulding machines, PLC (Programme Logic Controller) upgraded with latest version i.e. LNC-6, resulting better monitoring, increased efficiency and productivity.
- (f) In hot melt dispenser machines in Assembly Lines, timer installed with automatic On/Off, so that in idle time, the machine become automatically off, avoiding idle running of machine by mistake or otherwise, resulting better protection of machine and power saving.
- (g) In Press shop the 20 Ton hydraulic press machine (with 7.5 kw motor) converted into pneumatic cylinder press to manufacture the same component, resulting in power saving as well as increased productivity.

- (h) In Welding shop spot welding on bulb holder modified to single stroke weld, instead of double stroke weld, resulting in power saving and increased productivity.
- (i) Under compressor efficiency improvement (KWh/CFM) programme, compressed air requirement study carried out, and accordingly compressors re-positioned / re-located as well as air pipe layout changed for maximum efficiency and optimised overall compressor utilisation requirement, resulting in lesser compressor running requirement during nights or lesser production schedules, resulting in power saving.
- (j) Street lights in factory premises equipped with LDR (Light Dependent Resistor), resulting in optimism utilisation of street lights and power saving.
- (k) Company continued its focus on behaviour awareness, by imparting trainings and organising workshops on energy saving themes as well as putting boards and quotes highlighting conservation of natural resources, reducing wastage, care for energy saving cause in every walk of life.
- (l) As in past, during supplier's visit and audit, suppliers encouraged to follow green practices as an important pre-requisite to the Company purchasing strategy.

The impact of above measures in reduction of energy consumption and consequent impact on the cost of production of goods is difficult to quantify. However, as power constitutes a major cost factor in production and overall operations of the Company, hence all these measure of energy conservation results in the cost reduction.

(ii) Steps taken by the Company for Utilizing Alternate Sources of Energy:

Company had installed one roof-top Solar Power Plant of 750kWh at Rai Plant on Opex model. However, Company exploring better models for installing solar plants in other factories to maximize the utilization of alternate source of energy. In canteen and some other places alternate sources of energy used depending upon the overall suitability.

(iii) The Capital Investment on Energy Conservation Equipment:

The energy conservation measures are majorly in the form of change / upgradation of existing equipment and practices improvement and no big capital investment on these measures, except in some cases of plant upgradation or new plant. During the year under review capital investment made on energy saving equipment was not significant.

(B) TECHNOLOGY ABSORPTION

(i) Efforts made towards Technology Absorption:

Automotive LED lighting is on continuous fast growing phase this year as well, and we foresee on upcoming year too. We continue our journey with the LED Lighting Technology development and up-gradation, which still forms the majority share in the new developments for all OEMs. Emphasis is on new technology development and absorption, especially in LED space. We have further upgraded technology in manufacturing processes. Some of

the efforts are as under:

- a) Heat conducting polymers and its effective application in lighting modules has been studied to improve the performance and efficiency.
- b) Driving module with advanced PWM signal response in line with lamp performance control is successfully derived.
- c) Complete vehicle side simulation for all the functions in the lamp derived at BCM has been implemented in EOL (End of Line) before dispatching.
- d) Indirect light bar illumination concept with reflector profile incorporated has been designed and developed.
- e) Electronics design for semi-adaptive light functioning using advanced ICs combined with programmable microcontrollers has been introduced for the first time.
- f) To have greater aesthetic & styling content, the trend is towards developing signature lighting in two wheeler lamps, accordingly the molding machines are upgraded to have electronic injection to cope with thick element lighting parts like light Bar PES lenses and collimators.

(ii) Benefits that are the aftermath of the above efforts, namely Product Improvement, Cost Reduction, Product Development, Import substitution etc. are :

- a) Heat conductive polymers gives more design freedom in terms of reducing packaging size and high thermal performance.
- b) Indirect firing of LED's in reflector integrated light bar provides distinct lighting experience, especially for Signature and signaling lights.
- c) Vehicle side simulation is incorporated in EOL which brings down the failure at higher gradients enhancing the quality of the product.
- d) Semi adaptive headlamp for the mid segment motor bikes increases the safety and enhance the user riding comfort.
- e) Thick element lenses provide enhanced light output with higher aesthetics, which can be optimized and allow design freedom for critical shapes.
- f) By our previous year efforts on technology learning in PES and thick light bar signature lighting, we have been successfully able to cater for all 2W Electric Segment too, driven by young styling experts.

(iii) The following is the information on Imported technology during the last 3 years reckoned from beginning of the financial year 2022-23

- a) the details of technology imported:
- b) the year of import:
- c) Whether the technology been fully absorbed:
- d) If not fully absorbed, area where absorption has not taken place, and the reasons thereof:

In general, the Company keeps on importing latest machines from other countries to keep abreast with the latest manufacturing and technology development worldwide in order to keep developing in-house technology and up gradation of technology. Company had imported

LED SMT machines and automatic assembly lines with latest technology in previous years and also keeps on importing robots and machines with latest technology for various processes. The technology self-absorbs during production and improvement thereof is a continuous process.

Further, Fiem had signed a 'Technology License & Assistance Agreement' with Aisan Industry Co., Ltd. Japan in Sept 2016 for Canister. The technology is being imported and absorbed.

Fiem has also signed a 'Technology License & Assistance Agreement' with Toyo Denso Co., Ltd., Japan in July 2018 for Bank Angle Sensors. The technology is being imported and absorbed.

(iv) Research and Development (R&D)

In addition to the fast-expanding automobile market and increased expectations from user's end, LED Technology remains the most predominant subject. Research & Development is still evolving and lot of innovations are being done by Fiem as a front runner in development of new Automotive LED Lighting with advanced signature concepts for 2 Wheelers.

R&D efforts have contributed in new Product Development, new Technology Development and improvement in product quality and technology. We have world class R & D facilities, which are strengthened by passing years, which are amply acknowledged and rewarded by its valued OEM customers.

The Company had set-up its in-house R&D Unit at Rai Plant, recognized by the Govt. of India, Ministry of Science and Technology, Department of Science and Industrial Research.

The Company has also established one Wholly-owned subsidiary in Italy namely, **Fiem Research & Technology S.r.l (FRT) and has set-up a Design Centre**, especially for advanced advance technologies and innovations in Automotive Lighting.

The Company is further augmenting its designing capabilities by adding well experienced Designers for Advanced Electronic Architecture to cater for high end models.

A brief on the R&D activities of the Company is as follows

a) Specific Areas in which R&D carried out by the Company:

- (i) Simplified PES lenses along with subsumed reflector optics designed and developed for cost effective projector applications.
- (ii) Reflector integrated indirect light bars for signaling functions are successfully developed.
- (iii) Rear combination lamp with high profile thick bar and frosted optics designed to achieve 3D lighting experience in Tail and stop lamp.
- (iv) Enhanced single IC circuit for High and Low beam function extended for medium performance vehicles.
- (v) For the first time, Matrix (Combination of multiple technology) tail lamps have been designed & developed by in-house R&D team for mid-range bike segment.
- (vi) In-house LDM PCB designed to withstand high temperature (85 ° C) for longer duration of (72 -96 hours).
- (vii) In-house designed hybrid Individual aiming system

introduced for HIGH and Low beam for two-wheeler scooter segments.

- (viii) Compact Turn signal lamp with single LED without reflector have been introduced with optics in lens for the multiple OEM motorcycle models.
- (ix) Seamless light flow for tail and stop function has been designed with light pad technology combined with thick lens.
- (x) Very compact LED MFR headlamp with Heatsink designed for Class-B, which is the smallest in its segment.
- (xi) Rear View adjustable Mirror with static Housing has been designed similar to high end four-wheeler mirror concepts.
- (xii) Headlamp with direct LED projectors for High and Low with running position across the corners including inbuilt logo lamp has been made.
- (xiii) Insert molded Small LED turn indicator lamps with 3 LEDs has been made.
- (xiv) Smallest MFR headlamp for Class-C without heatsink designed for scooter segment.
- (xv) Single frame Headlamp along with heat sink with aiming feature introduced as a cost effective lamp.

b) Benefits derived as a result of R&D:

Company's in-house R&D capabilities and proven strength in LED Technology, has enabled it to introduce various LED Head lamps in two-wheelers for its valued OEM customer in Indian as well as global models. Because of these capabilities, Company is a preferred vendor for LED Automotive Lighting Systems for prestigious two-wheeler OEMs for **Head lights, Daytime Running lights, Tail light, Directions indicator lights etc.**

- (i) Simplified and hybrid projector lenses are cost effective and have a flexible design to adapt in smaller packages and reduce the complexity of formal projector lamps.
- (ii) Indirect lighting technology in thick bar provides a unique feature for signaling and signature lighting functions.
- (iii) High profile thick bar with optics integrated and partial frost finish gives the 3D lighting view at 180 degree view angle.
- (iv) In-house designed LDM PCB with high temperature resistance enhances the quality and reliability of the lamp which eventually reduces the risk of failure.
- (v) Using advanced single hybrid IC for both low and High beam functions helps reduce the cost and to gain benefits for both manufacturer and customer.
- (vi) Multiple functions incorporated in the single two wheeler headlamp to give the compact feature and to cut down the costs.
- (vii) Single frame aiming along with heat sink feature for high and low beam helps meet the functional requirement eliminating the extra plastic part and the cost.
- (viii) Single LED turn signal lamps with direct LED technology is an eye-catching feature which is sleek and compact enhancing the styling and features and give premier look to the vehicle.
- (ix) With Light Pad Technology, light can be evenly distributed which is much more homogeneous and appears 3D lit-up with cost effectiveness.

(x) Frosted lens provides more light than milky lens with cool light enhancing the desired light output.

c) Future Plan of action

- (i) Research on usage of silicon transparent lenses for automotive signaling devices.
- (ii) Introduce dual function by using multi-color Automotive LED in single lamp.
- (iii) Analyze the usage of highly reliable automotive grade IC which is having n-1 function inbuilt.
- (iv) Red diffuser lens to eliminate the formal two part construction to minimize the cost in signature functions and for better homogeneity.
- (v) Implement High thermal conductivity polymers for high performance lighting system eliminating the existing metal heat sinks and also for miniscule light profile / projector headlamps.
- (vi) Study to use COB (chip on board) LED packages for high power headlamps in near future.
- (vii) Further enhancement of semi-adaptive cost-effective electronic architecture solutions to mid-range lighting segment
- (viii) Develop in-house electronic capabilities on advanced architecture using CAN – BUS technology for premium lighting solutions.
- (ix) Research on miniature cost effective headlamps for two wheelers.

d) Expenditure on R&D:

Company has built its R&D capabilities over a long time and now it possess one of the best R&D and Design capabilities in the industry. Further, the Company has also incurred expenses on its overseas Design Centre in Italy and Development activities within and outside India. The following expenses have been incurred by the company on R&D:

Particulars	Amount in Rs. Lakhs	
	2021-22	2020-21
Capital Expenditure:	3.10	0.66
Recurring/Revenue Expenditure:	955.72	888.45
Total	958.83	889.11

(C) FOREIGN EXCHANGE EARNINGS AND OUTGO

The Foreign Exchange earned in terms of actual inflows during the year was Rs. 7,308.62 Lakhs and the Foreign Exchange outgo during the year in terms of actual outflows was Rs. 27,207.84 Lakhs.

ANNEXURE-IV

ANNUAL REPORT ON CSR ACTIVITIES (FY 2021-22)

1. Brief outline on CSR Policy of the Company:

Under our CSR Policy, we have selected 'Health Care' as one of the major areas of intervention under Corporate Social Responsibility (CSR) programme and way of serving the humanity. The underlying reason for selecting this as a major area under CSR is that in India, affordable medical treatment to the poor in disease like cancer and other life threatening is hardly available at affordable price, hence poor suffer a lot and at times not able to bear the burden of treatment. Therefore, we want to stand with poor and underprivileged by extending them the financial-aid for treatment, when patient and their family are in dire necessity of such support. Hence, our CSR initiatives are based on the premise of helping the underprivileged in the hour of need. During the year under review Company's CSR focus has remained on following activities:

- Health Care - COVID-19 Relief & Support,
- Health Care - Financial Aid to Needy Patients,
- Health Care - Project for Cancer Patients, Eye Operations Camps,
- Health Care - Medicare Support Initiatives,
- Armed Forces Veterans Support,
- Women Empowerment / Health Care - Sanitary Pad Projects

During the year under review, the Company continued its collaboration with Social Welfare Unit of AIIMS, New Delhi, and provided financial aid to poor & needy patients suffering from cancer and other life threatening diseases for getting their treatment done in 'All India Institute of Medical Sciences', New Delhi (AIIMS). In some cases, especially in cancer cases direct financial-aid is also extended to needy patients for getting treatment in other hospitals. Also Company undertook a CSR project with one NGO dedicated in cancer care in Delhi NCR.

Company also extended full support and financial help to local administration to fight against COVID-19 pandemic, especially during deadly second wave in April-May, 2021.

Among other initiatives, during the year under review, Company also engaged NGOs / implementation agencies for undertaking projects on organizing free eye operation camp, helping the cancer patients and one CSR project for free distribution of ration to non-pensioner Armed Forces Veterans and their families especially in the hilly area of north east states..

2. Composition of CSR Committee:

S.N.	Name of Director	Designation/Nature of Directorship	Number of meetings of CSR Committee held during the year	Number of meetings of CSR Committee attended during the year
1	Mr. Rahul Jain	Chairman / Whole-time Director	3	2/3
2	Mr. K.R. Yadav	Member / Whole-time Director	3	3/3
3	Mr. V.K. Malhotra	Member / Independent Director	3	3/3

3.	Provide the web-link where Composition of CSR committee, CSR Policy and CSR projects approved by the board are disclosed on the website of the company.	<p>CSR Policy Web link: https://fiemindustries.com/wp-content/uploads/CSR-Policy_FIEM_Revised.pdf</p> <p>CSR Project & Committee web link: https://fiemindustries.com/CSR%20Projects%20&%20CSR%20Committee%20WEB.pdf</p>

ANNEXURE-V

The ratio of the remuneration of Managing Director and each Whole-time Director to the median employee's remuneration and other details in terms of sub-section 12 of Section 197 of the Companies Act, 2013 read with Rule 5 (1) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, as amended:

SN	Requirements	Disclosures
I.	The ratio of the remuneration of Managing Director and each Whole-time Director to the median remuneration of the employees for the financial year	Please refer below 'Table-A'.
II.	The percentage increase in remuneration of Managing Director each Whole-time Director, Chief Financial Officer and Company Secretary in the financial year	Please refer below 'Table-A'.
III.	The percentage increase in the median remuneration of employees in the financial year	Please refer below 'Table-A'.
IV.	The number of permanent employees on the rolls of the Company	There were 2307 direct employees on the rolls of the Company at the end of Financial Year 2021-22.
V.	Average percentile increase already made in the salaries of employees other than the managerial personnel in the last financial year and its comparison with the percentile increase in the managerial remuneration and justification thereof and point out if there are any exceptional circumstances for increase in the managerial remuneration.	Average percentile increase/decrease during the year 2021-22 in the salaries of employees (excluding managerial persons) was 20.12% (increase) . Average percentile increase / decrease during the year 2021-22 in managerial remuneration was 24.10% (increase) . For other information, please refer below 'Table-A'.
VI.	Affirmation that the remuneration is as per the remuneration policy of the Company	Yes, it is confirmed that the remuneration is as per the Remuneration Policy of the Company.

TABLE-A

SN	Name & Designation of Directors and KMPs	Remuneration FY 2021-22 (Rs.)	% increase/ decrease	Ratio of Remuneration with Median Remuneration of all employees
	Median Remuneration of Employees	2,52,467	19.17%	-
1	Mr. J.K. Jain, Chairman & Managing Director	1,24,80,000	33.33%	49.23
2	Mrs. Seema Jain, Whole-time Director	66,00,000	21.21%	26.14
3	Mr. Rahul Jain, Whole-time Director	66,00,000	21.21%	26.14
4	Ms. Aanchal Jain, Whole-time Director	54,00,000	21.21%	21.39
5	Mr. Rajesh Sharma, Whole-time Director	1,29,00,000	21.21%	51.10
6	Mr. K. R. Yadav, Whole-time Director	1,03,44,864	20.93%	40.98
7	Mr. O.P. Gupta, Chief Financial Officer	63,90,000	25.33%	-
8	Mr. Arvind K. Chauhan, Company Secretary	75,48,120	25.71%	-
	Total Managerial Remuneration	6,82,62,984	24.10%	

Notes:

- All the Non-executive Directors of the Company are paid sitting-fee only for the Board / Committee meetings attended by them, hence above information not applicable for them.
- The calculation of median remuneration of employees and increase therein is based on the employees of the company who were at Company's roll at the beginning as well as at the end of financial year.
- In FY 2021-22, there is no increase in remuneration of CMD and Whole-time Directors, and they drew their normal remuneration only as was before voluntary reduction applied during initial part of FY 2020-21 due to outbreak of COVID-19. However, the percentage increase is coming, because they had drawn reduced remuneration for the initial part of FY 2020-21.
- Company's Performance for FY 2021-22:** Please refer initial paras in Director's Report.

Management Discussion and Analysis

GLOBAL ECONOMIC OUTLOOK

As per International Monetary Fund (IMF), April, 2022 report on World Economic Outlook, world economy estimated to grow 6.1% in 2021, posting one of the strongest post-recession recoveries in decades, as vaccination drive helped people to fight COVID, enabling governments to ease pandemic-related restrictions. Governments and central banks of major countries maintained policy and monetary support to deal with COVID and its aftereffects. However, the global recovery was accompanied by an increased inflation as commodity and energy prices shot up amid global supply chain disruptions.

Most of the major economies appear to have crossed their pre-pandemic output levels, but potential headwinds pose downside risks to growth forecasts, as COVID new variants and geo-political conflicts remain general challenges. Soaring Inflation, supply chain uncertainties, and newer COVID variants have been points of concern for governments worldwide for some time now. Russia-Ukraine crisis and debt repayment issues in many countries coupled with other geo-political disturbances also hampering recovery in global economy.

As per above referred report of IMF, global growth is projected to slow down from an estimated 6.1 percent in 2021 to 3.6 percent in 2022 and 2023. This is 0.8 and 0.2 percentage points lower for 2022 and 2023 than projected in January, 2022.

INDIAN ECONOMIC OUTLOOK

As per National Statistical Office's Second Advanced Estimates, India's real GDP is expected to grow by 8.9% in FY 2021-22.

Although second wave of the COVID-19 in April-May, 2021, which proved fatal and badly impacted the public health at large and economic activities throughout the country left its adverse impact, but economic activities picked up its momentum June, 2021 onwards. Though, the recovery was not broad based and some sectors remain affected for a longer period as private consumption and rural demand lagged behind and couldn't reach at pre-COVID levels very soon.

Vaccination drive across the country helped normalising the life as well as economic activities. Further, favourable monsoon and higher agricultural production, along with increased support prices are likely to improve rural demand.

Since outbreak of COVID-19, Central Government has taken many measures as policy and monetary support to revive the Indian economy. Production Linked Scheme (PLI) is a landmark scheme for boosting the Indian manufacturing to global levels. The brief of the same is as under:

PLI Scheme

In November 2020, the Government of India announced the second edition of Production Linked Incentives (PLI) Scheme across 10 key sectors. The PLI Scheme was launched with the intention of scaling up domestic manufacturing facilities, accompanied by higher import substitution and employment generation. These schemes offer turnover linked incentives to manufacturers, upon meeting the specified investment, capacity, and turnover criteria.

Across the sectors, PLI Scheme will help in scaling up domestic manufacturing facilities, accompanied by higher import substitution

and employment generation. The long-term benefits from these schemes expected to lead India's emergence as a preferred investment destination and global manufacturing hub.

PLI Scheme for Automobile and Auto Component Industry for enhancing India's Manufacturing Capabilities for Advanced Automotive Products (AAT) with a budgetary outlay of Rs. 25,938 Crore was approved by government. The PLI Scheme for Automobile and Auto component industry proposes financial incentives to boost domestic manufacturing of Advanced Automotive Technology (AAT) products and attract investments in the automotive manufacturing value chain. Its prime objectives include overcoming cost disabilities, creating economies of scale and building a robust supply chain in areas of AAT products. This scheme will facilitate the Automobile Industry to move up the value chain into higher value-added products.

On the outlook for FY 2022-23, the long-term structural growth drivers remain intact, boosted by continued reforms and policy support, increased infrastructure spending by government, and higher private investments in manufacturing sector. As per RBI reports, real GDP is expected to grow by 7.2% in FY 2022-23, though rising inflation poses downside risks to the forecast. Further, comprehensive vaccination of the entire population continues to be the key to fight with the COVID.

INDUSTRY STRUCTURE AND DEVELOPMENT: TWO-WHEELER INDUSTRY

Company manufacture a wide range of Automotive Lighting & Signalling Equipments-conventional as well as LED Lightings, Rear View Mirrors and Plastic Moulded parts etc. and its major business comes from Two-wheeler Industry. Company also supply Automotive Lighting and Rear View Mirrors to Passenger Vehicle, Commercial Vehicle, off Highway and Tractor segment. However, in the near future, Two-wheeler Industry remains a focus Industry for Company's growth objectives, including fast growing **Electric 2 Wheeler (Electric 2W) segment**.

Two-wheeler primarily include Motorcycles, Mopeds, Scooters and Electric 2W. In India, Two-wheeler can be seen as an alternative to walking and public transport system. Presently, the country is the largest producer and manufacturer of Two-wheeler in the world followed by China. Some of the key factors driving the demand of Two-wheeler in India include providing an economical mode of transportation in comparison to four wheeled vehicles coupled with higher fuel efficiency and its ease of driving through congested roads. Furthermore, rising urbanization, improving road infrastructure, and increasing number of women consumers are also catalysing the demand of Two- wheelers in India.

The Indian Two-wheeler industry has evolved many folds in terms of technology and total number of two wheelers being manufactured and produced. Rising fuel prices is one of the primary growth drivers for two-wheelers due to their higher fuel efficiency. In India, commuters across all age groups use vehicles, especially two wheelers owing to the escalating population and rapid increase in traffic congestion, thereby making two wheelers the most appropriate, affordable and convenient mode of transportation in urban as well as rural areas.

The competitive landscape of key players (OEMs) in Two-wheeler Industry consist a healthy mix of multinationals, majorly Japanese and our home-grown multinationals with global scales. Now, a new class of OEMs are emerging fast, who are only making Electric Two-wheelers (Electric 2W).

Because of onset of Electric Vehicles revolution, the Two-wheeler Industry is in a great transformational phase and it is expected to remain so in a near term of 3 to 5 years.

Company accept all these developments and transformation in Two-wheeler Industry at a very positive note, as Company's products are vital for both EVs or ICE (Internal Combustion Engine) based Two-wheelers.

5 Years' 2-Wheeler Production Volume Trend ('000)

5 Years' All Vehicles Production Volume Trend ('000)

OUTLOOK, OPPORTUNITIES AND THREATS:

The past few years have remained challenging for the Two-wheeler industry because of multiple factors like BS-4 to BS-6 migration, longer period Insurance, new safety regulations and increased value of vehicle ownership etc. Outbreak of COVID-19 and its aftereffects like supply uncertainties and commodity inflation further compounded the pain across Industries. Soaring inflation, supply chain uncertainties, and newer COVID variants have been points of concern for some time now and expected to remain continue for some more time across industries.

However, in India the structural and long-term growth drivers for Two-wheeler industry remains intact. In addition to being a means of transport for large part of population, two-wheelers also act as mean of livelihood in many cases. COVID-19 has triggered the change of preference in the people to personal mobility over shared mobility, because of safety and hygiene concerns. This has impacted the Two-wheeler industry very positively. The penetration of per capita Two-wheeler in India still lower than

many countries. In India per 1,000 people the Two-wheeler stand around 110 in comparison to around 240 in Southeast Asian countries, leaving a huge scope for further penetration of Two-wheelers. For a large part of Indian population, Two-wheeler still makes the first vehicle to ride and drive.

Electric Two-wheeler (Electric 2W)

Company strongly believe that Electric 2W is the future of Two-wheeler Industry. The speed of transformation is really encouraging. The competitive landscape among OEMs is taking new shape, while the existing OEMs have put special focus through new verticals and subsidiaries, the new players, who are only making Electric 2W, are also coming with big capital and large production capacity plans.

The Electric 2W ecosystem is developing with a fast pace in the country and it has got unprecedented support and push from Central as well as State Governments. The major government incentives for Electric Vehicle Industry are as under:

FAME-II Scheme

Central Government has approved FAME-II Scheme (**Faster Adoption and Manufacturing Electric and Hybrid vehicles**) with an outlay of Rs. 10,000 Crore for a period of 3 years commencing from 1st April 2019. Out of total budgetary support, about 86 percent of fund has been allocated for Demand Incentive so as to create demand for Electric Vehicles in the country.

Timeframe	FY 2019-20 to FY 2023-24	
Outlay proposed	Rs. 10,000 Crore	
Vehicles Eligible (Nos.)	7,000 Electric Buses 5 Lakh Electric 3W 10 Lakh Electric 2W 55,000 Electric PVs	Depending upon off-take of different category of Electric Vehicles (EVs), these numbers may vary as the provision has been made for inter as well as intra-segment wise fungibility.
Technical and other Criteria	Only advanced battery and registered vehicles will be incentivized under the scheme. With greater emphasis on providing affordable & environment friendly public transportation options for the masses, scheme will be applicable mainly to vehicles used for public transport or those registered for commercial purposes in e-3W, e-4W and e-bus segments. However, privately owned registered e-2Ws are also covered under the scheme as a mass segment.	

Electric 2W FAME-II eligibility specifications further explained as under:

Electric 2W Type with Battery specs	Vehicles, fitted with advanced chemistry battery and meeting with minimum Technical Criteria and Registered as "Motor Vehicle".
Speed requirement	Top speed of 40KM/PH and above (low speed not eligible)
Single charge Range	80 KM and above
Local content	At least 50% of components must be local (as per definition)
Price	The ex-factory price should be lesser than Rs. 1,50,000/-
Subsidy Amount	Up to Rs. 15,000/- subsidy per kWh of battery capacity 40% of ex-factory price or Rs. 60,000/- (if it is with 4kWh Battery).

Additional Incentive by State Governments:

In addition to FAME-II subsidy, many states also offer subsidies / incentives on Electric 2W, like 100% discount on the road tax. Further, states like Meghalaya, Gujarat, Assam, Bihar and West Bengal offer Rs. 10,000 subsidy per kWh of battery capacity with the maximum subsidy being capped at Rs. 20,000. For Maharashtra the subsidy is INR 5,000 per kWh, and the maximum subsidy is capped at Rs. 25,000 per vehicle.

Updating on Company's performance on Electric 2W segment, we are happy to share that Company has taken a very strong head start in EVs space and already working with leading EV-OEMs. Further efforts are on for adding more and more EV-OEMs. Company strongly believe that Two-wheeler Industry will transform itself into Electric 2W with a fast pace and will emerge as a sustainable and green mobility solution in time to come.

FINANCIAL AND OPERATIONAL PERFORMANCE REVIEW

FY 2021-22 has witnessed Company's resilience and agility to sail through during difficult times. Quarter-1 started with second wave of COVID-19, severely impacting people across the country as well as economic activities and automobile industry was no exception. The decline was also registered across our OEMs and this decline also impacted our sales too. Therefore, in Q1FY22 our sales declined by 35% over Q4FY21. However, Quarter-2 onwards impact of COVID-19 started receding and industry started showing strong signs of recovery and by that time the Company was ready for strong comeback and registered its highest ever quarterly sales of Rs. 41,626.47 Lakhs during Q2FY22. This strong

performance reflected inherent strength of the Company and ability to adapt to changing environment. Quarter-3 remain challenging for the industry, as headwinds remained on growth recovery, coupled with supply chain issues like semi-conductor shortages etc. Quarter-4 of the Company again remained very strong with highest quarterly sale of Rs. 48,352.07 Lakhs, surpassing previous highest quarterly sales of Q2FY22.

For the year 2021-22, the Company recorded its highest ever total income of Rs. 157,485.71 Lakhs and has thus not only surpassed pre-COVID levels but achieved the highest revenue recorded in its history. This has been achieved against the significant head winds that 2-wheeler industry faces. For the full year FY 2021-22, the overall 2-wheeler industry declined by 3.5%. However, the Company has been able to outperform the industry and sales grew 29% year on year basis. EBIDTA for the year under reporting stood at Rs. 19,344.76 Lakhs, being 12.42% as compared to Rs. 13,060.02 Lakhs, being 10.82% during FY 2020-21. PAT of the Company has more than doubled to Rs. 9,525.90 Lakhs as compared to Rs. 4,711.96 Lakhs during FY 2020-21.

Impact of the COVID-19 on the business of the Company

The onset of more deadly second wave of COVID-19 during Quarter-1 of FY 2021-22 has impacted market demand as well as Company's business in Q1FY22. There were local lockdowns imposed by the state governments, however running of the factories remained allowed, hence all factories of the Company remained open during the COVID-19 second wave. The decline was registered across our OEMs and this decline also impacted our sales, therefore in Q1FY22 our sales declined by 35% over Q4FY21. However, Quarter-2 onwards impact of COVID-19 second wave started receding and Company returned to growth trajectory very fast.

KEY FINANCIAL RATIOS (STANDALONE)

Please refer **Note No. 57** of Standalone Financial Statements forming part of the Annual Report FY 2021-22.

COMPANY'S PRODUCT PORTFOLIO REVIEW

(i) Automotive Lighting and Signalling Equipments:

Company manufactures a large range of LED and conventional Head Lamps, Tail Lamps, Blinker Lamps, Fog Lamps, Warning Triangles and Interior Lamps, among others, for two, three and four-wheelers.

Lighting is one of the most important system of a vehicle from the perspective of safety, functionality as well as aesthetic. It is critical with regard to the safety of vehicle occupants and that of other road users. The innovation in Automotive Lighting is an ever evolving process and is currently witnessing a fast adoption of LED. In comparison to conventional bulbs, LED Lighting offer unlimited possibilities for designing and development from safety, functionality as well as aesthetic perspective. The next technological advancement would be OLED and Laser. LED are most suitable for Electric Vehicles (EVs) as it consume less power and present more options for functional as well as designing requirements. The Company is a leading player in innovation and new technology adoption, based on its in-house R&D, technological expertise, design and development strengths and world-class manufacturing facility to capitalize on these new growth opportunities and provide the vehicles, especially the 2-wheelers, the best-in-class LED lighting solutions with the latest technology.

(ii) Rear View Mirrors (RVM):

Company's second most selling product category is Rear View Mirror, which is being supplied to almost all OEM customers of the Company and for some of our valued OEM customers, we are sole supplier for their Rear View Mirror requirements. The Company has state-of-the-art mirror manufacturing plants across four units where plate making, profile cutting, washing, grinding, cleaning, coating (aluminum or chrome) and painting is carried out. The Company has installed injection moulding machines and rod making facilities in-house. All the sub-components are accumulated in the assembly lines to complete the entire process of assembling and testing under one roof.

(iii) Plastic Moulded Parts:

Apart from manufacturing moulded parts for Automotive Lighting and Signalling Equipments and Rear View Mirrors, the Company is also manufacturing and supply standalone plastic parts as finished parts for Two-wheelers, like Front Fenders, Floor Panels, Side Covers, Rear Fenders, Handlebars, Seat Bases and many others. Company has installed best-in-class injection moulding machines across its 9 plants ranging from 50 tonnage to 1,400 tonnage, capable of making parts weighing 20 grams to 2.5 kilograms.

(iv) Others:

These are all other items contributing individually less than 10% to the Company's revenue pie and mainly includes fabricated items like sheet metal parts, moulds etc. Company has full-fledged sheet metal fabrication facilities as well as mudguard rolling plants for manufacturing front and rear mudguards for motorcycles and mopeds.

LED Segment (Other Segment)

LED Segment (non-automotive) represent products under two categories: (i) LED luminaires for indoor and outdoor applications and (ii) integrated passenger information systems

with LED displays for trains and buses. During FY2021-22, the Net Sales of LED Segment is Rs. 840.61 Lakhs as compared to Rs. 1096.40 Lakhs in FY2020-21.

RISKS AND CONCERNS

Our risk management system consider both external and internal risks to devise effective mitigation strategies. Risk identification, analysis, mitigation and monitoring are undertaken periodically by the Management and overseen by the Risk Management Committee. Post-assessment mitigation plans are developed and implemented under reporting to the Risk Management Committee of the Board. Risk management is a continuous process and require dynamic mitigation mechanism, which Company's management is doing with proactive approach.

COVID continue to remain a potential risk, though government's vaccination drive has reduced the possibility of severity up to a great extent. However, any widespread resurgence of pandemic can again cause hardship at health as well as economic front. Geo-political disturbance in many countries may also adversely impact Indian economy and supply chain.

HUMAN RESOURCES

As financial year 2021-22 started with outbreak of COVID-19 second wave, which was more fierce and deadly, hence it had impacted the employees of the Company and their families. In that difficult time, Company withstood with its employees like a family and extended all possible support. During those difficult times, our focus remained to ensure the safety of every employee and extend helping hand to society at large. During these difficult times, our HR department has played vital roles across the locations in taking all safety and sanitisation measures and helping the employees to contain the spread COVID-19. Whether vaccination, attending the employees in the hour of need or for any other eventuality, the HR department across the locations remained in helping and attentive mode.

Human Resources Development framework focusses on talent management, employee engagement, performance management, diversity & inclusion, and most importantly learning and development by way of training and programs.

During the year, training programme extended to more employees with addition of safety on COVID-19. The Company is committed to nurturing, enhancing and retaining talent through superior learning and organizational development programme. The other trainings like Fire & Safety, 5S, 7QC Tools, TQM, Environment Awareness, Emergency Plan, PDCA, KAZEN and CSR awareness were conducted to hone the skills of the employees. Company encourages the employees to maintain work-life balance and has introduced progressive policies and programs. During the year under review, industrial relations remained cordial in all plants of the Company.

At the close of the financial year under review, there were **2307** employees on the rolls of the Company.

Woman Employment: Diversity and Inclusion (D&I)

Since beginning, Company has special emphasis on Diversity and Inclusion (D&I), and today women comprise more than 40% of our workforce at shop floor, apart from other departments. Company has also adopted special recruitment

drives for women workforce across its factories and special arrangements for their training & skill development towards its social cause for women empowerment and gender equality, so that women are better equipped to contribute to the productivity of their families and the society at large.

INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY

The Company has proper and adequate internal control system to ensure that all its assets are safeguarded and protected against any loss and that all the transactions are properly authorized and recorded. The internal control systems are subject to continuous improvement. Company ensures the reliability of financial reporting and compliance with laws and regulations. The internal control framework is reviewed regularly by the management as well as Internal Auditors and presented to the Audit Committee. The internal financial controls are commensurate with the size of the Company and the complexity of its operation and well capable of detection of frauds and errors, accuracy and completeness of the accounting records and timely preparation of reliable financial information. Internal financial controls have been operating effectively throughout the year.

Cautionary Statement

Statements / information in this Management Discussion and Analysis describing the Company's objectives, projections, estimates and growth expectations may be 'forward looking' within the meaning of applicable laws and regulations. Actual results may substantially differ from those expressed or implied. Important factors that could make a difference to the Company's operations include economic, political, changes in Government regulations, tax regimes, economic developments and various other internal and incidental factors. Company does not undertake to update any forward looking statements to reflect future events or circumstances. Investors are advised to exercise due care and caution while interpreting these statements. Further, various Industry and economic data used in this report is taken from the public sources and accuracy of such data cannot be verified or assured.

Corporate Governance Report

(The Report on Corporate Governance forms part of the Director's Report for the financial year ended March 31, 2022)

Pursuant to the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"), as amended and requirements of the Companies Act, 2013, the Board of Directors of the Company present the Company's Report on Corporate Governance.

1. COMPANY PHILOSOPHY ON CORPORATE GOVERNANCE

Company believes that good corporate governance is pre-requisite for sustainable growth and for creating long-term value for stakeholders. Hence, we are committed to define and follow the highest level of corporate governance practices and principles in the organization. We imbibe passion, integrity, accountability and transparency in all our actions and operations in pursuit of overall growth and creating long-term value for stakeholders. Further, in all our processes, actions and operations, we must be responsible as a law abiding organization and sensible for our duty towards all stakeholders, environment as well as society at large.

With above philosophy and underlying values, we serve our valued OEM customers and care for all our business partners, associates, stakeholders, environment and society at large.

2. BOARD OF DIRECTORS

Company's Board is constituted in compliance with the Companies Act, 2013 and rules made thereunder, SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations'), the Articles of Association of the Company and in accordance with the best practices in Corporate Governance. Presently, the Board of the Company consists of 13 Directors, including one Women Independent Director. All the Directors have diverse experience and background fulfilling the statutory as well as business requirements.

Independent Directors: The Companies Act, 2013 and the Listing Regulations provide the definition of 'Independent Director'. All our Independent Directors fulfill the conditions of independence specified under section 149 of the Companies Act, 2013 and Regulation 16(1)(b) of the Listing Regulations. A formal letter of appointment to Independent Directors as provided in Companies Act, 2013 has been issued to all Independent Directors and format disclosed on website of the Company viz. www.fiemindustries.com.

- a. As at March 31, 2022 the Company's Board comprises of 13 Directors. Out of which, 7 are Independent Non-Executive Directors, which constitute more than 50% of the Board, in compliance with the Listing Regulations. Out of 7 Independent Directors, Ms. Shobha Khatri is Woman Independent Director

of the Company. Mr. J.K. Jain is Chairman & Managing Director and 5 others are Whole-time Directors. None of the Independent Directors of the Company serve as an Independent Director in more than seven (7) listed companies.

- b. The Committees of Board of Directors forms the next level of governing bodies and complement the governing system of Company. In compliance with applicable provisions, Committees constituted to oversee specific areas of their domain and as per terms of reference. Overall direction and strategy, policy formulation, setting up of objectives, evaluation of performance and control functions vest with the Board. The Committees have specific area assigned to them by the Board through terms of reference. The notice and detailed agenda along with the relevant notes and other material information are sent in advance to each Director and in exceptional cases placed / presented in the Meeting with the approval of Chairman and at least one Independent Director. In urgent cases, approval of the Board sought through resolution by circulation. This ensures timely and informed decisions by the Board.
- c. The Board Committees play an important role in the overall management and governance of the Company. The Board Committees meet at regular intervals and take necessary steps to perform duties as entrusted by the Board through terms of reference. The Minutes of the Committee Meetings are placed before the Board for noting.

Presently, Company's Board has constituted 5 Committees in compliance with the Companies Act, 2013 and rules made thereunder read with SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ('Listing Regulations'), namely-

- Audit Committee,
- Nomination & Remuneration Committee,
- Stakeholders' Relationship Committee,
- Corporate Social Responsibility (CSR) Committee and
- Risk Management Committee

The Board is authorized to constitute additional functional committee(s), depending on business needs. Company Secretary of the Company act as the Secretary to all the Committees of the Board constituted and functioning under the Companies Act, 2013 and the Listing Regulations. The Management works under direction of the Board. Overall operations and functioning of the Company are managed by Chairman & Managing Director with five (5) Whole-time Directors and a core group of senior level executives.

- d. The names and categories of the Directors on the Board, their attendance at Board Meetings held during the financial year under review and at last Annual General Meeting, the number of Directorships and Committee Chairmanships / Memberships held by them in other public companies as on March 31, 2022 are given herein below:

SN	Name of the Director	Designation	Category	Attendance at board meetings during the financial year 2021-22	Whether attended last AGM held on September 21, 2021	Number of directorship in other Boards/Committees		Directorship in other Listed entities' Board		Shareholding in Fiem Industries Limited (No. of Shares as on 31.03.2022)

PED (Promoter Executive Director), NPED (Non Promoter Executive Director), ID (Independent Director)

* Excludes directorship held in Private Companies, Section 8 Companies and Foreign Companies.

** As required under Regulation 26(1) of the Listing Regulations, the disclosure includes membership / chairpersonship of the audit committee and stakeholders' relationship committee in Indian public companies (listed and unlisted).

- e. More than 50% of Directors on the Board of the Company are Independent Directors. None of the Directors of the Company is serving as an Independent Director or as a Director in more than 7 listed companies. Further, no Independent Director of the Company is a Whole-time Director in another listed company.
- f. None of the Directors on the Board is a Director in more than 10 public companies or is a member in more than 10 Committees or Chairperson of more than 5 Committees.
- g. Independent Directors are Non-Executive Directors as defined under Regulation 16(1)(b) of the Listing Regulations read with Section 149(6) of the Companies

Act, 2013 ("the Act"). The maximum tenure of Independent Directors is in compliance with the Act. All the Independent Directors have confirmed that they meet the criteria as mentioned under Regulation 16(1)(b) of the Listing Regulations read with Section 149(6) of the Act.

- h. The members of the Board have made the required disclosures to the Board regarding their direct or indirect concerns or interests in any contract or transaction with the Company.
- i. Four (4) Board Meetings were held during the financial year under review and the gap between two consecutive meetings did not exceed one hundred and twenty days except one instance when the gap

was 137 days. The reasons for the same are explained in Director's Report which forms part of this Annual Report.

Dates on which the said meetings were held are as follows: June 30, 2021, August 14, 2021, November 12, 2021 and February 14, 2022.

The necessary quorum was present at all the meetings. All material information were circulated to the directors before the meeting or placed at the meeting, including minimum information required to be made available to the Board as prescribed under Part A of Schedule II of Sub-Regulation 7 of Regulation 17 of the Listing Regulations.

The important decisions taken at the Board/Board Committee Meetings are communicated to the concerned department/ division. The Chief Financial Officer and Company Secretary attend all the Board Meetings and assist and advise the Board on compliances with applicable laws and governance.

The Company has proper systems to enable the Board to review on quarterly basis compliance reports of all laws applicable to the Company, as prepared by the Company as well as to assess the steps taken by the Company to rectify instances of non-compliances, if any.

- j. During the financial year under review one separate meeting of Independent Directors was also held on February 12, 2022 without the attendance of Non-Independent Directors and members of the Management. All Independent Directors attended the said meeting. The Independent Directors, inter-alia, reviewed the performance of Non-Independent Directors, Chairman of the Company and the Board as a whole.

n. Matrix of Core Skills/Expertise/ Competencies of the Board

The Board of Directors has identified following matrix of core Skills/Expertise/ Competencies for itself, as required in the context of business of the Company and automotive sector, to function affectively:

- (i) Strategic, Futuristic and Growth oriented vision.
- (ii) Domain Knowledge of Automotive Components business, especially Automotive lighting.
- (iii) Indian and global Automobile Business matrix, especially OEMs.
- (iv) Operational, Finance, Marketing and Business Development competencies.

Current Board of the Company is competent enough and possesses above core Skills/Expertise/ Competencies to function effectively and running the Company successfully. Though, all the Board members possess above Skills/Expertise/Competencies. However, some members are having more depth in some domain areas as under:

Skills/Expertise/ Competencies	Name of Directors
Strategic, Futuristic and Growth oriented vision	All Directors
Automotive Components business, especially Automotive lighting	Mr. J.K. Jain, Mr. Rahul Jain, Mrs. Seema Jain, Ms. Aanchal Jain, Mr. K.R. Yadav, Mr. Rajesh Sharma Mr. M.B. Sahni, Mr. Iqbal Singh.
Indian and global Automobile Business matrix, especially OEMs.	Mr. J.K. Jain, Mr. Rahul Jain, Mrs. Seema Jain, Ms. Aanchal Jain, Mr. K.R. Yadav, Mr. Rajesh Sharma Mr. M.B. Sahni, Mr. Iqbal Singh.
Operational skills and competencies	Mr. J.K. Jain, Mr. Rahul Jain, Mr. K.R. Yadav, Ms. Aanchal Jain, Mr. M.B. Sahni, Mr. Iqbal Singh. Ms. Shobha Khatri
Finance, Marketing and Business Development	Mr. J.K. Jain, Mr. Rahul Jain, Mrs. Seema Jain, Mr. Rajesh Sharma, Mr. M.B. Sahni, Mr. Iqbal Singh, Mr. S.K. Jain, Mr. A.K. Sharma, Mr. Jawahar Thakur, Mr. V.K. Malhotra, Ms. Shobha Khatri.

- k. **Inter-se relation among Directors:** Mr. J.K. Jain, Chairman & Managing Director is husband of Mrs. Seema Jain and father of Mr. Rahul Jain and Ms. Aanchal Jain, Whole-time Directors of the Company. Hence all four are related to each other. Further, these all are promoters of the Company. Except these, none of other directors are related to each other.

- l. The Company has not issued any convertible instruments.

- m. The details of the familiarization programme of the Independent Directors are available on the website of the Company at following link:

<https://fiemindustries.com/wp-content/uploads/Familiarization-combined-20-21web.pdf>

At the time of appointing an Independent Director, a formal letter of appointment is given to him/her, which inter-alia explains the role, function, duties and responsibilities expected from him/her as a Director of the Company. The Director is also briefed about his/her duties and compliance, disclosure requirement as well as Codes of Conduct he/she has to observe under the Companies Act, 2013, Listing Regulations, PIT Regulations and other various statutes. The Chairman & Managing Director also meet one-to-one with the newly appointed Director to familiarize him with the Company's operations. Periodic plant visits also facilitated to give them fist hand experience of manufacturing. Further, on an ongoing basis as a part of Agenda of Board / Committee Meetings, presentations are regularly made to the Independent Directors on various matters inter-alia covering the Company's and its subsidiaries/associates businesses and operations, industry and regulatory updates, strategy, finance, risk management framework, role, rights, responsibilities of the Independent Directors under various statutes and other relevant matters.

- o. It is hereby confirmed that in the opinion of the Board, the Independent Directors fulfil the conditions specified in the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, and they are independent of the management.
- p. As no Independent Director has resigned from the Company during the year, hence requirement of giving detailed reasons for the resignation of an independent director along with a confirmation by such director that there are no other material reasons other than those provided, does not apply.

3. AUDIT COMMITTEE

The role, powers and terms of reference of the Audit Committee covers the areas as contemplated under Section 177 of the Companies Act, 2013 and Regulation 18 (3) read with Part C of Schedule II of the Listing Regulations, as applicable, besides other terms as referred by the Board of Directors. The Board reviews the working of the Committee from time to time to bring about greater effectiveness in order to comply with the various requirements under the Companies Act, 2013 and the SEBI Listing Regulations.

3.1 Brief Description of Terms of Reference

The terms of reference of the Audit Committee are in compliance with the Companies Act, 2013 and the SEBI Listing Regulations, as amended, which include the following:

- a) oversight of the listed entity's financial reporting process and the disclosure of its financial information to ensure that the financial statement is correct, sufficient and credible;
- b) recommendation for appointment, remuneration and terms of appointment of auditors of the listed entity;
- c) approval of payment to statutory auditors for any other services rendered by the statutory auditors;
- d) reviewing, with the management, the annual financial statements and auditor's report thereon before submission to the board for approval, with particular reference to:
 - i. matters required to be included in the director's responsibility statement to be included in the board's report in terms of clause (c) of sub-section (3) of Section 134 of the Companies Act, 2013;
 - ii. changes, if any, in accounting policies and practices and reasons for the same;
 - iii. major accounting entries involving estimates based on the exercise of judgment by management;
 - iv. significant adjustments made in the financial statements arising out of audit findings;
 - v. compliance with listing and other legal requirements relating to financial statements;
 - vi. disclosure of any related party transactions;
 - vii. modified opinion(s) in the draft audit report;

- e) reviewing, with the management, the quarterly financial statements before submission to the board for approval;
- f) reviewing, with the management, the statement of uses / application of funds raised through an issue (public issue, rights issue, preferential issue, etc.), the statement of funds utilized for purposes other than those stated in the offer document / prospectus / notice and the report submitted by the monitoring agency monitoring the utilisation of proceeds of a public or rights issue, and making appropriate recommendations to the board to take up steps in this matter;
- g) reviewing and monitoring the auditor's independence and performance, and effectiveness of audit process;
- h) approval or any subsequent modification of transactions of the listed entity with related parties;
- i) scrutiny of inter-corporate loans and investments;
- j) valuation of undertakings or assets of the listed entity, wherever it is necessary;
- k) evaluation of internal financial controls and risk management systems;
- l) reviewing, with the management, performance of statutory and internal auditors, adequacy of the internal control systems;
- m) reviewing the adequacy of internal audit function, if any, including the structure of the internal audit department, staffing and seniority of the official heading the department, reporting structure coverage and frequency of internal audit;
- n) discussion with internal auditors of any significant findings and follow up there on;
- o) reviewing the findings of any internal investigations by the internal auditors into matters where there is suspected fraud or irregularity or a failure of internal control systems of a material nature and reporting the matter to the board;
- p) discussion with statutory auditors before the audit commences, about the nature and scope of audit as well as post-audit discussion to ascertain any area of concern;
- q) to look into the reasons for substantial defaults in the payment to the depositors, debenture holders, shareholders (in case of non-payment of declared dividends) and creditors;
- r) to review the functioning of the whistle blower mechanism;
- s) approval of appointment of chief financial officer after assessing the qualifications, experience and background, etc. of the candidate;
- t) Carrying out any other function as is mentioned in the terms of reference of the audit committee.
- u) reviewing the utilization of loans and/ or advances by the holding company to the subsidiaries and investment by the holding company in subsidiaries.

- v) consider and comment on rationale, cost-benefits and impact of schemes involving merger, demerger, amalgamation etc., on the listed entity and its shareholders.
- w) review the management discussion and analysis of financial condition and results of operations;
- x) review the management letters / letters of internal control weaknesses issued by the statutory auditors;
- y) review the internal audit reports relating to internal control weaknesses; and
- z) review the appointment, removal and terms of remuneration of the chief internal auditor

SN	Name of Members	Position in Committee	Attendance at Committee meetings during the financial year 2021-22
1	Mr. S.K. Jain	Chairman	2/2
2	Mr. V.K. Malhotra	Member	2/2
3	Mr. Iqbal Singh	Member	2/2

4.4 Performance Evaluation Criteria for Independent Directors:

In terms of the provisions of the Companies Act, 2013 and Listing Regulations, Company has laid down criteria for performance evaluation of Directors, Chairman of Board, Board Committees and Board as a whole and also the evaluation of Independent Directors.

Performance Evaluation for Board is aimed to use constructively as a mechanism to improve Board's effectiveness, maximize strengths and tackle weaknesses. It involves questionnaires to be filled by every Director about his own performance (self-assessment), performance of Board as whole, performance of Chairman and performance of respective Committee(s) where he is a member.

Provision of Section 178 provides that the Nomination and Remuneration Committee shall specify the manner for effective evaluation of performance of Board, its committees and individual directors to be carried out, either by the Board, by the Nomination and Remuneration Committee or by an independent external agency and review its implementation and compliance. Though the above amendment permit that the evaluation of performance of Board, its committees and individual directors may be carried out by any one of the Board or by the Nomination and Remuneration Committee or by an independent external agency, still Company had designed the evaluation process to comply other applicable provisions of Schedule-IV of Companies Act and provisions of Listing Regulations as well, hence the existing framework of evaluation is continued which involves following method.

Initially, Nomination & Remuneration Committee carry out the primary evaluation of every Director's performance which is subject to next level of evaluation by the Board and Independent Directors. As per Section 178(2) of the Act, the Committee conduct the performance evaluation of every Individual Director. As per Performance Evaluation framework of the Company, the evaluation process consists of evaluation on the basis of filled questionnaires' received from all directors and opinions, inputs from all Committee members and any other information as may be required by the Committee.

The outcome of Committee in respect of Independent Directors is subject to final evaluation by the Board. Outcome of Committee in respect of Non-Independent Directors is subject to final evaluation by the Independent Directors. Performance evaluation of Board as a whole as well as Chairman of the Board is also conducted by the Independent Directors.

5. REMUNERATION OF DIRECTORS

The Remuneration Policy as mandated under Section 178 of the Act has been formulated by the Company and the same has been enclosed with Director's Report forming part of this Annual Report.

5.1 Pecuniary relationships or transactions between Non-Executive Directors vis-a-vis the Company:

There are no pecuniary relationships or transactions between Non-Executive Directors vis-a-vis the Company except payment of sitting fees and re-imbusement of travelling expenses etc., if any for the meetings attended by them.

5.2 Criteria of Making payments to Non-Executive Directors:

The Non-Executive Directors are paid sitting fees for each of the meeting attended by them i.e. Board Meeting(s), Committee Meeting(s) and Separate Meeting(s) of Independent Directors. In addition to this, the Non-Executive Directors may also be provided conveyance facility, re-imbusement of travelling expenses etc. for the meetings attended by them. Criteria of making payments to Non-Executive Directors is available on the website of the Company under following link: <https://www.fiemindustries.com/wp-content/uploads/Payment-Criteria-to-NEDs.pdf>

5.3 Disclosures with respect to remuneration of Directors:

The Company pays remuneration to Managing Director and to Whole-time Directors by way of salary, benefits, perquisites and allowances. Annual increments are considered and recommended by the Nomination & Remuneration Committee, subject to approval of Board and shareholders and are generally effective from the month of April of each year.

s) The Company has neither obtained any credit rating for any debt instrument or fixed deposit scheme, nor issued any such any debt instrument or fixed deposit.

12. OTHER DISCLOSURES:

12.1 Disclosure on materially significant related party transactions that may have potential conflict with the interest of the Company at large:

There were no materially significant related party transactions during the financial year 2021-22 which may have conflict with the interest of the Company. Applicable disclosures have been made in notes to financial statements regarding all related party transactions.

12.2 Details of non-compliance by the company, penalties, and strictures imposed on the company by Stock Exchange or SEBI or any statutory authority, on any matter related to capital markets, during the last three years.

There was no instance of non-compliance by the Company for any matter related to capital markets during the last three years, requiring disclosure under above requirements, except one instance as under:

The Board Meeting and Audit Committee Meeting on June 30, 2021 were held with a gap of 137 days from the previous respective meetings held on

February 12, 2021, which is in excess of permissible gap of 120 days as stipulated under Regulation 17(2) and Regulation 18(2)(a) of Listing Regulations. The reasons for the same are explained in Directors' Report which forms part of this Annual Report.

12.3 Vigil Mechanism / Whistle Blower Policy and affirmation that no personnel have been denied access to the Audit Committee.

The Company has implemented the Whistle Blower Policy and established the necessary vigil mechanism as defined under Regulation 22 of the Listing Regulations pursuant to which Whistle Blowers can raise concerns relating to Reportable Matters (defined in the Policy). This includes the mechanism adopted by the Company to encourage the Whistle Blower to report genuine concerns or grievances and provides for adequate safeguard against victimization and also provides for access to the Chairman of the Audit Committee.

It is affirmed that no person has been denied access to Audit Committee.

The details of Whistle Blower Policy are available on the website of the Company www.fiemindustries.com

12.4 Details of compliance with mandatory requirements and adoption of the non-mandatory requirements.

The Company has complied with all applicable mandatory requirements prescribed under the Listing Regulations.

12.5 Web link where policy for determining 'material' subsidiaries and policy on dealing with related party transactions is disclosed:

Company has adopted 'Subsidiary & Related Party Transactions Policy'. The web link for the same is: http://www.fiemindustries.com/Subsi%20&%20RPT%20Policy%20-%20LODR_web.pdf

12.6 Disclosure of foreign exchange risk & hedging activities and commodity price risk & commodity hedging activities:

The major turnover of the Company come from Auto components supply to Original Equipment Manufacturers (OEMs) in India for which, the Company has suitable arrangements with OEMs for commodity price variations. For other sales, Company suitably adjust the prices as per commodity prices movement. Regarding import of raw material and components, this is scattered throughout the year, so risk on foreign exchange movement remains there, though sometimes it is favorable and sometimes it is adverse. However,

considering overall hedging cost and scattered timing of import and payments for these raw material and components, company don't go for hedging of these payments. As an aftereffect of Covid-19, some impact remained on overall worldwide supply chain as well as supply of some critical components like semi-conductors in general. Further, Company takes external commercial borrowings, or foreign currency loans which are fully hedged against risk of foreign exchange rate movement.

The Company does not have any exposure hedged through commodity derivatives. Therefore, details in prescribed format as per SEBI Circular No. SEBI/HO/CFD/CMD1/CIR/P/2018/0000000141 dated November 15, 2018 in compliance of Regulation 34(3) read with clause 9(n) of Part C of Schedule V of Listing Regulations, are not applicable.

12.7 Details of utilization of funds raised through preferential allotment or qualified institutions placement as specified under Regulation 32 (7A).

There is no such fund available with the Company during Financial Year 2021-22.

12.8 The Company has received a certificate from Mrs. Ranjana Gupta, Practicing Company Secretary to the effect that none of the directors on the Board of the Company has been debarred or disqualified from being appointed or continuing as directors of the Company by the Ministry of Corporate Affairs or any other statutory authority. The same forms part of this report.

12.9 Recommendation of Committee(s) of the Board.

The Board has accepted all the mandatory recommendations of all the Committee(s), wherever applicable.

12.10 The details of total fees for all services paid by the listed entity (Company) and its subsidiaries, on a consolidated basis, to the statutory auditor and all entities in the network firm/network entity of which the statutory auditor is a part, is as under:

Company's Auditors are M/s. V. Sachdeva & Associates, Chartered Accountants. He is a standalone firm and not a part of any network firm/network entity. Further, he has not taken any fee from any subsidiary of the Company. Details of total fee for all services paid to Company's Auditors by the listed entity / Company is provided in notes to the financial statements.

12.11 The disclosure in relation to Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 are as under:

SN	Particulars	Nos.
a)	number of complaints filed during the financial year	NIL
b)	number of complaints disposed of during the financial year	NIL
c)	number of complaints pending as at the end of financial year	NIL

12.12 Disclosure by listed entity and its subsidiaries of 'Loans and advances' in the nature of loans to firms/companies in which directors are interested by name and amount:

There is no such Loan or Advance extended by the Company or its subsidiaries to any firms/companies in which directors are interested.

13. The Company has complied with all requirements of corporate governance report of sub-para (2) to (10) of Schedule V read with Regulation 34(3) of the Listing Regulations.

14. The Company has duly adopted the following discretionary requirements as prescribed in Part E of Schedule II of the SEBI Listing Regulations:

a. Unmodified opinion(s) in audit report: Company endeavored to move towards a regime of financial statements with unmodified audit opinion.

b. Reporting of Internal Auditors: The Internal Auditor also reports to the Audit Committee while submitting internal audit report.

15. Company has adhered to all the mandatory requirements of Corporate Governance norms as prescribed by Regulations 17 to 27 and clause (b) to (i) of sub-regulation (2) of Regulation 46 of the Listing Regulations to the extent as applicable.

16. The members of the senior management have made disclosure to the Board relating to all material financial and other transactions, if any, stating that they did not have personal interest that could result in a conflict with the interest of the Company at large.

17. The Company has adopted the Indian Accounting Standards (Ind AS).

18. The Chairman & Managing Director and Chief Financial Officer of the Company have certified about financial statements, internal control and accounting policies etc. for Financial Year 2021-22 to the Board under Regulation 17(8) read with Part B of Schedule II of the Listing Regulations.

19. The Management Discussion & Analysis Report form part of Annual Report.

20. Code of Conduct

The Declaration/Confirmation from the Chairman & Managing Director regarding compliance with the Code of Conduct by all the Directors and Senior Management Personnel for F.Y. 2021-22, forms part of this Report. The Code of Conduct is available on the website of the Company www.fieminindustries.com

21. Code of Conduct for Prevention of Insider Trading

Pursuant to SEBI (Prohibition of Insider Trading) Regulations, 2015, as amended, following Codes has been approved and adopted by the Company:

1. Code of Conduct to Regulate, Monitor and Report Trading by Designated Persons & their Immediate Relatives' (Code of Conduct-PIT),
2. Code of Practices and Procedures for Fair Disclosure of Unpublished Price Sensitive Information (Code of Fair Disclosure and Conduct).

22. Brief profile of the Directors retiring by rotation and eligible for re-appointment is attached to the Notice convening Annual General Meeting.

23. Disclosure about unpaid dividend transferred to Investor Education and Protection Fund

Section 124 of the Companies Act, 2013 read with Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 ('the Rules') mandates that companies transfer dividend that has remained unclaimed for a period of seven years from the unpaid dividend account to the Investor Education and Protection Fund (IEPF). Further, the Rules mandate the transfer of shares with respect to the dividend, which has not been paid or claimed for seven consecutive years or more to IEPF. Accordingly, the dividend for the year mentioned as follows will be transferred to IEPF on respective dates, if the dividend remains unclaimed for seven years, and the corresponding shares will also be transferred to IEPF if dividend is unclaimed for seven consecutive years:

Year	Type of Dividend	Dividend per share	Date of Declaration	Tentative due date of transfer to IEPF
2014-15	Final	7.00	September 25, 2015	November 29, 2022
2015-16	Interim	5.00	March 12, 2016	May 17, 2023
2015-16	Final	3.00	September 20, 2016	November 25, 2023
2016-17	Final	8.00	August 21, 2017	October 26, 2024
2017-18	Final	9.00	September 17, 2018	November 22, 2025
2018-19	Interim	8.00	March 18, 2019	May 22, 2026
2018-19	Final	4.00	September 21, 2019	November 26, 2026
2019-20	Interim	10.00	March 11, 2020	May 15, 2027
2019-20	Final	03.00	September 21, 2020	November 26, 2027
2020-21	Final	16.00	September 21, 2021	November 26, 2028

The Company sends periodic intimation / reminders to the concerned shareholders, advising them to lodge their claims with respect to unclaimed dividends. Shareholders may note that both the unclaimed dividend and corresponding shares transferred to IEPF including all benefits accruing on such shares, if any can be claimed back from IEPF Authority following the procedure prescribed in the Rules. All unclaimed/unpaid Dividend for the Financial Years from 2006-07 to 2013-14 have been transferred to the IEPF established by the Central Government. No claim lies with the Company for the funds and shares transferred to Investor Education and Protection Fund.

24. Disclosure under Part F of Schedule V, Regulation 39(4) read with Schedule VI of the Listing Regulations

The Information and Disclosure for securities issued pursuant to the public issue or any other issue, physical or otherwise, which remain unclaimed and/or lying in the demat suspense account / unclaimed suspense account, are as under:

It is hereby informed that no share of the Company was left unclaimed in Escrow Account, therefore, requirement of opening a Demat Suspense Account / Unclaimed Suspense Account and applicable related disclosures and manner of dealing to such shares etc. as mandated under under Part F of Schedule V, Regulation 39(4) read with Schedule VI of the Listing Regulations are not applicable on the Company.

Certificate of Compliance of Conditions of Corporate Governance

[Pursuant to Regulation 34(3) read with Para E of Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015]

To,
The Members
Fiem Industries Limited
(CIN: L36999DL1989PLC034928)
D-5, Mansarover Garden
New Delhi-110015

We have examined the compliance of conditions of Corporate Governance by Fiem Industries Limited ('the Company') for the year ended on March 31, 2022, as prescribed under Regulations 17 to 27, clauses (b) to (i) of sub-regulation (2) of Regulation 46 and Paras C, D and E of Schedule V of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations'), as amended.

The compliance of conditions of Corporate Governance is the responsibility of the management. Our examination was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the aforesaid provisions of the Listing Regulations subject to the following:

The Board Meeting and Audit Committee Meeting on June 30, 2021 were held with a gap of 137 days from the previous respective meetings held on February 12, 2021, which is in excess of permissible gap of 120 days as stipulated under Regulation 17(2) and Regulation 18(2)(a) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. We were informed by the Company that more than permitted gap between two meetings happened because of prevailing conditions during the second wave of COVID-19.

We further state that such compliance is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the Company.

Certification By Managing Director and CFO For Financial Year 2021-22

(Pursuant to Regulation 17(8) read with Part B of Schedule II of the Listing Regulations)

To
The Board of Directors
Fiem Industries Limited

We, the undersigned, in our respective capacities as Managing Director and Chief Financial Officer of Fiem Industries Limited ("the Company") to the best of our knowledge and belief certify that:

- A. We have reviewed Financial Statements and the Cash Flow Statement for the year ended March 31, 2022 and that to the best of our knowledge and belief:
- i. these Statements do not contain any materially untrue statement or omit any material fact or contain statements that might be misleading;
 - ii. these Statements together present a true and fair view of the Company's affairs and are in compliance with Indian Accounting Standards (Ind AS), applicable laws and regulations.
- B. There are, to the best of our knowledge and belief, no transactions entered into by the Company during the financial year which are fraudulent, illegal or violative of the Company's Code of Conduct.
- C. We accept responsibility for establishing and maintaining internal controls for financial reporting and that we have evaluated the effectiveness of internal control systems of the Company pertaining to financial reporting and we have disclosed to the Auditors and the Audit Committee, deficiencies in the design or operation of such internal controls, if any, of which we are aware and the steps we have taken or propose to take to rectify these deficiencies.
- D. We have indicated to the Auditors and the Audit Committee
- i. significant changes in internal control over financial reporting during the year, if any;
 - ii. significant changes in accounting policies during the financial year and that the same have been disclosed in the Notes to the Financial Statements; and
 - iii. instances of significant fraud, if any, of which we have become aware and the involvement therein, if any, of the management or an employee having a significant role in the Company's internal control system over financial reporting.

The Whistle Blower Policy, Code of Conduct for Directors & Senior Management, and Corporate Social Responsibility Policy are framed as per the requirements of the Companies Act and/or SEBI Listing Regulations. Prevention of Sexual Harassment Policy is framed under Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

Quality Policy, Environment Policy, Occupational Health & Safety Policy, Anti-Bribery Policy and Code of Conduct for all Employees are framed conforming to Integrated Management System (IMS) implemented in the Company, which consists of ISO 9001:2015 and IATF 16949:2016 (Quality Management Systems), ISO14001:2015 (Environmental Management System), ISO 45001:2018 (Occupational Health & Safety Management System).

2. The Whistle Blower Policy is overseen by the Audit Committee of the Board of Directors of the Company and Corporate Social Responsibility Policy is overseen by the Corporate Social Responsibility Committee of the Board of Directors of the Company. Any violation of Code of Conduct for Directors & Senior Management is reportable to Chairman or Compliance Officer for further action.

Prevention of Sexual Harassment Policy is being overseen by Internal Complaints Committees (ICCs) constituted under Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013. The grievance, if any, arising out of Whistle Blower Policy, Code of Conduct and Prevention of Sexual Harassment Policy is being redressed by the respective committees which oversee them.

Implementation of Quality Policy, Environment Policy, Occupational Health & Safety Policy, Anti-Bribery Policy and Code of Conduct for all Employees and other connected procedures and processes are being monitored by the Plant Head, Plant Co-coordinators and Human Resources Department as process defined in manual / procedures of Integrated Management System (IMS). Further, implementation of these Management Systems are subject to periodic Internal and external audits.

3. The dissemination / display / circulation of each Policy is governed by its respective applicable provisions. Some policies are required to be posted on website, some to be displayed at conspicuous place in factory premises and some are to be circulated internally. Accordingly, only those Policies are posted on website, the governing provisions of which require to do so.

IF ANSWER TO THE QUESTION AT SN. 1 AGAINST ANY PRINCIPLE, IS 'NO', PLEASE EXPLAIN WHY: (TICK UP TO 2 OPTIONS)

SN	Question	P	P	P	P	P	P	P	P
		1	2	3	4	5	6	7	8
1	The Company has not understood the Principles								
2	The Company is not at a stage where it finds itself in a position to formulate and implement the policies on specified principles								
3	The Company does not have financial or manpower resources available for the task								
4	It is planned to be done within next 6 months								
5	It is planned to be done within the next 1 year								
6	Any other reason (please specify)								

Not Applicable

3. Governance related to BR

(a) Indicate the frequency with which the Board of Directors, Committee of the Board or CEO to assess the BR performance of the Company. Within 3 months, 3-6 months, Annually, More than 1 year.

The BR performance of the Company is assessed periodically and/or annually at the end of financial year.

(b) Does the Company publish a BR or a Sustainability Report? What is the hyperlink for viewing this report? How frequently it is published?

This is the third Business Responsibility Report of the Company, this would be published annually as part of Annual Report. This report can be accessed at www.fiemindustries.com

1. Does the policy relating to ethics, bribery and corruption cover only the company? Yes/ No. Does it extend to the Group/Joint Ventures/ Suppliers/Contractors/NGOs /Others?

This principle is covered under Code(s) of Conduct, Anti-Bribery Policy and Whistle Blower Policy of the Company. At present these are framed for the Company's employees and Directors, including Wholly-owned subsidiaries. Regarding the Group/Joint Ventures/Suppliers/ Contractors/NGOs/Others, Company expect that these entities would be subject to their own policies covering this principle.

2. How many stakeholder complaints have been received in the past financial year and what percentage was satisfactorily resolved by the management? If so, provide details thereof, in about 50 words or so.

No stakeholder complaint was received during the financial year 2021-22 under the Whistle Blower Policy mechanism.

SECTION E: PRINCIPLE-WISE PERFORMANCE

PRINCIPLE 1:

BUSINESSES SHOULD CONDUCT AND GOVERN THEMSELVES WITH ETHICS, TRANSPARENCY AND ACCOUNTABILITY

PRINCIPLE 2:

BUSINESSES SHOULD PROVIDE GOODS AND SERVICES THAT ARE SAFE AND CONTRIBUTE TO SUSTAINABILITY THROUGHOUT THEIR LIFE CYCLE

1. List up to 3 of your products or services whose design has incorporated social or environmental concerns, risks and/or opportunities.

The top 3 products manufactures by the Company are (i) Automotive Lights, signaling equipment and parts (ii) Rear View Mirror and Parts (iii) Plastic Moulded Parts. All of these products are for Vehicle applications and are being supplied to Vehicle Manufacturers (Original Equipment Manufacturers) majorly and some percentage in replacement market also. All of these products are manufactured in conformity to applicable parameters and norms. Raw material and components used are also subject to applicable parameters and norms related to environmental concerns or risks. Largely, there is no social concern or risk involved in the products manufactured by the Company.

2. For each such product, provide the following details in respect of resource use (energy, water, raw material etc.) per unit of product (optional):

- (a) Reduction during sourcing/ production/ distribution achieved since the previous year throughout the value chain?
- (b) Reduction during usage by consumers (energy, water) has been achieved since the previous year?

There is a large range of above products being manufactured by the Company for different models of vehicles. Though power is a major cost in overall running of the factories operations, however, ours is not a power intensive industry. Details in respect of resource use/ reduction (energy, water, raw material etc.) per unit of product is not provided. However, the Company always take initiatives and efforts for energy conservation and optimum utilization of natural resources across its processes and operations and this is among most focused areas.

3. Does the Company have procedures in place for sustainable sourcing (including transportation)?

- (a) **If yes, what percentage of your inputs was sourced sustainably? Also, provide details thereof, in about 50 words or so.**

Company has well defined procedure in place for sourcing from its vendor partners. Supplier Quality Assurance Manual (SQAM) is the guiding document for vendor partners and they need to comply the policies and procedures enumerated therein. In addition to the Quality Systems to be adhered by the vendor partners, it include the Quality Policy, Environment Policy and Occupational Health & Safety Policy expected to be adhered by the vendor partners. The SQAM has been formulated on the basis of Integrated Management System (IMS) requirements. Company continue its efforts for more sustainable sourcing practices.

4. Has the Company taken any steps to procure goods and services from local & small producers, including communities surrounding their place of work?

If yes, what steps have been taken to improve their capacity and capability of local and small vendors?

During the selection of vendor partner, Quality, Cost, Delivery & Management remains the prime criteria. However, Company encourages the local and small producers, if they remain competitive on these parameters. We have a fair no. of vendor partners for procurement of goods and services, who are local and small vendors. As a strategic sourcing also, we always take initiatives for localization, though our vendor includes large, mid-size and small scale industries who meets our quality, delivery, cost and technology expectations.

Supplier Quality Assurance Manual (SQAM) is the guiding document for the vendor partners and Company takes all initiatives and extend full support by way of factory visits and audits to improve the capacity and capability of local and small vendors and also provides ratings to them for continued improvements.

5. Does the Company have a mechanism to recycle products and waste? If yes what is the percentage of recycling of products and waste (separately as <5%, 5-10%, >10%). Also, provide details thereof, in about 50 words or so.

Company's business operations don't involve significant waste and recycling is also minimal. Further, Company takes care that during its operations the waste generation can be minimized. In all its recycling and waste disposal process, Company takes care environmental factors.

PRINCIPLE 3:

BUSINESSES SHOULD PROMOTE THE WELLBEING OF ALL EMPLOYEES

Employee well-being is integral part of the affairs of the Company and remain a focus area on continuous basis. Following are the requisite information about employees.

1. Please indicate the total number of employees.

The number of permanent employees as on March 31, 2022 were 2307.

2. Please indicate the total number of employees hired on temporary/ contractual/casual basis.

The number of temporary/ contractual employees during March, 2022 were 4875.

3. Please indicate the number of permanent women employees.

The number of permanent woman employees as on March 31, 2022 were 428.

4. Please indicate the number of permanent employees with disabilities.

The number of permanent employees with disabilities as on March 31, 2022 were 3.

5. Do you have an employee association that is recognized by management?

Yes, Company has one employee association / union which is recognized by the management in Unit No. 2 & 3 at Hosur, Tamilnadu.

6. What percentage of your permanent employees is members of this recognized employee association?

2.51%

7. Please indicate the number of complaints relating to child labour, forced labour, involuntary labour, sexual harassment in the last financial year and pending, as on the end of the financial year.

SN	Category	No. of complaints filed during the financial year 2021-22	No. of complaints pending as on March 31, 2022
1	Child labour/ forced labour/ involuntary labour	0	0
2	Sexual harassment	0	0
3	Discriminatory employment	0	0

8. What percentage of your under mentioned employees were given safety & skill up- gradation training in the last year?

All categories of employees are given training on safety & skill up-gradation on periodic basis the details are as under:

SN	Category	Employees (%) who were given safety training	Employees (%) who were skill up-gradation training
1	Permanent Employees	60%	64%
2	Permanent Women Employees	52%	63%
3	Casual/Temporary/Contractual Employees	75%	48%
4	Employees with Disabilities	67%	67%

PRINCIPLE 4:

BUSINESSES SHOULD RESPECT THE INTERESTS OF, AND BE RESPONSIVE TOWARDS ALL STAKEHOLDERS, ESPECIALLY THOSE WHO ARE DISADVANTAGED, VULNERABLE AND MARGINALIZED.

1. Has the Company mapped its internal and external stakeholders?

Yes, the Company has mapped and identified its internal and external stakeholders. These stakeholders include our valued OEM customers, investors, employees, dealers, suppliers, regulators, governments and NGOs to work with to serve the disadvantaged, vulnerable and marginalized stakeholders through our social intervention programs.

2. Out of the above, has the Company identified the disadvantaged, vulnerable & marginalized stakeholders?

Yes, Company has also identified the disadvantaged, vulnerable and marginalized stakeholders and dedicate the CSR activities for their welfare.

3. Are there any special initiatives taken by the Company to engage with the disadvantaged, vulnerable and marginalized stakeholders? If so, provide details thereof, in about 50 words or so

There are different initiatives taken to engage and empower underprivileged people through healthcare programs etc., as detailed under principle No. 8.

PRINCIPLE 5:

BUSINESSES SHOULD RESPECT AND PROMOTE HUMAN RIGHTS

1. Does the policy of the Company on human rights cover only the Company or extend to the Group/ Joint Ventures/ Suppliers/Contractors/NGOs/ Others?

As a socially responsible organization, the Company is committed to protect and safeguard human rights. Currently, the Code(s) of Conduct are applicable to employees, though we expect other stakeholders to adhere and uphold the standards enumerated therein.

2. How many stakeholder complaints have been received in the past financial year and what percent was satisfactorily resolved by the management?

No complaints with regard to violation of the Code(s) of Conduct received in FY 2021-22.

PRINCIPLE 6:

BUSINESS SHOULD RESPECT, PROTECT, AND MAKE EFFORTS TO RESTORE THE ENVIRONMENT

1. Does the policy related to Principle 6 cover only the Company or extends to the Group/Joint Ventures/ Suppliers/ Contractors/NGOs/ others?

Environmental Policy is applicable to all the factories of the Company located in India. It extends to vendor partners and contractors etc., though large no. of vendor partners have their own policies. Company encourages to all stakeholders to care for environment.

2. Does the company have strategies/ initiatives to address global environmental issues such as climate change, global warming, etc? Y/N. If yes, please give hyperlink for webpage etc.

Company has an 'Environment Policy' which guides the organization to continually work for environment protection by ensuring compliances, conserving natural resources and minimizing waste as well as preventing pollution. The Company works continuously to reduce the waste and focused on creating green infrastructure which are designed for better energy efficiency and more environment friendly.

3. Does the company identify and assess potential environmental risks?

Out of our 9 Manufacturing facilities, 7 are certified with ISO14001:2015 (Environmental Management System) and ISO 45001: 2018 (Occupational Health & Safety Management System). Under Environmental Management System, Company identify and assess the potential environment risks. The scope include Environmental Aspects and Impacts Analysis (EAIA), Hazards Identification & Risks Assessment (HIRA) arising directly from the Company's activities, products and services under normal, abnormal and potential emergency conditions. Company takes necessary steps required to mitigate and control such risks.

4. Does the Company have any project related to Clean Development Mechanism? If so, provide details thereof, in about 50 words or so. Also, if yes, whether any environmental compliance report is filed?

Presently, Company does not have any Clean Development Mechanism (CDM) Project.

5. Has the Company undertaken any other initiatives on – clean technology, energy efficiency, renewable energy, etc. Y/N. If yes, please give hyperlink for web page etc.

Please refer Annexure to Director Report on '**Conservation of Energy and Technology Absorption...**', which forms part of the Annual Report.

6. Are the emissions/Waste generated by the Company within the permissible limits given by CPCB/SPCB for the financial year being reported?

Yes, emissions/Waste generated by the Company are within the permissible limits given by CPCB/SPCB for the financial year being reported.

7. Number of show cause/ legal notices received from CPCB/SPCB which are pending (i.e. not resolved to satisfaction) as on end of Financial Year.

There is no such show cause / legal notice pending as on end of Financial Year under review.

PRINCIPLE 7:

BUSINESSES WHEN ENGAGED IN INFLUENCING PUBLIC AND REGULATORY POLICY, SHOULD DO SO IN A RESPONSIBLE MANNER

1. Is your Company a member of any trade and chamber or association? If yes, name only those major ones that your business deals with:

The Company is member of several trade and chamber or association. Following are the major ones that our business deals with:

- The Automotive Component Manufacturers Association of India (ACMA)
- Confederation of Indian Industry (CII)

2. Have you advocated/lobbied through above associations for the advancement or improvement of public good? Yes/No; if yes specify the broad areas (Drop Box: Governance and Administration, Economic Reforms, Inclusive Development Policies, Energy Security, Water, Food Security, Sustainable Business Principles, Others).

As and when such association make any representation or take initiatives for protecting the interests of industry or any advancement or improvement of public good in the areas indicated above, Company also extend its support on desired occasions.

PRINCIPLE 8:

BUSINESSES SHOULD SUPPORT INCLUSIVE GROWTH AND EQUITABLE DEVELOPMENT

1. Does the Company have specified programmes/initiatives/projects in pursuit of the policy related to Principle 8? If yes details thereof.

Yes. The Company has a Corporate Social Responsibility (CSR) Policy as per requirements of the Companies Act, 2013. Company has whole-heartedly adopted the CSR as a mechanism of giving back to the society and extending a helping hand to the underprivileged section and supporting them for better life. Extending the financial aid to the poor and needy patients for their treatment, COVID-19 Relief & Support, Setting-up Sanitary Pad manufacturing Units at many locations for free distribution of pads to poor women and young girls, Project for free help of Cancer Patients, Eye Operations Camp for poor & needy and Project for Armed Forces Veterans Support remained the major CSR Projects during the year. Company has major focus on 'health care' to poor and needy, as Company consider this is the most difficult time for poor and needy when they need a helping hand most.

2. Are the programmes/projects undertaken through in-house team/own foundation/ external NGO/ government structures/any other organization?

Activities are undertaken by the Company in house as well as its CSR Trust 'Fiem Foundation' and in collaboration with other NGOs who are specialized and experienced working in their respective fields for quite long time. Majority of programs / projects are directly undertaken by the Company / Fiem Foundation.

3. Have you done any impact assessment of your initiative?

The CSR programmes and their impacts/ outcomes are monitored and reviewed by the CSR Committee periodically. Company has received positive feedback about its activities from the benefited community and people involved in the process. However, there was no formal impact assessment done by the Company.

4. What is your Company's direct contribution to community development projects Amount in and the details of the projects undertaken?

Company has undertaken following major projects / activities under CSR:

- (a) Health Care - COVID-19 Relief & Support,
- (b) Health Care - Financial-Aid to Needy Patients,
- (c) Health Care - Project for Cancer Patients, Eye Operations Camps,
- (d) Health Care - Medicare Support Initiatives,
- (e) Armed Forces Veterans Support,
- (f) Women Empowerment / Health Care - Sanitary Pad Projects

For other details, please refer Annexure to Board's Report, 'Annual Report for Corporate Social Responsibility'.

5. Have you taken steps to ensure that this community development initiative is successfully adopted by the community? Please explain in 50 words, or so.

Yes, all our initiatives, once started has been successfully and happily adopted by the benefiting community and we received applaud and accolades for all these initiatives. We engaged NGOs, public representatives, surrounding communities for our Sanitary Pad Projects at different locations, which involved setting-up the sanitary pad manufacturing machines, support from local representative / administration for building, power and other infrastructure, manufacturing of sanitary pads, engaging local volunteers and interested persons for distribution of pads to poor & needy women and other aspects of success of these projects. In another Project we are extending financial aid to poor and needy patients and we noticed that poor patients from many north India states benefited by this initiative and they showered blessing on the Fiem Foundation / Company for helping them in the critical times, when they need such help most. For the COVID-19 Relief & Support initiatives, we received overwhelmed response, support and appreciation from local administration and benefited communities. In our CSR Project PITHU-FIEM, through an NGO we are distributing free ration to non-pensioner Armed Forces Veterans, especially in hilly and remote locations of north-east.

PRINCIPLE 9:

BUSINESSES SHOULD ENGAGE WITH AND PROVIDE VALUE TO THEIR CUSTOMERS AND CONSUMERS IN A RESPONSIBLE MANNER

1. What percentage of customer complaints/ consumer cases are pending as on the end of financial year.

Company's major business is supply of automotive parts to OEM customers. Whatever complaints / issue raised by these customers, there is a robust mechanism to resolve all these promptly and at times it require joint effort of OEM customer as well. Hence, there is no specific percentage, which can be provided here, because of the special nature of business of the Company, in which it operates. Company also serve replacement market through its dealer and distributor network.

Further, company also sells LED general lighting products through its dealer and distributor network and supply and install Integrated Passenger Information System (IPIS) with LED displays to railways. This business is very small in comparison to automotive business and for any issues raised by customers in these segments, there is a prompt resolution system at place.

2. Does the Company display product information on the product label, over and above what is mandated as per local laws? Yes/No/N.A. / Remarks (additional information)

Yes, on some products and as per instruction from the respective OEM customer, Company provide information at specific place of the product, as mandated by the OEM customer and in compliance of applicable legal provisions.

3. Is there any case filed by any stakeholder against the Company regarding unfair trade practices, irresponsible advertising and/or anti- competitive behavior during the last five years and pending as on end of financial year. If so, provide details thereof, in about 50 words or so.

There is no such case filed, neither any such case pending against the Company at the end of financial year.

4. Did your Company carry out any consumer survey/ consumer satisfaction trends?

Company's major business is to supply the automotive parts to OEM customers. All OEMs generally give their feedback and company also welcome the suggestions and inputs to improve in its processes / operations, where it is needed. In Automobile Industry, OEM generally hold their Vendor Conferences on annual basis and honor the best performing vendors by way of Awards and Accolades. These are generally on parameters like Quality, Cost, Delivery, Development, Management, Technology etc. Based on superior performance, the Company has been consistently receiving the Awards and Accolades from its valued OEM customers.

STANDALONE FINANCIAL STATEMENTS

Independent Auditor's Report

To the Members of
Fiem Industries Limited

Report on the Audit of the Standalone Financial Statements Opinion

We have audited the accompanying standalone financial statements of Fiem Industries Limited ("the Company"), which comprise the balance sheet as at 31st March 2022, the statement of profit and loss (including other comprehensive income), standalone statement of changes in equity and standalone statement of cash flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information. (hereinafter referred to as "the standalone financial statements" or "financial statements")

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2022, the profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

S. No.	Key Audit Matter	Auditor's Response
1	<p>Revenue Recognition</p> <p>Revenue from sale of goods is recognised when control of the products being sold is transferred to the customer and when there are no longer any unfulfilled obligations.</p> <p>The performance obligations in the contracts are fulfilled at the time of dispatch, delivery or upon formal customer acceptance depending on customer terms and conditions. Revenue is measured at fair value of the consideration received or receivable, after deduction of any discounts/ rebates and any taxes or duties collected on behalf of the government such as goods and services tax, etc. Customer acceptance is used to estimate the provision for price increase/ decrease. Revenue is only recognised to the extent, that is highly probable, a significant reversal will not occur.</p>	<p>Principal Audit Procedures</p> <p>Our audit procedures included:</p> <ul style="list-style-type: none"> Assessing the appropriateness of the revenue recognition accounting policies by comparing with applicable accounting standards. Evaluating the integrity of the information and technology general control environment and testing the operating effectiveness of key IT application controls. Evaluating the design and implementation of Company's controls in respect of revenue recognition. Testing the effectiveness of such controls over revenue cut off at year-end. Testing by selecting samples of revenue transactions recorded during the year by verification of underlying documents. Testing on a sample basis, key customer contracts/ purchase order to identify terms and conditions relating to goods acceptance and price adjustments. Testing on a sample basis, the supporting documents for sales transactions recorded during the period closer to the year end and subsequent to the year end to determine whether revenue was recognised in the correct period.

2	<p>Evaluation of uncertain tax positions</p> <p>The Company has uncertain tax positions matters under dispute which involves significant judgment to determine the possible outcome of these disputes.</p> <p>Refer Notes 34 to the Standalone Financial Statements</p>	<p>Principal Audit Procedures</p> <p>Obtained details of completed tax assessments upto the year ended March 31, 2022 from management. We considered, the management’s underlying assumptions in estimating the tax provision and the possible outcome of the disputes. We also considered legal precedence and other rulings in evaluating management’s position on these uncertain tax positions. Additionally, we considered the effect of new information in respect of uncertain tax positions as at April 1, 2021 to evaluate whether any change was required to management’s position on these uncertainties</p>
----------	--	--

Other Information

The Company’s management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company’s annual report, but does not include the financial statements and our Auditor’s Report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management’s Responsibility for the Standalone Financial Statements

The Company’s management and Board of Directors are responsible for the matters stated in section 134(5) of the Companies Act, 2013 (“the Act”) with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, profit/loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management and Board of Directors are responsible for assessing the Company’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company’s financial reporting process.

Auditor’s Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements

in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in

extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure- A", a statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.
 2.
 - A. As required by Section 143(3) of the Act, we report that:
 - a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. in our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books.
 - c. the balance sheet, the statement of profit and loss including other comprehensive income, statement of changes in equity and cash flow statement and dealt with by this Report are in agreement with the books of account.
 - d. In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act
 - e. On the basis of written representations received from the directors as on 31st March, 2022, taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2022, from being appointed as a director in terms of Section 164(2) of the Act.
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B" and
 - B. With respect to the other matters included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us :
 - a. The Company has disclosed the impact of pending litigations as at 31st march 2022

- on its financial position in its financial statements – Refer Note 34(A) to the standalone Ind AS financial statements;
- b. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts;
 - c. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - d.
 - a. The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - b. The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- c. Based on such audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
 - d. As stated in Note 58 to the standalone financial statements
 - a. The final dividend proposed in the previous year, declared and paid by the Company during the year is in accordance with Section 123 of the Act, as applicable.
 - b. The Board of Directors of the Company have proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The amount of dividend proposed is in accordance with section 123 of the Act, as applicable.
- C. With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197(16) of the Act, as amended:
- In our opinion and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) which are required to be commented upon by us.

Annexure-A to the Independent Auditors' Report

The Annexure referred to in our Independent Auditors' Report to the members of the Company on the standalone Ind AS financial statements for the year ended on 31.03.22, we report that:

1.
 - A.
 - a. According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment
 - b. According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company has maintained proper records showing full particulars of Intangible assets
 - B. As explained to us, the company has a planned programme for physically verifying all Property, Plant and Equipment. once in three years which in our opinion, is reasonable having regard to the size and nature of assets. During the year, the fixed assets have been physically verified by the management in accordance with the programme and no material discrepancies were identified on such verification.
 - C. According to the information and explanations given to us and on the basis of our examination of the records of the company, the title deeds of immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in the financial statements are held in the name of the company except for freehold land situated in Ahmedabad, Gujarat, acquired during the Fy 16-17 for Rs 18.23 Lakhs, wherein final registration is pending as disclosed in Note 2 on "Property Plant and equipment "to the standalone Ind AS financial statements.

Description of Property	Gross Carrying Value Rs.	Held in the name of	Whether Promoter, director or their relative or employee	Period held	Reason for not being held in name of company
Land at Karsanpura, Gujarat	18.23 Lakhs	Not registered	No	6 years	Industrial land purchased from the other company (Seller) requiring approval from state govt which is already applied by the Seller. However, permission from the govt is still awaited

- D. The company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year
 - E. According to the information and explanations given to us and on the basis of our examination of the records of the company, no proceedings have been initiated or are pending against the company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.
2.
 - a. As informed to us, the inventories have been physically verified by the management at regular intervals during the year. In our opinion, the coverage and procedure of such verification is appropriate and there were no material discrepancies of 10% or more noticed on physical verification of the inventory as compared to the book of accounts.
 - b. According to the information and explanations given to us and on the basis of our examination of the records of the company, the quarterly returns or statements filed by the company with banks or financial institutions who has sanctioned working capital limits in excess of Rs 5 crores, are in agreement with the books of account of the Company.
 3. According the information and explanations given to us, during the year the company has not made investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties. Therefore, the requirement to report under clauses (iii) of para 3 of the Order are not applicable to the Company.
 4. In our Opinion and as per information and explanation given to us, the company during the year has not granted any loans to any directors etc. nor it has given any loans or guarantees or provided any security in connection with a loan to any person or any other body corporate and also has not made any investments. Therefore, the requirement to report under clauses (iv) of para 3 of the Order are not applicable to the Company.

5. According to the information and explanation given to us and the records of the Company examined by us, the Company has neither accepted any deposits from the public nor accepted any amounts which are deemed to be deposits within the meaning of sections 73 to 76 of the Companies Act and the rules made thereunder, to the extent applicable. Therefore, the clause (v) of para 3 of the order is not applicable to the Company.
6. We have broadly reviewed the books of account maintained by the Company pursuant to the rules made by the Central Government for the maintenance of cost records under section 148(1) of the Companies Act, 2013, and are of the opinion that prima facie, the specified accounts and records have been made and maintained. However, no detailed examination of the same has been carried out by us.
- 7.

- a. According to the records of the company and also the information and explanations given to us, the company is generally regular in depositing with appropriate authorities all undisputed statutory dues including provident fund, employees' state insurance, income tax, sales tax, service tax, Goods and Service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues applicable to it.

According to the information and explanations given to us, there are no undisputed amounts payable in respect of provident fund, employees' state insurance, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues as at the year end for a period of more than six months from the date they became payable.

- b. According to the records of the Company, the dues outstanding of income tax, sales-tax, wealth tax, service tax, Goods and Service tax, duty of customs, duty of excise and cess on account of any dispute are as follows

(Rs. in Lakhs)

S.N.	Name of Statute	Nature of Due	Period to which it Pertains	Amount Involved	Amount Deposited	Net Amount	Forum where dispute is Pending
1	The Central Excise Act, 1944	Custom Duty demand on sale of Moulds	F.Y. 2007-08	57.87	14.47	43.40	CESTAT, Chennai
2	Haryana Value Added Tax 2003	Sales tax Assessment Dues	F.Y. 2010-11	23.75	3.75	20.00	Punjab and Haryana High court
3	Tamil Nadu VAT Act 2006	Sales tax demand on reversal of input tax credit pertaining to CST Sales	F.Y. 2014-15	150.07	-	150.07	Chennai High court
4	Income Tax Act 1961	Disallowance of Loss on account of foreign exchange derivative contracts	Assessment Year 2011-12	617.71	See Note *	617.71	ITAT, New Delhi
			Total	849.40	18.22	831.18	

Note: - No demand is outstanding as on the reporting date as the matter has been decided in favour of the company by the CIT (Appeal). However the issue has been challenged in ITAT by the income tax department.

8. According to the information and explanations given to us and based on the records, the Company has not surrendered or disclosed any transaction, previously unrecorded in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year. Accordingly, the requirement to report on Clause 3(viii) of the Order is not applicable to the Company.
9. On the basis of verification of records, on an overall examination of the financial statements of the Company and according to the information and explanations given to us,
- the company has not defaulted in repayment of dues to a financial institution or banks..
 - the company has not been declared wilful defaulter by any bank or financial institution or other lender;
 - In our opinion and according to the information and explanations given to us, the Company has not taken any term loan during the year.

- d. On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
 - e. According to the information and explanation given to us and on overall examination of the financial statements of the Company, the Company has not taken funds from any entities and persons on account of or to meet the obligations of its subsidiaries or associates.
 - f. According to the information and explanations given to us and based on the records of the Company examined by us, the Company has not raised loans during the year on the pledge of securities held in its subsidiaries or associate companies. Hence, the requirement to report on clause (ix)(f) of the Order is not applicable to the Company.
- 10.
- a. The company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year.
 - b. the company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year
- 11.
- a. Based on examination of the books and records of the Company and according to the information and explanations given to us, considering the principles of materiality outlined in Standards on Auditing, we report that no fraud by the Company or on the Company has been noticed or reported during the course of the audit.
 - b. During the year, no report under sub-section (12) of Section 143 of the Companies Act, 2013 has been filed by us in Form ADT - 4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government. According to the information and explanations given to us and based on the information provided to us and records verified by us, the Secretarial Auditor and the Cost Auditor have not filed report in Form ADT - 4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
 - c. According to the information and explanations given to us and as represented to us by the management, there are no whistle blower complaints received by the Company during the year.
12. In our opinion and according to the information and explanations given to us, the Company is not a nidhi company. Accordingly, paragraph 3(xii) of the Order is not applicable.
13. According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act wherever applicable and details of such transactions have been disclosed in the standalone Ind AS financial statements as required by the applicable accounting standards.
- 14.
- a. According to the information and explanations given to us and based on our examination of the records of the Company the company has an internal audit system commensurate with the size and nature of its business;
 - b. We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date.
15. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into any non-cash transactions with directors or persons connected with him. Accordingly, paragraph 3(xv) of the Order is not applicable to the Company.
- 16.
- a. In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.
 - b. In our opinion, there is no core investment company (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
17. The company has not incurred cash losses in the current financial year and in the immediately preceding financial year.
18. There has not been any resignation of the statutory auditors during the year. Accordingly, clause 3(xviii) of the Order is not applicable.

19. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due

- 20.
- a. There are no unspent amounts towards Corporate Social Responsibility (CSR) on other than ongoing projects requiring a transfer to a Fund specified in Schedule VII to the Companies Act in compliance with second proviso to sub-section (5) of Section 135 of the said Act. Accordingly, reporting under clause 3(xx)(a) of the Order is not applicable for the year.
 - b. In respect of ongoing projects, the Company has transferred unspent Corporate Social Responsibility (CSR) amount as at the end of the previous financial year, to a Special account within a period of 30 days from the end of the said financial year in compliance with the provision of section 135(6) of the Act.

Annexure "B" To The Independent Auditor's Report Of Even Date On The Standalone Ind As Financial Statements Of Fiem Industries Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

Opinion

1. We have audited the internal financial controls over financial reporting of FIEM INDUSTRIES LIMITED ("the Company") as of March 31, 2022 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.
2. In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31st March 2022, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Management's Responsibility for Internal Financial Controls

3. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

4. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
5. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.
6. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

7. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

8. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Notes on Financial Statements for the year ended 31.03.2022

1. General Information

Fiem Industries Limited ("The Company") is a public limited company domiciled in India and incorporated under the provisions of the Companies Act, 1956. The company has changed its registered office to D-5, Mansarover Garden, New Delhi-110015 on dated 1st May, 2022. Its shares are listed on National Stock Exchange and Bombay Stock Exchange in India. The Company is in the business of manufacturing and supply of auto components comprising of automotive lighting & signalling equipments, rear-view mirror, prismatic mirror, plastic moulded parts, bank angle sensor, canister and sheet metal components for motorised vehicles, and LED luminaries comprising of indoor and outdoor lighting, display panels and integrated passengers information system.

Significant Accounting Policies

(A) Statement of Compliance

The financial statement has been prepared as a going concern in accordance with Indian Accounting Standards (Ind AS) notified under the Section 133 of the Companies Act, 2013 ("the Act") read with the Companies (Indian Accounting Standards) Rules, 2015 and other relevant provision of the Act.

These standalone financial statements are approved by the Company's Board of Directors on 30th May 2022.

(B) Accounting Convention

The financial statements have been prepared on the historical cost convention on accrual basis except for certain financial instruments which are measured at fair value at end of each reporting period, as explained in the accounting policies mentioned below. The accounting policies have been applied consistently over all the periods presented in these financial statements.

(C) Use of Estimates and Judgements

The preparation of financial statements in conformity with Ind AS requires management to make judgements, estimates, and assumptions that affect the application of accounting policies and reported amount of assets, liabilities, income, expenses and disclosures of contingent assets and liabilities at the date of these financial statements and the reported amount of revenues and expenses for the years presented. Actual results may differ from the estimates.

Estimates and underlying assumptions are reviewed at each balance sheet date. Revision to accounting estimates are recognised in the period in which the estimates are revised and in which future periods are also affected.

Significant Estimates and Judgments

The Areas involving critical estimates or judgement are:-

- (i) Estimation of fair value of unlisted securities
- (ii) Defined Benefits Obligation refer note 48
- (iii) Estimation of useful life of property plant and equipment
- (iv) Estimation and evaluation of provisions and contingencies
- (v) Recognition of deferred tax assets and provision for income tax refer note 40

Impact of COVID-19 (Pandemic):

The Company has considered the possible effects that may result from COVID-19 on the carrying amounts of financials assets, inventory, receivables, advances, property plant and equipment, Intangibles etc. as well as liabilities accrued. In developing the assumptions relating to the possible future uncertainties in the economic conditions because of this pandemic, the Company has used internal and external information such as our current contract terms, investment profile, future volume estimates from the business etc. Having reviewed the underlying data and based on current estimates the Company expects the carrying amount of these assets will be recovered and there is no significant impact on liabilities accrued. The impact of COVID-19 on the Company's financial statements may differ from that estimated as at the date of approval of these financial statements and the Company will continue to closely monitor any material changes to future economic conditions.

Notes on Financial Statements for the year ended 31.03.2022

Recent Pronouncements

The Ministry of Corporate Affairs has vide notification dated 23rd March 2022 notified Companies (Indian Accounting Standards) Amendment Rules, 2022 which amends certain accounting standards, and are effective 1st April 2022. Below is a summary of such relevant amendments and requirements. No significant impact is expected on adoption of these amendments.

- i) Ind AS 16, Property, Plant and Equipment (PPE)-The amendment clarified that an entity shall deduct from the cost of an item of PPE any proceeds received from selling items produced while the entity is preparing the asset for its intended use.
- ii) Ind AS 37, Provisions, Contingent Liabilities and Contingent Assets: Onerous Contracts - Cost of fulfilling a contract: The amendment explains that the cost of fulfilling a contract comprises the incremental costs and an allocation of other costs that relate directly to fulfilling contracts.
- iii) Ind AS 109 Financial Instruments: The amendment clarifies any cost or fees that an entity includes when it applies the '10 percent' test of Ind AS 109 in assessing whether to derecognise a Financial Liability.

(D) Current-Non Current Classification

All assets and liabilities are classified into current and non-current.

Assets

An asset is classified as current when it satisfies any of the following criteria:

- (a) it is expected to be realised in, or is intended for sale or consumption in, the Company's normal operating cycle;
- (b) it is held primarily for the purpose of being traded;
- (c) it is expected to be realised within 12 months after the reporting date; or;
- (d) it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for a least 12 months after the reporting date

Liabilities

A liability is classified as current when it satisfies any of the following criteria:

- (a) it is expected to be settled in the Company's normal operating cycle;
- (b) it is held primarily for the purpose of being traded;
- (c) it is due to be settled within 12 months after the reporting date; or;
- (d) the company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

Operating Cycle

Based on the nature of products/activities of the Company and the normal time between the acquisition of assets for processing and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of current and non current classification of assets and liabilities

(E) Property, Plant and Equipment

Property, plant and equipment held for use in the production or supply of goods or services, or for administrative purposes, are stated in the balance sheet at cost less accumulated depreciation and accumulated impairment losses. Cost of acquisition is inclusive of freight, duties, taxes, and other incidental expenses. Freehold land is not depreciated.

Properties in the course of construction for production, supply or administrative purposes are carried at cost, less any recognised impairment loss. Cost includes items directly attributable to the construction or acquisition of the items of property, plant and equipment. For qualifying assets borrowing costs are capitalised in accordance with the Company's accounting policy. Such properties are classified to the appropriate categories of property, plant and equipment when completed and ready for intended use. Depreciation of these assets is provided on the same basis as other property assets & commences when the assets are ready for their intended use.

Subsequent costs are included in the asset's carrying amount only when it is probable that future economic benefits associated with the items will flow to the Company and the cost of the item can be measured reliably. The cost for day-to-day servicing of property, plant and equipment are recognized in Statement of Profit and Loss as and when incurred.

The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

Notes on Financial Statements for the year ended 31.03.2022

Depreciation is calculated using the straight-line method on a pro-rata basis from the date in which each asset is put to use to allocate their cost, net of their residual values, over their useful life generally in accordance with that provided in the Schedule II to the Act. The estimated useful lives of property, plant and equipment are as follows.

Assets	Estimated useful lives	Useful lives as per schedule II
Factory Building	30 years	30 years
Other Building	60 years	60 years
Plant and Equipment	3-15 years	15 years
Furniture & Fixture	10 years	10 years
Motor Vehicles	8-10 years	8-10 years
Office Equipment	3-5 years	5 years
Electrical Installation	10 years	10 years
Computer	3 years	3 years

Based on technical evaluation and internal assessment of useful lives, the management believes that its estimate of useful lives as given above best represent the period over which management expects to use these assets.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in statement of profit and loss.

Capital Work-in-Progress

Capital work-in-progress comprises the cost of property, plant and equipment that are not yet ready for their intended use at the balance sheet date & expenditure during construction period pending allocation and fixed assets in transit that are not yet received for their intended use at the balance sheet date. Depreciation is not charged on capital work in progress until construction and installation are complete and asset ready for its intended use.

Capital Advances

Advances given towards acquisition of fixed assets outstanding at each Balance Sheet date are disclosed as Other Non-Current Assets.

(F) Intangible Assets

Intangible assets acquired separately

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses. Amortization is recognised on a straight-line basis over their estimated useful lives. The estimated useful life and amortization are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses.

Intangible Assets Under Development

Intangible Assets Under Development comprises the cost of intangible assets that are not yet ready for their intended use at the balance sheet date. Amortization is not charged on intangible assets under development.

(G) Financial Instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

Cash and cash equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents includes balances with banks which are unrestricted for withdrawal and usage.

Notes on Financial Statements for the year ended 31.03.2022

Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest income and foreign exchange gain and losses which are recognised in profit and loss.

Financial assets at fair value through profit or loss

Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of assets and liabilities at fair value through profit and loss are immediately recognised in the statement of profit and loss.

Investment in subsidiaries and Joint Ventures

Investment in subsidiaries and joint ventures are measured at cost. Cost represents amount paid for acquisition of the said investment.

Financial liabilities

Financial liabilities are measured at amortised cost using the effective interest method.

Equity instruments

An equity instrument is a contract that evidences residual interest in the assets of the company after deducting all of its liabilities. Company recognises equity instruments at proceeds received net off direct issue cost.

Reclassification of Financial Assets

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Company's senior management determines change in the business model as a result of external or internal changes which are significant to the company's operations. Such changes are evident to external parties. A change in the business model occurs when a company either begins or ceases to perform an activity that is significant to its operations. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognized gains, losses (including impairment gains and losses) or interest.

Impairment of financial assets

The Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

(i) financial assets measured at amortised cost (ii) financial assets measured at FVOCI (iii) trade receivables under Ind-AS 18

The company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. The application of simplified approach does not require the Company to track changes in credit risk. Rather it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

Notes on Financial Statements for the year ended 31.03.2022

Write-off

The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. The management considers internal and external information up to the date of approval of financial results including probability of credit impairment and economic forecast. However, financial assets that are written off could still be subject to enforcement activities in order to comply with the Company's procedures for recovery of amounts due.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

(H) Measurement of Fair Values

A number of the Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities. The Company has an established control framework with respect to the measurement of fair values. The Company regularly reviews significant unobservable inputs and valuation adjustments.

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs)

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

(I) Inventory

- (i) Raw materials, components, stores and spares are valued at lower of cost or net realizable value. However, raw materials and other supplies held for use in the production of finished products are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. In determining the cost, First in First Out method (FIFO) is used.
- (ii) Semi-finished goods and finished goods are valued lower of cost or net realizable value. Cost includes direct materials and direct labour and a proportion of manufacturing overheads based on normal operating capacity.
- (iii) Moulds, block & dies are valued at lower of cost or net realizable value. Manufactured moulds, block & dies include direct material, direct labour and a proportion of manufacturing overhead based on normal operating capacity. Cost is determined on a First in First Out basis (FIFO).
- (iv) Inventories of non-reusable waste say scrap for which facilities for reprocessing do not exist have been valued at net realizable value.
- (v) Cost of inventories comprises all cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition.
- (vi) Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.
- (vii) Goods in transit are stated as a component of inventories if the significant risk and rewards of ownership have passed to the company and valued at actual cost incurred up to the date of Balance Sheet.

(J) Revenue from contracts with customers

Revenue is measured at the fair value of the consideration received or receivable. Revenue is reduced for any trade discounts, volume rebates & others similar allowances. Amounts disclosed as revenue are net of goods and service tax (GST).

Notes on Financial Statements for the year ended 31.03.2022

Sale of Goods

Revenue arising from the sale of goods (including moulds) is recognized when the customer obtains control of the promised asset, i.e. either at the delivery or dispatch of goods (based on the agreed terms of sale with the respective customers), which is the point in time when the customer has the ability to direct the use of the goods and obtain substantially all of the remaining benefits of the goods.

Sale of Services

Customers obtain control of design and testing services when the services are completed to the satisfaction of the Customer.

Insurance Claim

Insurance claims lodged with insurance companies are accounted for on the basis of claim admitted/expected to be admitted and to the extent that there is no uncertainty in receiving the claims.

Dividend and Interest Income

Dividend income from investments is recognized when the right to receive the dividend is established at the Balance Sheet date.

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on, time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

(K) Government Grants, Subsidies and Export Incentives

- (i) Where the grant or subsidy relates to an asset, it is recognized by deducting the grant in arriving at the carrying amount of asset. However, when the grant or subsidy relates to an expenses item, it is recognised as income. Grants and subsidies from the government are recognized when there is reasonable assurance that the grant/subsidy will be received and all attaching conditions will be complied with.
- (ii) Export incentives are accounted for in the year of exports based on eligibility and when there is no uncertainty in receiving the same.

(L) Foreign Currency Transactions

Functional and Presentation Currency

The functional currency of the Company is Indian rupee (INR).

Transactions and balances

Transactions in foreign currencies are recorded at the exchange rates prevailing on the date of transaction

Foreign currency monetary assets and liabilities such as cash, receivables, payables, etc., are translated at year end exchange rates.

Non-monetary items denominated in foreign currency such as investments, fixed assets, inventories etc., are valued at the exchange rate prevailing on the date of transaction.

Exchange differences arising on settlement of transactions and translation of monetary items are recognised as income or expense in the year in which they arise.

(M) Research and Development

Revenue expenditure pertaining to research is charged to Statement of Profit and Loss . Development costs of products expenses are capitalized when the Company is certain to recover the development cost from future economic benefits. Property, plant and equipment utilized for research and development are capitalized and depreciated/amortised in accordance with the policies stated for property, plant and equipment & intangible assets.

Notes on Financial Statements for the year ended 31.03.2022

(N) Employee Benefits

Short Term Employee Benefits:

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits and they are recognized in the period in which the employee renders the related service. These benefits include salaries and wages, bonus etc. The Company recognizes the undiscounted amount of short term employee benefits expected to be paid in exchange for services rendered as a liability (accrued expense) after deducting any amount already paid.

Post Employment Benefits:

Provident Fund & Employee State Insurance

Retirement Benefits in the form of Provident Fund and ESI schemes are a defined contribution plans as the Company does not carry any further obligations, apart from the contributions made on a monthly basis and the contributions are charged to Statement of Profit & Loss of the year when the contributions to the respective funds are due.

Earned Leave

Leave encashment is applicable to all permanent and full time employees of the company and is provided for on the basis of actuarial valuation made at the end of each financial year using Projected Unit Credit Method. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows using interest rates of government bonds. Actuarial gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the statement of profit or loss in the period in which they arise. Past-service costs are recognised immediately in statement of profit or loss.

Gratuity

The Company provides for gratuity, a defined benefit plan (the "Gratuity Plan") covering eligible employees in accordance with the Payment of Gratuity Act, 1972. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment. The gratuity plan in Company is funded through annual contributions to Exide Life Insurance Company under its Company's Gratuity Scheme.

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows using interest rates of government bonds. Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are charged or credited to equity in other comprehensive income in the period in which they arise. They are included in retained earnings in the statement of changes in equity and in the balance sheet. Past-service costs are recognised immediately in statement of profit or loss.

(O) Provisions and Contingent Liabilities

Provision

A provision is recognized when the Company has a present obligation as a result of past event, and it is probable that an outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made. The estimated liability for product warranties is recorded when products are sold based on technical evaluation.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessment of the time value of money and the risk specific to the liability. The increase in the provision due to the passage of time is recognised as interest expenses.

Contingent Liabilities

Wherever there is a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity or a present obligation that arises from past events but is not recognised because (a) it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or (b) the amount of the obligation cannot be measured with sufficient reliability. Show cause notices are not considered as Contingent Liabilities unless converted into demand.

Notes on Financial Statements for the year ended 31.03.2022

(P) Taxation

Income Tax expense represent the sum of the tax currently payable and deferred tax

Current Income Tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from profit before tax as reported in the statement of profit and loss because of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period. Advance taxes and provisions for current income taxes are presented in the balance sheet after off-setting advance tax paid and income tax provision arising in the same tax jurisdiction and where the relevant tax paying unit intends to settle the asset and liability on a net basis.

Deferred Income Tax

Deferred income tax is recognised using the balance sheet approach. Deferred Tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax base used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax liabilities and assets are offset when they relate to income taxes levied by the same taxation authority and the relevant entity intends and has ability to settle its current tax assets and liabilities on a net basis.

Current and Deferred Tax For The Year

Current and deferred tax are recognised in profit or loss, except when they relate to item that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

(Q) Borrowing Cost

Borrowing costs are interest and other costs that incurs in connection with the borrowing of funds and include interest expense calculated using the effective interest method as described in Ind AS 39 Financial Instruments: Recognition and Measurement, exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss.

Borrowing costs, allocated to and utilised for qualifying assets, pertaining to the period from commencement of activities relating to construction / development of the qualifying asset up to the date of capitalisation of such asset is added to the cost of the assets.

For general borrowing used for the purpose of obtaining a qualifying asset, the amount of borrowing costs eligible for capitalization is determined by applying a capitalization rate to the expenditures on that asset. The capitalization rate is the weighted average of the borrowing costs applicable to the borrowings of the Company that are outstanding during the period, other than borrowings made specifically for the purpose of obtaining a qualifying asset. The amount of borrowing costs capitalized during a period does not exceed the amount of borrowing cost incurred during that period.

Capitalisation of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted.

Notes on Financial Statements for the year ended 31.03.2022

(R) Impairment

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of cash inflows from other assets or groups of assets (cash generating units). Non-financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

(S) Cash Flow Statement

The Cash Flow Statement is prepared by the indirect method set out in Ind AS-7 on Cash Flow Statements and presents cash flows by operating, investing and financing activities of the Company.

(T) Derivatives Instruments and Hedge Accounting

The Company enters into derivatives contracts in the nature of foreign currency swaps, currency options, forward contracts etc. to hedge its exposure to movements in foreign exchange rates. The use of these contracts reduces the risk or cost to the Company and the Company does not use those for trading or speculative purposes.

(U) Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the Core Management Committee which includes the Managing Director who is the Chief Operating Decision Maker. The Core Management Committee examines performance both from product and a geographical perspective. The Company has identified two reportable business segments viz. Automotive and Other Segment comprising LED Luminaries on the basis of the nature of products, the risk and return profile of individual business and the internal business reporting systems.

(V) Lease

The Company has applied Ind AS 116 using modified retrospective approach.

The Company's lease asset classes primarily consist of leases for Buildings. The Company assesses whether a contract is or contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

- (i) the contract involves the use of an identified asset
- (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and
- (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognises a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and leases of low value assets. For these short term and leases of low value assets, the Company recognises the lease payments as an operating expense on a straight-line basis over the term of the lease.

The right-of-use assets are initially recognised at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses, if any. Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

The lease liability is initially measured at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates. The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made.

A lease liability is remeasured upon the occurrence of certain events such as a change in the lease term or a change in an index or rate used to determine lease payments. The remeasurement normally also adjusts the leased assets.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

Notes on Financial Statements for the year ended 31.03.2022

(W) Dividend on Equity Share

Dividends on equity shares are recorded on the date of approval by the shareholders of the Company.

(X) Corporate Social Responsibility (CSR) Expenditure

CSR Expenditure incurred by the Company is charged to the standalone statement of the profit and loss

(Y) Exceptional Items

When an item of income or expense within Statement of profit and loss from ordinary activity is of such size, nature or incidence that their disclosure is relevant to explain the performance of the Company for the year, the nature and amount of such items is disclosed as exceptional items.

(Z) Earnings Per Share

The Basic and Diluted Earnings Per Share ("EPS") is computed by dividing the profit after tax (loss) for the year by weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earning per share, the net profit (loss) for the year attributable to equity shareholder and the weighted average number of share outstanding during the year are adjusted for the effect of all dilutive potential equity shares. The weighted average number of shares outstanding during the year are adjusted for events of bonus issue and share split, if any.

(B) Other Money for which the Company is contingently liable	As at March 31, 2022	As at March 31, 2021
Liability in respect of bill of exchange discounted from bank	5,509.27	5,665.16
(C) The Hon'ble Supreme Court of India, through a ruling in February 2019, provided interpretation on the components of Salary on which the Company and its employees are to contribute towards Provident Fund under the Employee's Provident Fund Act. Based on the current evaluation, the Company believes it is not probable that certain components of Salary paid by the Company will be subject to contribution towards Provident Fund due to the Supreme Court order. The Company will continue to monitor and evaluate its position based on future events and developments.

46 Other Segment Reporting

(a) Identification of Segments:

Primary-Business Segments

The Company has identified two reportable business segments viz. Automotive and Other segment comprising LED Luminaries on the basis of the nature of products, the risk and return profile of individual business and the internal business reporting systems. The products included in each of the reported business segments are as follows:-

- Automotive comprising of automotive lighting & signalling equipment, rear view mirror, prismatic mirror, plastic moulded parts, sheet metal components, bank angle sensor and canisters for motorised vehicles and others parts for automotive.
- Other Segment comprising of led luminaries viz. indoor and outdoor lighting, display panel, LED integrated passenger information system etc.
- Revenue and expenses have been identified to a segment on the basis of relationship to operating activities of the segment. Revenue and expenses which relates to enterprise as a whole and not allocable to a segment on reasonable basis have been disclosed as "unallocated"
- Segment assets and segment liabilities represent assets and liabilities in respective segments. Income tax related assets/liabilities, borrowings, deferred tax liabilities (net) and other assets and liabilities that can not be allocated to a segment on reasonable basis have been disclosed as "Unallocated".

48 Post Employment Benefits Plan

Defined Contribution Plans

Contribution to Defined Contribution Plan, recognized as 'Employee Benefits Expenses' for the year are as under:

Particulars	2021-22	2020-21
Employer's Contribution to Provident Fund	410.46	333.25
Employer's Contribution to ESI Fund	58.11	51.26
Employer's Contribution to Wages Welfare Fund	9.09	5.35
Total	477.66	389.86

Defined Benefit Plans

(a) Gratuity

The Company has defined benefit gratuity plan for its employees, which requires contributions to be made to a separately administered fund. It is governed by the Payment of Gratuity Act, 1972. Under the Act, employee who has completed five years of service is entitled to specific benefit. The level of benefits provided depends on the member's length of service and salary at retirement age. The scheme is funded with Exide Life Insurance Company Limited in the form of qualifying insurance policy.

(b) Earned Leave

The Present value obligation of Leave Encashment is determined based on actuarial valuation using projected unit credit method.

Disclosure requirement as per Indian Accounting Standard on Employee Benefits-Ind AS (19)-As per actuarial valuation as on 31.03.2022 are as follows:

(i) Expenses recognised in the Statement of Profit and Loss under the head employee benefits expense

Particulars	Gratuity		Leave Encashment

Current Investment	5,689.40	-	-	-	-	-

The management assessed that the fair values of short term financial assets and liabilities significantly approximate their carrying amounts largely due to the short-term maturities of these instruments. The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction among willing parties, other than in a forced or liquidation sale.

The Company maintains policies and procedures to value financial assets or financial liabilities using the best and most relevant data available. In addition, the Company internally reviews valuation, including independent price validation for certain instruments.

Fair value of financial assets and liabilities is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique.

The following methods and assumptions were used to estimate fair value:

- Fair value of short term financial assets and liabilities significantly approximate their carrying amounts largely due to the short term maturities of these instruments.
- Fair value of quoted mutual funds is based on the net assets value at the reporting date.

50 Financial Instruments and Risk Review

Financial Risk Management Framework

The Company's financial liabilities comprise mainly of borrowings, trade payables and other payables. The Company's financial assets comprise mainly of investments, cash and cash equivalents, other balances with banks, loans, trade receivables and other receivables.

The Company is exposed to Market risk, Credit risk and Liquidity risk. The Company oversee the management of these financial risks. The Company's approach to address uncertainties in its endeavor to achieve its stated and implicit objectives. It prescribes the roles and responsibilities of the Company's management, the structure for managing risks and the framework for risk management. The framework seeks to identify, assess and mitigate financial risks in order to minimize potential adverse effects on the Company's financial performance.

Notes on Financial Statements for the year ended 31.03.2022

i) Capital Management

(Amount Rs in Lakhs)

The Company's capital management objectives are:

The Company is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business.

The Company manages capital risk by maintaining sound/optimal capital structure through monitoring of financial ratios, such as debt-to-equity ratio and net borrowings-to-equity ratio on a monthly basis and implements capital structure improvement plan when necessary.

The Company uses debt ratio as a capital management index and calculates the ratio as Net debt divided by total equity. Net debt and total equity are based on the amounts stated in the financial statements.

Debt-to-equity ratio is as follows:

Particulars	As at 31st March, 2022	As at 31st March, 2021
Non Current Borrowing	751.67	2,189.55
Derivative Liability (Assets) on Non-Current Borrowings	(68.24)	(140.34)
Current Maturities of Non-Current Borrowing	1,365.78	3,027.67
Current Borrowing	-	-
Interest Accrued on Non-Current Borrowing	3.77	13.09
Net Debt (A)	2,052.98	5,089.96
Equity (B)	64,742.86	57,348.22
Debt Ratio (A/B)	0.03: 1	0.09: 1

ii) Credit Risk

Credit risk refers to risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. Credit risk arises primarily from financial assets such as trade receivables, other balances with banks, loans and other receivables.

In assessing Post Covid-19, recoverability of receivables, the management has considered the asset type, past due status and other relevant factors considering the age of receivables. The provision for expected credit losses (ECL) are revised at each reporting date by the use of practical expedients viz provision matrix.

The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk was Rs. 17,652.74 Lakhs (net of write-off/provisions) (Previous Year Rs. 8572.12 Lakhs) respectively, being the total of the carrying amount of balances with trade receivables. An amount of Rs. 70.42 lakhs (previous year Rs. 1071.14 lakhs) has been written-off during the year after re-assessing Post-Covid-19 long outstandings and obtaining objective evidences on the impairment of the trade receivables.

Ind AS requires expected credit losses to be measured through a loss allowance. The Company assesses at each date of financial statement whether a financial asset or a group of financial assets is impaired. The Company recognises lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12 months expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

The Company's primary customers are major automobile manufacturers (OEMs) with good credit ratings. Company's exposure to customers is diversified and some customers contribute more than 10% of outstanding accounts receivable which forms 46% of total receivables as of 31st March, 2022 (71% as at 31st March, 2021), however there was no default on account of those customers in the past.

The Company performs credit assessment for customers on an annual basis and recognizes credit risk, on the basis lifetime expected losses and where receivables are due for more than six months.

Movement in the expected credit loss allowance:

Particulars	As at 31st March, 2022	As at 31st March, 2021
Balance at the beginning of the year	338.60	142.32
Movement in the expected credit loss allowance on trade receivables calculated at lifetime expected credit losses	9.42	196.28
Balance at the end of the year	348.02	338.60

iii) Liquidity Risk

a) Liquidity risk management

Liquidity risk refers to the risk that the Company cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

Notes on Financial Statements for the year ended 31.03.2022

b) Maturities of financial liabilities

(Amount Rs in Lakhs)

The following tables detail the Company's remaining contractual maturity for its financial liabilities with agreed repayment periods. The amount disclosed in the tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The tables include both interest and principal cash flows.

Particulars	31st March, 2022		31st March, 2021	
	Less than 1 Year	1-5 Years	Less than 1 Year	1-5 Years

iv) Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Such changes in the values of financial instruments may result from changes in the foreign currency exchange rates, interest rates, credit, liquidity and other market changes. The Company's exposure to market risk is primarily on account of foreign currency exchange rate risk.

a) Foreign Currency exchange rate risk

The fluctuation in foreign currency exchange rates may have potential impact on the statement of profit or loss and other comprehensive income and equity, where any transaction references more than one currency or where assets / liabilities are denominated in a currency other than the functional currency of the respective entities. Considering the countries and economic environment in which the Company operates, its operations are subject to risks arising from fluctuations in exchange rates in those countries. The risks primarily relate to fluctuations in US Dollar, Euro, and Japanese Yen against the respective functional currencies of the Company. The Company, as per its risk management policy, uses derivative instruments primarily to hedge foreign exchange.

The Company evaluates the impact of foreign exchange rate fluctuations by assessing its exposure to exchange rate risks. It hedges a part of these risks by using derivative financial instruments. The information on derivative instruments is as follows.

Particulars	Currency	As at 31st March, 2022		As at 31st March, 2021	
		Foreign Currency	Rupees	Foreign Currency	Rupees
Foreign Currency exposures that are not hedged by derivative instruments					
(a) Trade payables (including capital assets and accrued expenses)	USD	55.46	4,204.08	29.41	2,161.72
	EURO	1.66	140.17	0.18	15.56
	JPY	265.28	165.08	207.60	137.76
			4,509.33		2,315.04
(b) Trade receivables	USD	20.69	1,568.39	8.58	630.97
	EURO	0.49	41.32	0.34	29.31
	JPY	-	-	-	-
			1,609.71		660.28
Total (a-b)	USD	34.77	2,635.69	20.83	1,530.75
	EURO	1.17	98.85	(0.16)	(13.75)
	JPY	265.28	165.08	207.60	137.76

Notes on Financial Statements for the year ended 31.03.2022

Foreign Currency Sensitivity

(Amount Rs in Lakhs)

The following table demonstrates the sensitivity to a reasonable possible change in USD, EURO and JPY exchange rates, with all other variables held constant, the impact on the Company's profit before tax due to changes in the fair value of monetary assets and liabilities. The Company's exposure to foreign currency changes for all other currencies is not material. The sensitivity analysis is prepared on the net unhedged exposure of the Company as at the reporting date. 10% represents company's assessment of reasonably possible change in foreign exchange rate.

Particulars	As At 31st March, 2022			As At 31st March, 2021		
	Currency	Change in rate	Effect on pre-tax equity	Currency	Change in rate	Effect on pre-tax equity
	USD	10.00%	263.57	USD	10.00%	153.08
	USD	-10.00%	(263.57)	USD	-10.00%	(153.08)
	EURO	10.00%	9.88	EURO	10.00%	(1.38)
	EURO	-10.00%	(9.88)	EURO	-10.00%	1.38
	JPY	10.00%	16.51	JPY	10.00%	13.78
	JPY	-10.00%	(16.51)	JPY	-10.00%	(13.78)

In management's opinion, the sensitivity analysis is unrepresentative of the inherent foreign exchange risk because the exposure at the end of the reporting period does not reflect the exposure during the year.

b) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of change in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long term debt obligations with floating interest rates.

Particulars	31st March, 2022	31st March, 2021
Variable rate borrowings		
Cash Credit/Working Capital Loans	-	-
Fixed rate borrowings		
Term Loan (net of derivative liability)	2,049.21	5,076.88
Total	2,049.21	5,076.88

Interest rate sensitivity

The sensitivity analysis below have been determined based on exposure to interest rate. For floating rate liabilities, analysis is prepared assuming the amount of liability outstanding at the end of the reporting period was outstanding for the whole year. With all other variables held constant, the Company's profit before tax is affected through the impact on floating rate borrowings, as follows:

Particulars	31st March, 2022	31st March, 2021
Increase by 1.00%	-	-
Decrease by 1.00%	-	-

c) Commodity price risk

Movement in commodity price in market affects directly or indirectly the price of raw material and components used by the Company. The Company sells its products mainly to auto makers (Original Equipment Manufacturer) whereby there is a regular negotiation/adjustment of prices on the basis of changes in commodity prices.

51 Research and Development Expenses

The Company has incurred following expenses on its Research and Development Unit situated at Rai, Sonapat, Haryana (India).

Particulars	2021-22	2020-21
Capital Expenditure		
Capital Expenditure	3.10	0.66
Total (A)	3.10	0.66
Revenue Expenditure		
Raw Material Consumed	-	5.46
Employee Benefits	406.04	431.91
Design Charges	489.01	381.59
Other Expenses	33.34	28.79
Depreciation & Amortization	27.33	40.69
Total (B)	955.72	888.45
Grand Total (A+B)	958.83	889.11

Notes on Financial Statements for the year ended 31.03.2022

CONSOLIDATED FINANCIAL STATEMENTS

This Page Intentionally Left Blank

Independent Auditor's Report

To the Members of
FIEM INDUSTRIES LIMITED

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Fiem Industries Limited (hereinafter referred to as the 'Holding Company') its subsidiaries (Holding Company and its subsidiaries together referred to as "the Group"), its associates and jointly controlled entities, which comprise the consolidated Balance Sheet as at 31st March, 2022, and the consolidated statement of profit and loss(including Other Comprehensive Income), the consolidated statement of changes in equity and the consolidated cash flows Statement for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies (hereinafter referred to as "the consolidated financial statements" or " financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other the accounting principles generally accepted in India, of

their consolidated state of affairs of the Company as at 31st March, 2022, of consolidated profits and Consolidated total comprehensive income , consolidated changes in equity and its consolidated cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Consolidated financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated financial statements of the current period. These matters were addressed in the context of our audit of the Consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

S.N.	Key Audit Matter	Auditor's response
1	<p>Revenue Recognition</p> <p>Revenue from sale of goods is recognised when control of the products being sold is transferred to the customer and when there are no longer any unfulfilled obligations.</p> <p>The performance obligations in the contracts are fulfilled at the time of dispatch, delivery or upon formal customer acceptance depending on customer terms and conditions. Revenue is measured at fair value of the consideration received or receivable, after deduction of any discounts/ rebates and any taxes or duties collected on behalf of the government such as goods and services tax, etc. Customer acceptance is used to estimate the provision for price increase/decrease. Revenue is only recognised to the extent, that is highly probable, a significant reversal will not occur.</p>	<p>Principal Audit Procedures</p> <p>Our audit procedures included:</p> <ul style="list-style-type: none"> Assessing the appropriateness of the revenue recognition accounting policies by comparing with applicable accounting standards. Evaluating the integrity of the information and technology general control environment and testing the operating effectiveness of key IT application controls. Evaluating the design and implementation of Company's controls in respect of revenue recognition. Testing the effectiveness of such controls over revenue cut off at year-end. Testing by selecting samples of revenue transactions recorded during the year by verification of underlying documents. Testing on a sample basis, key customer contracts/ purchase order to identify terms and conditions relating to goods acceptance and price adjustments. Testing on a sample basis, the supporting documents for sales transactions recorded during the period closer to the year end and subsequent to the year end to determine whether revenue was recognised in the correct period.

2	<p>Evaluation of uncertain tax positions</p> <p>The Company has uncertain tax positions matters under dispute which involves significant judgment to determine the possible outcome of these disputes.</p> <p>Refer Notes 34 to the Consolidated Financial Statements</p>	<p>Principal Audit Procedures</p> <p>Obtained details of completed tax assessments upto the year ended March 31, 2022 from management. We considered, the management's underlying assumptions in estimating the tax provision and the possible outcome of the disputes. We also considered legal precedence and other rulings in evaluating management's position on these uncertain tax positions. Additionally, we considered the effect of new information in respect of uncertain tax positions as at April 1, 2021 to evaluate whether any change was required to management's position on these uncertainties</p>
----------	--	--

Other information

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's Annual report but does not include the Consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's management and Board of Directors are responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Companies Act, 2013 that give a true and fair view of the consolidated state of affairs, consolidated profit/loss and other comprehensive income, consolidated changes in equity and consolidated cash flows of the Group including its Associates and Jointly controlled entities in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group and of its associates and jointly controlled entities are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the

consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its associates and jointly controlled entities are responsible for assessing the ability of the Group and of its associates and jointly controlled entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associates and jointly controlled entities are responsible for overseeing the financial reporting process of the Group and of its associates and jointly controlled entities.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management and Board of directors.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We

describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

- a. We did not audit the financial statements of an associate M/s Aisan Fiem Automotives India Private Ltd. The consolidated financial statements include the Company's share of net loss/total comprehensive loss of Rs 100.02 lakhs for the year ended 31st March 2022, as considered in the consolidated financial statements, in respect of the aforesaid which has not been audited by us. These financial statements have been audited by other auditor whose report have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of the associate, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, insofar as it relates to the aforesaid associate, is based solely on the report of the other auditor.

Our opinion on the Statement is not modified in respect of the above matters with respect to our reliance on the work done and the report of the other auditor.

- b. We did not audit the financial statement of two overseas 50:50 Joint Venture, Centro Ricerche Fiem Horustech Srl (CRFH) and Fiem Kyowa (HK) Mould Company Limited, whose Net loss of Rs 2.50 lakhs and Rs 12.43 lakhs respectively for the year ended 31st March 2022, are included in the accompanying consolidated financial statements, Such financial information have not been audited and have been approved by the Board of directors of the respective Companies. The management of the company has converted these financial statements as per Ind AS and other accounting principle generally accepted in India, and certified these financial statements for the purpose of preparation of consolidated financial statement. Our report, in so far as it relates to these jointly controlled entities, is based solely on such unaudited financial statements. In our opinion and according to the information and explanations given to us by the management, these financial statements are not material to the Group

Our opinion on the Consolidated financial statements above, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditor and the financial statements /financial information certified by the Management

Report on Other Legal and Regulatory Requirements

- A. As required by Section 143(3) of the Act, we report, to the extent applicable, that:
- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - b. In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
 - c. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements
 - d. In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act.
 - e. On the basis of the written representations received from the directors of the Company as on 31st March, 2022 taken on record by the Board of Directors of the Company and the reports of the statutory auditors of its associate companies incorporated in India, none of the directors of the Group companies, its associate companies incorporated in India is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f. With respect to the adequacy of internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate report in Annexure B and
- B. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- a. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group, its associates and subsidiary companies – Refer Note 34 to the consolidated financial statements.
 - b. Provision has been made in the consolidated financial statements, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts
 - c. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company and associate company incorporated in India.
- d.
- a. The respective Managements of the Company whose financial statements have been audited under the Act, have represented to us that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - b. The respective Managements of the Company whose financial statements have been audited under the Act, have represented to us that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company or any of such subsidiaries from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - c. Based on the audit procedures that have been considered reasonable and appropriate in the circumstances performed by us on the Company whose financial statements have been audited under the Act, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- e. As stated in Note 53 to the consolidated financial statements
- a. The final dividend proposed in the previous year, declared and paid by the Holding Company during the year is in accordance with Section 123 of the Act, as applicable.

- b. The Board of Directors of the Holding Company have proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The amount of dividend proposed is in accordance with section 123 of the Act, as applicable.
- C. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the holding company and its subsidiaries which are incorporated in India to its directors during the year is in accordance with the provisions of section 197 of the Act. The remuneration paid to any director by the holding company and its subsidiaries which are incorporated in India is not in excess of the limit laid

down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) which are required to be commented upon by us.

- D. With respect to the matters specified in paragraphs 3(xxii) and 4 of the Companies (Auditor's Report) Order, 2020 (the "Order"/ "CARO") issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor's report, according to the information and explanations given to us, and based on the CARO reports issued by us for the Company and its subsidiaries included in the consolidated financial statements of the Company, to which reporting under CARO is applicable, we report that there are no qualifications or adverse remarks in these CARO reports.

Annexure "A" To The Independent Auditor's Report

Annexure "A" To The Independent Auditor's Report Of Even Date On The Consolidated Ind AS Financial Statements Of Fiem Industries Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

Opinion

1. In conjunction with our audit of the consolidated Ind AS financial statements of the Company as of and for the year ended 31st March, 2022, We have audited the internal financial controls over financial reporting of FIEM INDUSTRIES LIMITED (hereinafter referred to as "the Holding Company") and its one associate company, which are the companies incorporated in India, as of that date
2. In our opinion the Holding Company and its associate company which are the companies incorporated in India has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31st March 2022, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Management's Responsibility for Internal Financial Controls

3. The Board of Directors of the of the Holding company and its associate company which are incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI)". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

4. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
5. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
6. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

7. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of

management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

8. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Other Matters

9. Our report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting of the Holding Company, insofar as it relates to the one associate Company, which is the Company incorporated in India, is based on the corresponding report of the auditors of such associate Company incorporated in India.

Notes to the Consolidated Financial Statements as at 31.03.2022

1. General Information

Fiem Industries Limited ("The Company") is a public limited company domiciled in India and incorporated under the provisions of the Companies Act, 1956. The company has changed its registered office to D-5, Mansarover Garden, New Delhi-110015 on dated 1st May, 2022. Its shares are listed on National Stock Exchange and Bombay Stock Exchange in India. The Company is in the business of manufacturing and supply of auto components comprising of automotive lighting & signalling equipments, rear-view mirror, prismatic mirror, plastic moulded parts, bank angle sensor, canister and sheet metal components for motorised vehicles, and LED luminaries comprising of indoor and outdoor lighting, display panels and integrated passengers information system.

Significant Accounting Policies

(A) Statement of Compliance

The financial statement has been prepared as a going concern in accordance with Indian Accounting Standards (Ind AS) notified under the Section 133 of the Companies Act, 2013 ("the Act) read with the Companies (Indian Accounting Standards) Rules, 2015 and other relevant provision of the Act.

These consolidated financial statements are approved by the Company's Board of Directors on 30th May 2022.

(Aa) Accounting Policies Applicable in Consolidated Financial Statement

- (i) The Company combines the financial statements of the parent and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Inter-company transactions, balances and unrealised gains on transactions between group companies are eliminated.
- (ii) Interests in joint ventures are accounted for using the equity method, after initially being recognised at cost in the consolidated balance sheet.
- (iii) The results and financial position of foreign operations that have a functional currency different from the presentation currency are translated into the presentation currency as follows:
 - assets and liabilities are translated at the closing rate at the date of that Balance Sheet
 - income and expenses are translated at average exchange rates
 - All resulting exchange differences are recognised in statement of profit & loss
- (iv) Deferred tax liabilities are not recognised for temporary differences between the carrying amount and tax bases of investments in subsidiaries where the Company is able to control the timing of the reversal of the temporary differences and it is probable that the differences will not reverse in the foreseeable future.
- (v) In case of foreign subsidiaries being non-integral foreign operations, any exchange difference arising on consolidation is recognised in the Translation reserve.
- (vi) The company has two wholly owned foreign subsidiary i.e. Fiem Industries Japan Co. Ltd. incorporated in Japan and Fiem Research & Technology SRL incorporated in Italy and three joint venture i.e. Centro Ricerche Fiem Horustech SRL, Fiem Kyowa (HK) Mould Company Limited and Aisan Fiem Automotives India Pvt Ltd which have been considered for consolidation.

(B) Accounting Convention

The financial statements have been prepared on the historical cost convention on accrual basis except for certain financial instruments which are measured at fair value at end of each reporting period, as explained in the accounting policies mentioned below. The accounting policies have been applied consistently over all the periods presented in these financial statements.

(C) Use of Estimates and Judgements

The preparation of financial statements in conformity with Ind AS requires management to make judgements, estimates, and assumptions that affect the application of accounting policies and reported amount of assets, liabilities, income, expenses and disclosures of contingent assets and liabilities at the date of these financial statements and the reported amount of revenues and expenses for the years presented. Actual results may differ from the estimates.

Notes to the Consolidated Financial Statements as at 31.03.2022

Estimates and underlying assumptions are reviewed at each balance sheet date. Revision to accounting estimates are recognised in the period in which the estimates are revised and in which future periods are also affected.

Significant Estimates and Judgments

The Areas involving critical estimates or judgement are:-

- (i) Estimation of fair value of unlisted securities
- (ii) Defined Benefits Obligation refer note 45
- (iii) Estimation of useful life of property plant and equipment
- (iv) Estimation and evaluation of provisions and contingencies
- (v) Recognition of deferred tax assets and provision for income tax refer note 37

Impact of COVID-19 (Pandemic):

The Company has considered the possible effects that may result from COVID-19 on the carrying amounts of financials assets, inventory, receivables, advances, property plant and equipment, Intangibles etc. as well as liabilities accrued. In developing the assumptions relating to the possible future uncertainties in the economic conditions because of this pandemic, the Company has used internal and external information such as our current contract terms, investment profile, future volume estimates from the business etc. Having reviewed the underlying data and based on current estimates the Company expects the carrying amount of these assets will be recovered and there is no significant impact on liabilities accrued. The impact of COVID-19 on the Company's financial statements may differ from that estimated as at the date of approval of these financial statements and the Company will continue to closely monitor any material changes to future economic conditions.

Recent Pronouncements

The Ministry of Corporate Affairs has vide notification dated 23rd March 2022 notified Companies (Indian Accounting Standards) Amendment Rules, 2022 which amends certain accounting standards, and are effective 1st April 2022. Below is a summary of such relevant amendments and requirements. No significant impact is expected on adoption of these amendments.

- i) Ind AS 16, Property, Plant and Equipment (PPE)-The amendment clarified that an entity shall deduct from the cost of an item of PPE any proceeds received from selling items produced while the entity is preparing the asset for its intended use.
- ii) Ind AS 37, Provisions, Contingent Liabilities and Contingent Assets: Onerous Contracts - Cost of fulfilling a contract: The amendment explains that the cost of fulfilling a contract comprises the incremental costs and an allocation of other costs that relate directly to fulfilling contracts.
- iii) Ind AS 109 Financial Instruments: The amendment clarifies any cost or fees that an entity includes when it applies the '10 percent' test of Ind AS 109 in assessing whether to derecognise a Financial Liability.

(D) Current-Non Current Classification

All assets and liabilities are classified into current and non-current.

Assets

An asset is classified as current when it satisfies any of the following criteria:

- (a) it is expected to be realised in, or is intended for sale or consumption in, the Company's normal operating cycle;
- (b) it is held primarily for the purpose of being traded;
- (c) it is expected to be realised within 12 months after the reporting date; or;
- (d) it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for a least 12 months after the reporting date

Liabilities

A liability is classified as current when it satisfies any of the following criteria:

- (a) it is expected to be settled in the Company's normal operating cycle;
- (b) it is held primarily for the purpose of being traded;
- (c) it is due to be settled within 12 months after the reporting date; or;

Notes to the Consolidated Financial Statements as at 31.03.2022

- (d) the company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

Operating Cycle

Based on the nature of products/activities of the Company and the normal time between the acquisition of assets for processing and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of current and non current classification of assets and liabilities

(E) Property, Plant and Equipment

Property, plant and equipment held for use in the production or supply of goods or services, or for administrative purposes, are stated in the balance sheet at cost less accumulated depreciation and accumulated impairment losses. Cost of acquisition is inclusive of freight, duties, taxes, and other incidental expenses. Freehold land is not depreciated.

Properties in the course of construction for production, supply or administrative purposes are carried at cost, less any recognised impairment loss. Cost includes items directly attributable to the construction or acquisition of the items of property, plant and equipment. For qualifying assets borrowing costs are capitalised in accordance with the Company's accounting policy. Such properties are classified to the appropriate categories of property, plant and equipment when completed and ready for intended use. Depreciation of these assets is provided on the same basis as other property assets & commences when the assets are ready for their intended use.

Subsequent costs are included in the asset's carrying amount only when it is probable that future economic benefits associated with the items will flow to the Company and the cost of the item can be measured reliably. The cost for day-to-day servicing of property, plant and equipment are recognized in Statement of Profit and Loss as and when incurred.

The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

Depreciation is calculated using the straight-line method on a pro-rata basis from the date in which each asset is put to use to allocate their cost, net of their residual values, over their useful life generally in accordance with that provided in the Schedule II to the Act. The estimated useful lives of property, plant and equipment are as follows.

Assets	Estimated useful lives	Useful lives as per schedule II
Factory Building	30 years	30 years
Other Building	60 years	60 years
Plant and Equipment	3-15 years	15 years
Furniture & Fixture	10 years	10 years
Motor Vehicles	8-10 years	8-10 years
Office Equipment	3-5 years	5 years
Electrical Installation	10 years	10 years
Computer	3 years	3 years

Based on technical evaluation and internal assessment of useful lives, the management believes that its estimate of useful lives as given above best represent the period over which management expects to use these assets.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in statement of profit and loss.

Capital Work-in-Progress

Capital work-in-progress comprises the cost of property, plant and equipment that are not yet ready for their intended use at the balance sheet date & expenditure during construction period pending allocation and fixed assets in transit that are not yet received for their intended use at the balance sheet date. Depreciation is not charged on capital work in progress until construction and installation are complete and asset ready for its intended use.

Capital Advances

Advances given towards acquisition of fixed assets outstanding at each Balance Sheet date are disclosed as Other Non-Current Assets.

Notes to the Consolidated Financial Statements as at 31.03.2022

(F) Intangible Assets

Intangible assets acquired separately

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses. Amortization is recognised on a straight-line basis over their estimated useful lives. The estimated useful life and amortization are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses.

Intangible Assets Under Development

Intangible Assets Under Development comprises the cost of intangible assets that are not yet ready for their intended use at the balance sheet date. Amortization is not charged on intangible assets under development.

(G) Financial Instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

Cash and cash equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents includes balances with banks which are unrestricted for withdrawal and usage.

Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest income and foreign exchange gain and losses which are recognised in profit and loss.

Financial assets at fair value through profit or loss

Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of assets and liabilities at fair value through profit and loss are immediately recognised in the statement of profit and loss.

Investment in Joint Ventures

Investment in joint ventures are measured at equity method.

Financial liabilities

Financial liabilities are measured at amortised cost using the effective interest method.

Equity instruments

An equity instrument is a contract that evidences residual interest in the assets of the company after deducting all of its liabilities. Company recognises equity instruments at proceeds received net off direct issue cost.

Notes to the Consolidated Financial Statements as at 31.03.2022

Reclassification of Financial Assets

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Company's senior management determines change in the business model as a result of external or internal changes which are significant to the company's operations. Such changes are evident to external parties. A change in the business model occurs when a company either begins or ceases to perform an activity that is significant to its operations. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognized gains, losses (including impairment gains and losses) or interest.

Impairment of financial assets

The Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

(i) financial assets measured at amortised cost (ii) financial assets measured at FVOCI (iii) trade receivables under Ind-As 18

The company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. The application of simplified approach does not require the Company to track changes in credit risk. Rather it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

Write-off

The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. The management considers internal and external information up to the date of approval of financial results including probability of credit impairment and economic forecast. However, financial assets that are written off could still be subject to enforcement activities in order to comply with the Company's procedures for recovery of amounts due.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

(H) Measurement of Fair Values

A number of the Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities. The Company has an established control framework with respect to the measurement of fair values. The Company regularly reviews significant unobservable inputs and valuation adjustments.

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs)

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

(I) Inventory

- (i) Raw materials, components, stores and spares are valued at lower of cost or net realizable value. However, raw materials and other supplies held for use in the production of finished products are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. In determining the cost, First in First Out method (FIFO) is used.
- (ii) Semi-finished goods and finished goods are valued lower of cost or net realizable value. Cost includes direct materials and direct labour and a proportion of manufacturing overheads based on normal operating capacity.

Notes to the Consolidated Financial Statements as at 31.03.2022

- (iii) Moulds, block & dies are valued at lower of cost or net realizable value. Manufactured moulds, block & dies include direct material, direct labour and a proportion of manufacturing overhead based on normal operating capacity. Cost is determined on a First in First Out basis (FIFO).
- (iv) Inventories of non-reusable waste say scrap for which facilities for reprocessing do not exist have been valued at net realizable value.
- (v) Cost of inventories comprises all cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition.
- (vi) Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.
- (vii) Goods in transit are stated as a component of inventories if the significant risk and rewards of ownership have passed to the company and valued at actual cost incurred up to the date of Balance Sheet.

(J) Revenue from contracts with customers

Revenue is measured at the fair value of the consideration received or receivable. Revenue is reduced for any trade discounts, volume rebates & others similar allowances. Amounts disclosed as revenue are net of goods and service tax (GST).

Sale of Goods

Revenue arising from the sale of goods (including moulds) is recognized when the customer obtains control of the promised asset, i.e. either at the delivery or dispatch of goods (based on the agreed terms of sale with the respective customers), which is the point in time when the customer has the ability to direct the use of the goods and obtain substantially all of the remaining benefits of the goods.

Sale of Services

Customers obtain control of design and testing services when the services are completed to the satisfaction of the Customer.

Insurance Claim

Insurance claims lodged with insurance companies are accounted for on the basis of claim admitted/expected to be admitted and to the extent that there is no uncertainty in receiving the claims.

Dividend and Interest Income

Dividend income from investments is recognized when the right to receive the dividend is established at the Balance Sheet date.

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on, time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

(K) Government Grants, Subsidies and Export Incentives

- (i) Where the grant or subsidy relates to an asset, it is recognized by deducting the grant in arriving at the carrying amount of asset. However, when the grant or subsidy relates to an expenses item, it is recognised as income. Grants and subsidies from the government are recognized when there is reasonable assurance that the grant/subsidy will be received and all attaching conditions will be complied with.
- (ii) Export incentives are accounted for in the year of exports based on eligibility and when there is no uncertainty in receiving the same.

(L) Foreign Currency Transactions

Functional and Presentation Currency

The functional currency of the Company is Indian rupee (INR).

Transactions and balances

Transactions in foreign currencies are recorded at the exchange rates prevailing on the date of transaction

Foreign currency monetary assets and liabilities such as cash, receivables, payables, etc., are translated at year end exchange rates.

Notes to the Consolidated Financial Statements as at 31.03.2022

Non-monetary items denominated in foreign currency such as investments, fixed assets, inventories etc., are valued at the exchange rate prevailing on the date of transaction.

Exchange differences arising on settlement of transactions and translation of monetary items are recognised as income or expense in the year in which they arise.

(M) Research and Development

Revenue expenditure pertaining to research is charged to Statement of Profit and Loss. Development costs of products expenses are capitalized when the Company is certain to recover the development cost from future economic benefits. Property, plant and equipment utilized for research and development are capitalized and depreciated/amortised in accordance with the policies stated for property, plant and equipment & intangible assets.

(N) Employee Benefits

Short Term Employee Benefits:

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits and they are recognized in the period in which the employee renders the related service. These benefits include salaries and wages, bonus etc. The Company recognizes the undiscounted amount of short term employee benefits expected to be paid in exchange for services rendered as a liability (accrued expense) after deducting any amount already paid.

Post Employment Benefits:

Provident Fund & Employee State Insurance

Retirement Benefits in the form of Provident Fund and ESI schemes are a defined contribution plans as the Company does not carry any further obligations, apart from the contributions made on a monthly basis and the contributions are charged to Statement of Profit & Loss of the year when the contributions to the respective funds are due.

Earned Leave

Leave encashment is applicable to all permanent and full time employees of the company and is provided for on the basis of actuarial valuation made at the end of each financial year using Projected Unit Credit Method. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows using interest rates of government bonds. Actuarial gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the statement of profit or loss in the period in which they arise. Past-service costs are recognised immediately in statement of profit or loss.

Gratuity

The Company provides for gratuity, a defined benefit plan (the "Gratuity Plan") covering eligible employees in accordance with the Payment of Gratuity Act, 1972. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment. The gratuity plan in Company is funded through annual contributions to Exide Life Insurance Company under its Company's Gratuity Scheme.

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows using interest rates of government bonds. Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are charged or credited to equity in other comprehensive income in the period in which they arise. They are included in retained earnings in the statement of changes in equity and in the balance sheet. Past-service costs are recognised immediately in statement of profit or loss.

(O) Provisions and Contingent Liabilities

Provision

A provision is recognized when the Company has a present obligation as a result of past event, and it is probable that an outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made. The estimated liability for product warranties is recorded when products are sold based on technical evaluation.

Notes to the Consolidated Financial Statements as at 31.03.2022

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessment of the time value of money and the risk specific to the liability. The increase in the provision due to the passage of time is recognised as interest expenses.

Contingent Liabilities

Wherever there is a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity or a present obligation that arises from past events but is not recognised because (a) it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or (b) the amount of the obligation cannot be measured with sufficient reliability. Show cause notices are not considered as Contingent Liabilities unless converted into demand.

(P) Taxation

Income Tax expense represent the sum of the tax currently payable and deferred tax

Current Income Tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from profit before tax as reported in the statement of profit and loss because of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period. Advance taxes and provisions for current income taxes are presented in the balance sheet after off-setting advance tax paid and income tax provision arising in the same tax jurisdiction and where the relevant tax paying unit intends to settle the asset and liability on a net basis.

Deferred Income Tax

Deferred income tax is recognised using the balance sheet approach. Deferred Tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax base used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax liabilities and assets are offset when they relate to income taxes levied by the same taxation authority and the relevant entity intends and has ability to settle its current tax assets and liabilities on a net basis.

Current and Deferred Tax For The Year

Current and deferred tax are recognised in profit or loss, except when they relate to item that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

(Q) Borrowing Cost

Borrowing costs are interest and other costs that incurs in connection with the borrowing of funds and include interest expense calculated using the effective interest method as described in Ind AS 39 Financial Instruments: Recognition and Measurement, exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss.

Borrowing costs, allocated to and utilised for qualifying assets, pertaining to the period from commencement of activities relating to construction / development of the qualifying asset up to the date of capitalisation of such asset is added to the cost of the assets.

Notes to the Consolidated Financial Statements as at 31.03.2022

For general borrowing used for the purpose of obtaining a qualifying asset, the amount of borrowing costs eligible for capitalization is determined by applying a capitalization rate to the expenditures on that asset. The capitalization rate is the weighted average of the borrowing costs applicable to the borrowings of the Company that are outstanding during the period, other than borrowings made specifically for the purpose of obtaining a qualifying asset. The amount of borrowing costs capitalized during a period does not exceed the amount of borrowing cost incurred during that period.

Capitalisation of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted.

(R) Impairment

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of cash inflows from other assets or groups of assets (cash generating units). Non-financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

(S) Cash Flow Statement

The Cash Flow Statement is prepared by the indirect method set out in Ind AS-7 on Cash Flow Statements and presents cash flows by operating, investing and financing activities of the Company.

(T) Derivatives Instruments and Hedge Accounting

The Company enters into derivatives contracts in the nature of foreign currency swaps, currency options, forward contracts etc. to hedge its exposure to movements in foreign exchange rates. The use of these contracts reduces the risk or cost to the Company and the Company does not use those for trading or speculative purposes.

(U) Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the Core Management Committee which includes the Managing Director who is the Chief Operating Decision Maker. The Core Management Committee examines performance both from product and a geographical perspective. The Company has identified two reportable business segments viz. Automotive and Other Segment comprising LED Luminaries on the basis of the nature of products, the risk and return profile of individual business and the internal business reporting systems.

(V) Lease

The Company has applied Ind AS 116 using modified retrospective approach.

The Company's lease asset classes primarily consist of leases for Buildings. The Company assesses whether a contract is or contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

- (i) the contract involves the use of an identified asset
- (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and
- (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognises a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and leases of low value assets. For these short term and leases of low value assets, the Company recognises the lease payments as an operating expense on a straight-line basis over the term of the lease.

The right-of-use assets are initially recognised at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses, if any. Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

Notes to the Consolidated Financial Statements as at 31.03.2022

The lease liability is initially measured at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates. The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made.

A lease liability is remeasured upon the occurrence of certain events such as a change in the lease term or a change in an index or rate used to determine lease payments. The remeasurement normally also adjusts the leased assets.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

(W) Dividend on Equity Share

Dividends on equity shares are recorded on the date of approval by the shareholders of the Company.

(X) Corporate Social Responsibility (CSR) Expenditure

CSR Expenditure incurred by the Company is charged to the consolidated statement of the profit and loss

(Y) Exceptional Items

When an item of income or expense within Statement of profit and loss from ordinary activity is of such size, nature or incidence that their disclosure is relevant to explain the performance of the Company for the year, the nature and amount of such items is disclosed as exceptional items.

(Z) Earnings Per Share

The Basic and Diluted Earnings Per Share ("EPS") is computed by dividing the profit after tax (loss) for the year by weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earning per share, the net profit (loss) for the year attributable to equity shareholder and the weighted average number of share outstanding during the year are adjusted for the effect of all dilutive potential equity shares. The weighted average number of shares outstanding during the year are adjusted for events of bonus issue and share split, if any.

Notes to the Consolidated Financial Statements as at 31.03.2022

Description of nature and purpose of each reserve

General Reserve - General reserve is created from time to time by way of transfer profits from retained earnings for appropriation purposes. General reserve is created by a transfer from one component of equity to another and is not an item of other comprehensive income.

2 Securities premium account is used to record the premium on issue of equity shares. The same is utilised in accordance with the provisions of the Companies Act, 2013.

3 Translation Reserve :-Exchange differences arising on translation of assets, liabilities, income and expenses of the Group's foreign subsidiaries, associates and joint ventures are recognised and separately disclosed in translation reserve.

43 Other Segment Reporting

(Amount Rs in Lakhs)

(a) Identification of Segments:

Primary-Business Segments

The Company has identified two reportable business segments viz. Automotive and Other Segment on the basis of the nature of products, the risk and return profile of individual business and the internal business reporting systems. The products included in each of the reported business segments are as follows:-

- (i) Automotive comprising of automotive lighting & signalling equipment, rear view mirror, prismatic mirror, plastic moulded parts, sheet metal components, bank angle sensor and canisters for motorised vehicles and others parts for automotive.
- (ii) Other Segment comprising of led luminaries viz. indoor and outdoor lighting, display panel, LED integrated passenger information system etc.
- (iii) Revenue and expenses have been identified to a segment on the basis of relationship to operating activities of the segment. Revenue and expenses which relates to enterprise as a whole and not allocable to a segment on reasonable basis have been disclosed as "unallocated"
- (iv) Segment assets and segment liabilities represent assets and liabilities in respective segments. Income tax related assets/liabilities, borrowings, deferred tax liabilities (net) and other assets and liabilities that can not be allocated to a segment on reasonable basis have been disclosed as "Unallocated".

(i) Primary-Business Segments

(a) Gratuity

The Company has defined benefit gratuity plan for its employees, which requires contributions to be made to a separately administered fund. It is governed by the Payment of Gratuity Act, 1972. Under the Act, employee who has completed five years of service is entitled to specific benefit. The level of benefits provided depends on the member's length of service and salary at retirement age. The scheme is funded with Exide Life Insurance Company Limited in the form of qualifying insurance policy.

(b) Earned Leave

The Present value obligation of Leave Encashment is determined based on actuarial valuation using projected unit credit method. Disclosure requirement as per Indian Accounting Standard on Employee Benefits-Ind AS (19)-As per actuarial valuation as on 31.03.2022 are as follows:

(i) Expenses recognised in the Statement of Profit and Loss under the head employee benefits expense

Particulars	Gratuity		Leave Encashment	
	2021-22	2020-21	2021-22	2020-21
Current service cost	190.48	179.67	93.29	100.74
Interest cost	(2.62)	15.53	42.26	39.20
Actuarial (Gain)/Loss	-	-	(116.34)	(86.60)
Expenses recognized in Statement of Profit and Loss	187.86	195.19	19.21	53.34

Amount to be recognised in the Balance Sheet

Particulars	For the year ended 31st March, 2022	For the year ended 31st March, 2021	For the year ended 31st March, 2022	For the year ended 31st March, 2021
Liability at the end of the year	1,585.03	1,450.35	563.91	571.71
Fair value of plan assets at the end of the year	1,514.04	1,368.33	-	-
Amount to be recognised in Balance Sheet	70.99	82.02	563.91	571.71
Current	70.99	82.02	98.14	102.82
Non-Current	-	-	465.77	468.90

Reconciliation of benefit obligation

Principal actuarial assumptions

Particulars	2021-22	2020-21	2021-22	2020-21
Discount rate	7.57%	7.21%	7.57%	7.21%
Salary escalation	8% & 6% TA	8% & 6% TA	8% & 6% TA	8% & 6% TA
Expected return on assets	7.21%	7.21%	7.21%	7.21%
Attrition rate	2.00%	2.00%	2.00%	2.00%
Retirement age	58	58	58	58

- (a) The discount rate is based on the prevailing market yields of Indian Government securities as at the balance sheet date for the estimated terms of the obligations.
- (b) Salary escalation rate: The estimates of future salary increases considered taking into the account the inflation, seniority, promotion and other relevant factors.
- (c) Expected return on assets is expected return on plan assets over the accounting period, based on an assumed rate of return.
- (d) Attrition rate is employee turnover rate based on the Company's past and expected employee turnover.
- (e) Disclosure related to indication of effect of the defined benefit plan on the entity's future cash flows:

Expected benefit payments (discounted values/present value) for the year ending:

Year ending	Gratuity		Leave Encashment	
	For the year ended 31st March, 2022	For the year ended 31st March, 2021	For the year ended 31st March, 2022	For the year ended 31st March, 2021
31st March, 2023	117.87	70.00	43.27	41.18
31st March, 2024	53.06	93.17	9.98	34.14

31st March, 2028-2032	323.79	305.70	72.75	78.19

Notes to the Consolidated Financial Statements as at 31.03.2022

(Amount Rs in Lakhs)

(f) Weighted Average duration of defined benefit obligation for gratuity and earned leave: 17.73 years (Previous year 17.93 years)

(g) Sensitivity analysis:

Sensitivity analysis indicates the influence of a reasonable change in principal assumptions, while keeping other things constant, on the outcome of the present value of Defined Benefit Obligation. In reality, the plan is subject to multiple external experience items which may move the Defined Benefit Obligation in similar or opposite directions, while the Plan's sensitivity to such changes can vary over time.

A quantitative sensitivity analysis for significant assumption as at 31st March, 2022 is as shown below:

A. Effect of 1% Change in the assumed discount rate	Gratuity			
	1% Increase	1% Increase	1% Decrease	1% Decrease
	31st March 2022	31st March 2021	31st March 2022	31st March 2021
Defined Benefit Obligation	1441.42	1314.83	1754.84	1611.20
B. Effect of 1% Change in the assumed salary escalation rate	1% Increase	1% Increase	1% Decrease	1% Decrease
	31st March 2022	31st March 2021	31st March 2022	31st March 2021
Defined Benefit Obligation	1740.84	1598.96	1448.10	1321.93
C. Effect of 1% Change in the assumed Attrition Rate	1% Increase	1% Increase	1% Decrease	1% Decrease
	31st March 2022	31st March 2021	31st March 2022	31st March 2021
Defined Benefit Obligation	1594.51	1455.59	1573.73	1443.95
A. Effect of 1% Change in the assumed discount rate	Leave Encashment			
	1% Increase	1% Increase	1% Decrease	1% Decrease
	31st March 2022	31st March 2021	31st March 2022	31st March 2021
Defined Benefit Obligation	526.67	532.54	607.57	617.94
B. Effect of 1% Change in the assumed salary escalation rate	1% Increase	1% Increase	1% Decrease	1% Decrease
	31st March 2022	31st March 2021	31st March 2022	31st March 2021
Defined Benefit Obligation	606.39	616.56	527.04	533.02
C. Effect of 1% Change in the assumed Attrition Rate	1% Increase	1% Increase	1% Decrease	1% Decrease
	31st March 2022	31st March 2021	31st March 2022	31st March 2021
Defined Benefit Obligation	563.36	570.57	564.13	572.65

Financial assets and liabilities measured at fair value-recurring fair value measurements

Particulars	As at 31st March, 2022			As at 31st March, 2021		
	Level 1	Level 2	Level 3	Level 1	Level 2	Level 3
Non-current Investment	-	-	2.00	-	-	2.00
Current Investment	5,689.40	-	-	-	-	-

The management assessed that the fair values of short term financial assets and liabilities significantly approximate their carrying amounts largely due to the short-term maturities of these instruments. The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction among willing parties, other than in a forced or liquidation sale.

The Company maintains policies and procedures to value financial assets or financial liabilities using the best and most relevant data available. In addition, the Company internally reviews valuation, including independent price validation for certain instruments.

Notes to the Consolidated Financial Statements as at 31.03.2022

Fair value of financial assets and liabilities is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique.

The following methods and assumptions were used to estimate fair value:

- Fair value of short term financial assets and liabilities significantly approximate their carrying amounts largely due to the short term maturities of these instruments.
- Fair value of quoted mutual funds is based on the net assets value at the reporting date.

47 Financial Instruments and Risk Review

Financial Risk Management Framework

The Company's financial liabilities comprise mainly of borrowings, trade payables and other payables. The Company's financial assets comprise mainly of investments, cash and cash equivalents, other balances with banks, loans, trade receivables and other receivables.

The Company is exposed to Market risk, Credit risk and Liquidity risk. The Company oversee the management of these financial risks. The Company's approach to address uncertainties in its endeavor to achieve its stated and implicit objectives. It prescribes the roles and responsibilities of the Company's management, the structure for managing risks and the framework for risk management. The framework seeks to identify, assess and mitigate financial risks in order to minimize potential adverse effects on the Company's financial performance.

i) Capital Management

The Company's capital management objectives are:

The Company's policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business.

The Company manages capital risk by maintaining sound/optimal capital structure through monitoring of financial ratios, such as debt-to-equity ratio and net borrowings-to-equity ratio on a monthly basis and implements capital structure improvement plan when necessary.

The Company uses debt ratio as a capital management index and calculates the ratio as Net debt divided by total equity. Net debt and total equity are based on the amounts stated in the financial statements.

Debt-to-equity ratio is as follows:

(Amount Rs in Lakhs)

Particulars	As at 31st March, 2022	As at 31st March, 2021
Non Current Borrowing	751.67	2,189.55
Derivative Liability (Assets) on Non-Current Borrowings	(68.24)	(140.35)
Current Maturities of Non-Current Borrowing	1,365.78	3,027.67
Current Borrowing	-	-
Interest Accrued on Non-Current Borrowing	3.77	13.09
Net Debt (A)	2,052.98	5,089.96
Equity (B)	64,223.19	56,934.95
Debt Ratio (A/B)	0.03: 1	0.09: 1

ii) Credit Risk

Credit risk refers to risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. Credit risk arises primarily from financial assets such as trade receivables, other balances with banks, loans and other receivables.

In assessing Post Covid-19, recoverability of receivables, the management has considered the asset type, past due status and other relevant factors considering the age of receivables. The provision for expected credit losses (ECL) are revised at each reporting date by the use of practical expedients viz provision matrix.

The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk was Rs. 17,652.74 Lakhs (net of write-off/provisions) (Previous Year Rs. 8572.12 Lakhs) respectively, being the total of the carrying amount of balances with trade receivables. An amount of Rs. 70.42 lakhs (previous year Rs. 1076.78 lakhs) has been written-off during the year after re-assessing Post-Covid-19 long outstandings and obtaining objective evidences on the impairment of the trade receivables.

Notes to the Consolidated Financial Statements as at 31.03.2022

(Amount Rs in Lakhs)

Ind AS requires expected credit losses to be measured through a loss allowance. The Company assesses at each date of financial statement whether a financial asset or a group of financial assets is impaired. The Company recognises lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12 months expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

The Company's primary customers are major automobile manufacturers (OEMs) with good credit ratings. Company's exposure to customers is diversified and some customers contribute more than 10% of outstanding accounts receivable which forms 46% of total receivables as of 31st March, 2022 (71% as at 31st March, 2021), however there was no default on account of those customers in the past.

The Company performs credit assessment for customers on an annual basis and recognizes credit risk, on the basis lifetime expected losses and where receivables are due for more than six months.

Movement in the expected credit loss allowance:

Particulars	As at 31st March, 2022	As at 31st March, 2021
Balance at the beginning of the year	338.60	142.32
Movement in the expected credit loss allowance on trade receivables calculated at lifetime expected credit losses	9.42	196.28
Balance at the end of the year	348.02	338.60

iii) Liquidity Risk

a) Liquidity risk management

Liquidity risk refers to the risk that the Company cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

b) Maturities of financial liabilities

The following tables detail the Company's remaining contractual maturity for its financial liabilities with agreed repayment periods. The amount disclosed in the tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The tables include both interest and principal cash flows.

Particulars	31st March, 2022		31st March, 2021	
	Less than 1 Year	1-5 Years	Less than 1 Year	1-5 Years
Financial liabilities				
Trade payables	26,110.30	-	17,222.13	-
Trade Security Deposits	305.48	-	283.20	-
Unpaid Dividend	9.11	-	7.76	-
Creditors for Capital Expenditure	36.40	-	144.21	-
Payable to employees	852.53	-	773.47	-
Other Payable (includes accrued expense/liabilities)	1,069.31	-	807.32	-
Term loans (Net of Derivative Assets)	1,365.78	683.43	3,027.67	2,049.20

Interest Accrued	3.77	-	13.09	-
	29,819.93	683.43	22,337.90	2,049.20

c) Maturities of financial assets

The following table details the Company's expected maturity for financial assets. The table has been drawn up based on the undiscounted contractual maturities of the financial assets including interest that will be earned on such assets.

Particulars	31st March, 2022		31st March, 2021	
	Less than 1 Year	1-5 Years	Less than 1 Year	1-5 Years
Non-derivative Financial assets				
Trade receivables	17,460.07	192.67	8,086.70	485.42
Loan to employees	56.39	56.10	41.42	46.82
Security Deposit	0.49	931.35	7.47	944.00
Other Financial Assets	93.24	98.62	173.44	168.54
Other Bank Balance	9.11	-	16.96	-
Cash & Cash Equivalents	6,831.03	-	11,037.76	-
Investment in Liquid Mutual Fund	5,689.40	-	-	-
Investment in Joint Ventures, & Other	1,956.82	29.45	-	2,101.22
	32,096.55	1,308.19	19,363.75	3,746.00

Notes to the Consolidated Financial Statements as at 31.03.2022

(Amount Rs in Lakhs)

iv) Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Such changes in the values of financial instruments may result from changes in the foreign currency exchange rates, interest rates, credit, liquidity and other market changes. The Company's exposure to market risk is primarily on account of foreign currency exchange rate risk.

a) Foreign Currency exchange rate risk

The fluctuation in foreign currency exchange rates may have potential impact on the statement of profit or loss and other comprehensive income and equity, where any transaction references more than one currency or where assets / liabilities are denominated in a currency other than the functional currency of the respective entities. Considering the countries and economic environment in which the Company operates, its operations are subject to risks arising from fluctuations in exchange rates in those countries. The risks primarily relate to fluctuations in US Dollar, Euro, and Japanese Yen against the respective functional currencies of the Company. The Company, as per its risk management policy, uses derivative instruments primarily to hedge foreign exchange.

The Company evaluates the impact of foreign exchange rate fluctuations by assessing its exposure to exchange rate risks. It hedges a part of these risks by using derivative financial instruments in line with its risk management policies. The information on derivative instruments is as follows.

Foreign Currency exposures that are not hedged by derivative instruments	Currency	As at 31st March, 2022		As at 31st March, 2021	
		Foreign Currency	Rupees	Foreign Currency	Rupees
(a) Trade payables (including capital assets and accrued expenses)	USD	55.46	4,204.08	29.41	2,161.72
	EURO	0.07	5.65	0.18	15.56
	JPY	265.28	165.08	207.60	137.76
			4,374.82		2,315.04
(b) Trade receivables	USD	20.69	1,568.39	8.58	630.97
	EURO	0.49	41.32	0.34	29.31
	JPY	-	-	-	-
			1,609.71		660.28
Total (a-b)	USD	34.77	2,635.69	20.83	1,530.75
	EURO	(0.42)	(35.67)	(0.16)	(13.75)
	JPY	265.28	165.08	207.60	137.76

Foreign Currency Sensitivity

The following table demonstrates the sensitivity to a reasonable possible change in USD, EURO and JPY exchange rates, with all other variables held constant, the impact on the Company's profit before tax due to changes in the fair value of monetary assets and liabilities. The Company's exposure to foreign currency changes for all other currencies is not material. The sensitivity analysis is prepared on the net unhedged exposure of the Company as at the reporting date. 10% represents management assessment of reasonably possible change in foreign exchange rate.

Particulars	As At 31st March, 2022			As At 31st March, 2021		
	Currency	Change in rate	Effect on pre-tax equity	Currency	Change in rate	Effect on pre-tax equity
	USD	10.00%	263.57	USD	10.00%	153.08
	USD	-10.00%	(263.57)	USD	-10.00%	(153.08)
	EURO	10.00%	3.57	EURO	10.00%	(1.38)
	EURO	-10.00%	(3.57)	EURO	-10.00%	1.38
	JPY	10.00%	16.51	JPY	10.00%	13.78
	JPY	-10.00%	(16.51)	JPY	-10.00%	(13.78)

In management's opinion, the sensitivity analysis is unrepresentative of the inherent foreign exchange risk because the exposure at the end of the reporting period does not reflect the exposure during the year.

b) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of change in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long term debt obligations with floating interest rates.

Particulars	31st March, 2022	31st March, 2021
Variable rate borrowings		
Cash Credit/Working Capital Loans		-
Fixed rate borrowings		
Term Loan (net of derivative liability)	2,049.21	5,076.88
Total	2,049.21	5,076.88

Notes to the Consolidated Financial Statements as at 31.03.2022

(Amount Rs in Lakhs)

Interest rate sensitivity

The sensitivity analysis below have been determined based on exposure to interest rate. For floating rate liabilities, analysis is prepared assuming the amount of liability outstanding at the end of the reporting period was outstanding for the whole year. With all other variables held constant, the Company's profit before tax is affected through the impact on floating rate borrowings, as follows:

Particulars	31st March, 2022	31st March, 2021
Increase by 1.00%	-	-
Decrease by 1.00%	-	-

c) Commodity price risk

Movement in commodity price in market affects directly or indirectly the price of raw material and components used by the Company. The Company sells its products mainly to auto makers (Original Equipment Manufacturer) whereby there is a regular negotiation/adjustment of prices on the basis of changes in commodity prices.
